The District will verify that the food products are stocked, the facilities and materials are adequate to provide the required service, and that the bidder/contractor is in compliance with standard sanitation practices.

#### **K. SUBSTITUTIONS/DISCONTINUED ITEMS**

The Contractor shall make no item substitutions without prior permission from the Purchasing Senior Director or their designee. In the event an item is discontinued by the supplier during the life of the contract, an alternate product may be substituted, provided that the District's Student Nutrition Senior Director and the Purchasing Senior Director or their designees make a written determination that the substitution is equal to or better than the discontinued product, provided that it is sold at the same price or less than the discontinued product. Sufficient samples and nutritional information, as the District so dictates, will be required prior to the approval of any new product. This requirement also applies to pack size changes.

**L. GUARANTEE, INSPECTION, AND CERTIFICATION OF QUALITY**

1. All items are to be guaranteed for a minimum of 75% of their actual shelf life provided proper care and storage conditions are maintained. Guarantee shall cover product as well as wrapper and/or container. All food products delivered must be labeled with the production date and the best before date on the packaging. Expiration dates must be clearly indicated on each container. An explanation of the date code system used is required.

4. Inspection for visible damage, shortage, sanitation, etc., will be made at time of delivery by an authorized Student Nutrition Department Employee. The District reserves the right to reject acceptance at a later date for any nonvisible discrepancy with conditions or specifications contained in this ITB. Discrepancies will be immediately called to the attention of the Contractor and Student Nutrition Department Management, so that corrective action can be taken.
5. The Contractor will be responsible for merchandise rejected for either visible or latent noncompliance. Damaged or inferior merchandise for which the Contractor is responsible will be replaced at no increase in cost to the District.
6. The District may request, at no added cost, copies of any plant or product inspections or analysis.
7. The successful Contractor(s) must have, and provide upon request, a current HACCP (Hazard Analysis Critical Control Point) Plan and a recall plan in place for the District in the event of a product being discontinued for any food safety reason.

**M. SERVICE CONTRACT DEFICIENCIES**

1. The Contractor's failure to provide products or services required by any contract issued as a result of this ITB will be grounds for the District to issue a Service Deficiency Claim ("SDC") to the Contractor. The SDC will be submitted by the District to the Contractor in writing. The Contractor will advise the District, in writing, of the corrective action being taken.
2. If a deficiency is not corrected within seven (7) calendar days from the date of issuance of the SDC, the District may issue a second SDC and procure from another Contractor products or services necessary to correct the deficiency.
3. If the Contractor is issued more than two (2) substantiated SDC's within a thirty (30) day period, in addition to any other remedies by law or under a contract, the District may terminate the contract for default and without further notice or opportunity to cure.

**D. INDEPENDENT CONTRACTOR**

It is expressly understood and agreed by the Contractor and the District that the Contractor, its officers, employees and agents, are not employees of the District. The Contractor's relationship to the District is solely that of an independent contractor. 2. The submission of a bid constitutes certification that if awarded a contract with the District, the bidder shall fully comply with the requirements of paragraph I.1 above. This section of the Standard Contract Terms shall be deemed a part of the contract entered into by the successful bidder.
3. The successful bidder shall post in conspicuous places at its business operations a copy of this section, or notice setting forth the contents of this section, so that employees and job applicants are made aware of the protections against discrimination that this section provides.

## J. DRUG-FREE WORKPLACE: SAFETY, SECURITY AND CONDUCT

If Contractor conducts any work on District property, Contractor shall maintain pre-employment and employment practices designed to prevent the hiring and/or employment of individuals who use illegal drugs or individuals whose use of legal drugs (including alcohol) causes a potential for impaired or unsafe job performance. A Contractor's failure to do so constitutes a material breach of the contract. In addition, Contractor shall follow District requirements regarding site safety, security, accessibility, or any other procedural matters, including but not limited to the following requirements:

1. **Safety.** Contractor will be responsible for maintaining a safe work site and for working in a safe manner while on District property. The Contractor shall not leave any tools and/or equipment unattended or unsecured at any time. The Contractor shall conduct appropriate safety training for all employees.

**L. CONTINUING OBLIGATION OF CONTRACTOR**

Notwithstanding the expiration date of the contract, the Contractor is obligated to fulfill its responsibilities until warranty, guarantee, maintenance and parts availability requirements have expired.

**M. INDEMNIFICATION**

The Contractor shall indemnify, defend, and hold harmless the District from and against any and all claims of, or liability for, error, omission or negligent act of the Contractor under the contract or in any way arising from the contractor’s performance of the work under the contract, breach of warranties set forth in the contract, or from any defect in equipment furnished by the Contractor. The Contractor shall not be required to indemnify the District for a claim of, or liability for, the independent negligence of the District. If there is a claim of, or liability for, the joint negligent error or omission of the Contractor and the independent negligence of the District, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. "Contractor" and "District," as used within this Section, including the board members, officers, employees, agents and other Contractors who are directly responsible, respectively, to each. The term "independent negligence" is negligence other than in the District’s selection, administration, monitoring, or controlling of the Contractor and in approving or accepting the Contractor’s work.

## N. INSURANCE REQUIREMENTS

1. **General Requirements.** Without limiting the Contractor's indemnification, it is agreed that the Contractor shall maintain for the duration of the contract, at its cost and expense, the insurance required under this Section. Where specific limits are shown, they are minimum acceptable limits and if the Contractor's policy contains higher limits, the District will be entitled to coverage to the extent of such higher limits. Certificates of Insurance must be furnished to the District and must provide for a thirty (30) day prior notice of cancellation, nonrenewal or material change of conditions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of Contractor's services. All insurance policies shall comply with, and be issued by insurers licensed to transact the business of insurance under AS 21 and shall be with insurers having a Best's rating of no less the A-. The failure to supply satisfactory proof of insurance within the time required will cause the District to terminate this contract and/or to declare the Contractor non-responsible and to reject the Contractor's quote/offer. Proof of insurance is required for the following:
  - a. **Commercial General Liability Insurance.** Covering all business premises and operations used by the Contractor in the performance of services under the contract with minimum coverage limits of \$1,000,000 combined single limit per occurrence.
  - b. **Commercial Automobile Liability Insurance.** Covering all vehicles used by the Contractor in the performance of work under this contract, including owned, non-owned and hired vehicles, with coverage limits of \$1,000,000 combined single limit per occurrence, and including uninsured/underinsured motorist coverage with limits of \$500,000 because of bodily injury to or death of one person in one accident, and, subject to the same limit for one person, \$1,000,000 because of bodily injury to or death of two or more persons in one accident.
  - c. **Workers' Compensation Insurance.** Contractor shall provide and maintain for all employees engaged in work under this contract coverage as required by AS 23.30.045; and, where applicable, any other statutory obligations including, but not limited to, Federal U.S.L. & H. and Jones Act requirements. Contractor shall comply with all applicable provisions of the Alaska Workers' Compensation Act, AS 23.20.010 et seq., while performing work for the District and for the entire term of this contract and any renewal of this contract.
2. **Certificates of Insurance.** Certificates of Insurance shall be in the name of the ANCHORAGE SCHOOL DISTRICT.
3. **Waiver of Subrogation.** Waivers of subrogation shall be required on the General Liability, Workers Compensation and Auto Liability.

5. **Additional Requirements.** The Contractor shall notify the District immediately of any material changes in its insurance policies, such as changes in limits, coverages, and change in status of any policy. The Contractor shall furnish the District with a copy of each notice of renewal of the insurance policies required so long as this contract is in effect.

## O. PATENT AND COPYRIGHT PROTECTION

1. **Third Party Claim.** In the event of any claim by any third party against the District that the products or services furnished under this contract infringe upon or violate any patent or copyright, the District shall

promptly notify Contractor. Contractor shall defend such claim, in the District's name or its own name, as appropriate, but at Contractor's expense. Contractor will indemnify and hold the District harmless from and against all costs, damages and attorney's fees that accrue as a result of such claim. If the District reasonably concludes that its interests are not being properly protected, or if principles of governmental or public law are involved, it may enter any action in its sole discretion. The contractor shall have no obligation with respect to any such claim based upon the District's modification of the product.

2. **Subject of Claim.** If any product or service furnished under this contract is likely to or does become the subject of a claim of infringement of a patent or copyright, then Contractor may, at its option, procure for the District the right to continue using the alleged infringing product or service, or modify or replace the product or service so that it becomes non-infringing. If none of the above options can be accomplished, or if the use of such product or service by the District shall be prevented by injunction, the District will determine if the contract has been breached.

**P. RISK OF LOSS OR DAMAGE**

Prior to the date that the District accepts any machines or other equipment or products furnished by the Contractor, the Contractor and its insurers relieve the District of responsibility for all risk of loss of, or damage to, the machines and other equipment. Upon acceptance by the District, all risk of loss of, or damage to, such machines and equipment shall be on the District, except to the extent of the contractor's warranty and other express obligations under the contract.

**Q. LIMITATION ON DISTRICT LIABILITY**

IN NO EVENT SHALL THE DISTRICT BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, LOST PROFITS, EXEMPLARY OR LIFE EXPECTANCY DAMAGES ARISING OUT OF THIS CONTRACT.

**R. CHANGE MANAGEMENT**

1. The District may modify this contract at any time without notice to any surety and make changes within the general scope of this contract, by written amendment, executed by the parties and their signatories hereto.
2. If any such change causes an increase or decrease in the estimated cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects any other terms and conditions of this contract, the District shall make an equitable adjustment in the: (1) price, performance or completion schedule, or both; and (2) other affected terms, and shall modify the contract accordingly. Both the District and the Contractor shall evidence their acceptance of a Change Order by signature of their respective Project Managers upon the Change Order.
3. The Contractor must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order. However, if the District decides that the facts justify it, the District may receive and act upon a proposal submitted before final payment of the contract. No claim by the Contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract. In no event shall the District be liable to the Contractor for additional compensation for any alleged change to the work for which the District has not agreed to and signed a Change Order.
4. Any adjustment in contract price pursuant to this provision shall be determined in accordance with the Price Adjustments provision of this contract.

5. Failure to agree to any adjustment shall be resolved in accordance with the Disputes provision of this contract. However, failure to agree to an adjustment shall not excuse the Contractor from proceeding with the contract as changed. By proceeding with the work, the Contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

**S. TERMINATION FOR CONVENIENCE**

The District may terminate a contract, or a portion thereof, whenever it is in the District’s best interest to do so, with a ten (10) day written notice. In such instance, the District will assume responsibility for all financial commitments made prior to notice of termination. Any property, publications or materials provided during or resulting from the contract shall be the property of the District.

**T. TERMINATION FOR DEFAULT**

The District may terminate a contract whenever the contractor defaults in the performance of the contract in accordance with its terms. In such an instance, the Contractor is liable for all expenses he/she has incurred under the contract. Any materials provided during or resulting from the contract shall be the property of the District.

**U. WAIVER OF BREACH**

No failure by the District to enforce any provisions hereof after any event of breach shall be deemed a waiver of its rights with regard to that event, or any subsequent event. No express failure of any event of breach shall be deemed a waiver of any provision hereof. No such failure or waiver shall be deemed a waiver of the right of the District to enforce each and all of the provisions hereof upon any further or other breach on the part of the Contractor.

**V. TRANSITION ASSISTANCE**

If this contract is not renewed at the end of this term, or is terminated prior to the completion of a project, or if the work on a project is terminated, for any reason, the Contractor shall provide, for a reasonable period of time after the expiration or termination of the project or this contract, all reasonable transition assistance requested by the District, to allow for the expired or terminated portion of the services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to the District or its designees. Such transition assistance will be deemed by the parties to be governed by the terms and conditions of this contract, except for those terms or conditions that do not reasonably apply to such transition assistance. The District shall pay the Contractor for any resources utilized in performing such transition assistance at the most current rates provided by the contract. If there are no established contract rates, then the rate shall be mutually agreed upon. If the District terminates a project or this contract for cause, then the District will be entitled to offset the cost of paying the Contractor for the additional resources the Contractor utilized in providing transition assistance with any damages the District may have otherwise accrued as a result of said termination.

**W. ASSIGNMENT, TRANSFER AND SUBCONTRACTING**

The District reserves the right to assign all or any part of its interests under the contract. Contractor may not assign any part of its rights or obligations under a contract without the prior written approval of the District. Specifically, a Contractor may not transfer, pledge, or assign funds or the right to receive funds due or to become due under this Contract, in whole or in part, without the prior written consent of the District. Any such transfer, pledge or assignment by the Contractor which is not approved by the District is invalid, and shall in addition constitute an event of default under the contract. The Contractor shall be responsible to the District for the acts and omissions of all Subcontractors or agents and of persons directly or indirectly employed by such Subcontractors, and for the acts and omissions of persons employed directly by the Contractor.

**X. FORCE MAJEURE**

In the event that either party hereto shall be delayed or hindered in or prevented from the performance of any act required under the contract by reason or strikes, lock-outs, labor troubles, failure of power, riots, insurrection, war or other reasons of a like nature, not the fault of the party delayed in performing work or doing acts required under the terms of the contract, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay.

**Y. DISSEMINATION OF INFORMATION**

All reports, information, or data, prepared or assembled by the selected bidder under the contract, are confidential and the selected bidder agrees that said reports, information or data shall not be made available to any individual or organization without the prior written approval of the District. In addition, the District may disclose certain information to bidder and bidder may have access to certain information that is not generally known to others and is confidential. Bidder agrees not to use or disclose to any third party, except in the performance of services hereunder, any such confidential information. Bidder further agrees to cause its employees and Subcontractors to undertake the same obligations of confidentiality. These provisions shall survive termination of the contract.

**Z. SEVERABILITY**

If any term or provision of the contract or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this contract, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term and provision of this contract shall be valid and be enforced to the fullest extent permitted by law.

**AA. DISPUTES**

The contract and any disputes arising out of the contract shall be governed by the laws of the State of Alaska. The parties agree that any appeal of an administrative decision or any original action to enforce any provision of the contract, or to obtain relief from or remedy in connection with the contract, may be brought only in the federal district court for the District of Alaska or the state courts for the Third Judicial District, State of Alaska, at Anchorage.

**BB. CONTRACT FUNDING: NON-APPROPRIATION**

The contract is contingent upon funding. No financial obligation beyond a current District fiscal year shall exist under the contract unless and until an appropriation of funds to be expended on the contract for the following fiscal year is made by the Anchorage School Board. In the event that the School Board does not appropriate funds, or appropriates insufficient funds for the following fiscal year, the District shall notify the Contractor and the contract shall terminate on the last day of the preceding fiscal year, or on the date when appropriated funds for the contract are exhausted. Under no event shall the District be financially obligated to the Contractor in any way beyond amounts appropriated by the School Board.

**CC. OCCUPATIONAL SAFETY AND HEALTH WARRANTY**

Bidder, if awarded a contract, warrants that the products sold or services rendered to the buyer shall conform to the standards and/or regulations promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970 (29 U.S.C. 651, Pub. L. 91-596). In the event the product sold does not conform to the OSHA standards and/or regulations, the buyer may return the product for correction or replacement at seller's option and at the seller's expense.
