SECTION I
INSTRUCTIONS TO BIDDERS

A. GENERAL REQUIREMENTS

This solicitation is an INVITATION TO BID (referred to as “ITB”) governed by applicable Anchorage School Board Policies, including Section 3311 of said Policies. School Board Policies are available at www.asdk12.org/School_Board/policy. Bidders should read this ITB and review all instructions contained herein. Incomplete or incorrect bids may be rejected as not conforming to the essential requirements of this ITB. Bids submitted on other than the prescribed forms contained in this ITB will be rejected. Bidders may copy the forms contained in the ITB for use in their bids; however, substitute forms or formats are unacceptable.

B. EXAMINATION OF CONTRACT DOCUMENTS

Bidders should read this ITB and review all instructions contained herein. The submission of a bid shall constitute acknowledgement that the bidder has thoroughly examined and is familiar with the solicitation documents.

C. DEBARMENT AND SUSPENSION

Bidders must fully comply with the requirements regarding debarment and suspension in Subpart C of 2 CFR Part 180, as adopted by the Department of Education at 2 CFR Part 3485.12. Bidders are responsible for ensuring lower tier covered transactions include a term or condition requiring compliance with Subpart C of 2 CFR Part 180 and 2 CFR Part 3485, entitled Responsibilities of Participants Regarding Transactions. Contractors, subcontractors, or suppliers that appear on the Excluded Parties List System are not eligible for award of contracts that are a covered transaction under Subpart B of 2 CFR Part 180 and 2 CFR Part 3485. Bidders may access the Excluded Parties List System at www.sam.gov.

D. CONFLICT OF INTEREST

1. The Contractor agrees to certify that District employees, School Board members, or a member of their household are not in conflict of interest with the contract and Board Policy 3311, Administrative Regulation 3311.1(e).1.
2. Board Members, District employees, and their household and/or immediate family members are required to comply with Board Policy 3311, Administrative Regulation 3311.1(e).1 and the Municipal Ethics Code by disclosing conflicts of interest. The responsibility for complete and timely filing rests solely with the Board Member or District employee.

Note: *Notice of Intent to Respond to Public Solicitation* shall be filed with the Municipal Clerk’s office in advance to allow a minimum of seven (7) calendar days to elapse between electronic publication by the clerk and the final date for submitting a response to the solicitation. The form may be obtained from the Municipality of Anchorage website, www.muni.org/.

District *Disclosure* and *Request for Waiver* forms and instructions may be obtained from the District’s Purchasing Department webpages, <https://www.asdk12.org/Page/8014>.

E. FIRM BID

Bids made in response to this ITB must be good and firm for a period of 90 calendar days from the date specified for submittal of bids.

F. WITHDRAWAL OF BIDS

Bids may be withdrawn on written request delivered to the District Purchasing Senior Director (email is acceptable) only prior to the time specified for submittal.

G. MODIFICATION OF BIDS

Bid modifications requested in person, via fax, or via email for bids already submitted will be considered if received prior to the due date and time as indicated on the Notice/Cover Page of this ITB. Hand delivered, faxed, or emailed bid modifications shall not reveal the amount of the original or revised bid unit price(s) and/or total price(s), but rather should indicate only the dollar amount of increase or decrease of the unit price(s) and or total prices(s). Bid modifications must be signed by an authorized representative of the bidder. It is the responsibility of the bidder to ensure delivery of any bid modifications prior to the due date and time for bid submission. Bid modifications received after the due date and time for submissions will NOT be considered. Bidders are encouraged to ensure that the District has received any bid modifications prior to the bid opening.

H. AVAILABILITY OF FUNDS

Awards are contingent upon the availability of funds.

I. FEDERAL EXCISE TAXES

The District is exempt from Federal Excise Taxes. An Exemption Certificate will be furnished when required.

J. QUESTIONS; METHOD FOR CLARIFICATION

Any bidder in doubt as to the true meaning of any part of this ITB may submit to the District a written request for an interpretation thereof. Questions must be received by the District's Purchasing Department no later than five (5) calendar days prior to the date set for the submission of bids. Oral questions cannot be answered and are not binding for this ITB. Questions can be submitted as follows:

Reference: ITB 2025-523 Commercial Air Filters Term Contract
Email: purchasing@asdk12.org
[OR Fax: Anchorage School District Purchasing Department, 907-243-6293]
Attn: Julie McLean, Purchasing Agent

Two types of questions generally arise. One may be answered by directing the bidder to a specific section of the ITB. These questions may be answered by direct communication to the bidder submitting the question. Questions which, in the opinion of the Purchasing Senior Director, require a more detailed or complex reply, or require an answer that may affect responses to this ITB or may be prejudicial to other prospective bidders, will be answered by issuing an addendum prior to the bid opening.

K. SUBMISSION OF BIDS

1. Complete sealed bids MUST be in the office of the Purchasing Department, Anchorage School District, 4919 Van Buren Street, Anchorage, Alaska prior to the time and date stated on the Cover Page of this ITB. At the submittal deadline, the bids may be opened and publicly read in the conference room of the District's Purchasing Department. It is the responsibility of the bidder to ensure that their complete bid and acknowledgement of subsequent addenda, if any, are in the office of the Purchasing Department prior to the time of the scheduled bid opening.
2. Bidders are cautioned that bids which arrive after the time of the scheduled bid opening will not be considered and will be returned unopened.
3. Bidders should be aware addenda could be issued after the pre-bid conference is held. It is the bidder's responsibility to ascertain if addenda have been issued by checking the District's Purchasing website: www.asdk12.org/depts/purchasing/.
4. No oral change or interpretation of the provisions contained in this ITB is valid. Written addenda may be issued when changes, clarifications, or amendments to bid document are deemed necessary by the District.
5. If mailed, bids shall be addressed as follows:

Anchorage School District
Purchasing Department
4919 Van Buren Street
Anchorage, AK 99517-3137

6. Bids **MUST** be in **SEALED** envelopes with the outside of the envelope clearly marked with bidder's name, address, and phone number and as follows:

BID: **ITB 2025-523 Commercial Air Filters Term Contract**
DUE: **Prior to 1:00 p.m., Local Time, July 17, 2025**
7. **The District will not accept bid responses via fax or email.** Email and faxes are available for informational inquiries only. ITB responses received via fax or email will be considered non-responsive; however, modifications to original bids and addenda, (including signature) may be emailed, faxed, or delivered in person.
8. The District reserves the right to make awards within 90 calendar days from the date bids are due.
9. All bids shall be submitted on the attached Signature Page (Attachment A) and Specifications/Bid Form(s) (Attachment C) in the spaces indicated and must comply with these instructions.
10. The Signature Page (Attachment A) and Specification/Bid Form(s) (Attachment C) must be completed and signed by an authorized representative of the firm submitting the bid. Additional information requested in this ITB shall be submitted as indicated on the Bidder's Checklist.
11. The District reserves the right to accept or reject any and all bids and to waive irregularities.

L. BID CONSIDERATION

Factors that may be considered in evaluating bids in addition to price will include:

1. The ability, capacity and skill of the bidder to perform the contract;
2. Whether the bidder can perform the contract within the time specified without delay or interference;
3. The character, integrity, reputation, judgment, experience, and efficiency of the bidder;
4. The quality of performance by the bidder on previous contracts;
5. Previous compliance by the bidder with laws and regulations relating to the contract.

M. RIGHT OF REJECTION, CLARIFICATION, AND CANCELLATION

The District reserves the right to reject any and all bids, to request clarification of information from any bidder and to waive irregularities in the bid procedures. The District is not obligated to enter into a contract on the basis of any bid submitted in response to this ITB. The District reserves the right, at its sole discretion, to cancel this ITB or any part thereof, at any time, prior to the award of contract under this ITB.

N. REQUEST FOR ADDITIONAL INFORMATION

Prior to the final selection, bidders may be required to submit additional information, which the District may deem necessary to further evaluate the bidder's submission. Responses are due within three (3) calendar days of request by the District.

O. DISTRICT NOT RESPONSIBLE FOR PREPARATION COSTS

The District will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any bid. The District shall not be liable for any cost incurred by a bidder in responding to this solicitation or incurred for any work done, even in good faith, prior to execution of a contract and issuance of a notice to proceed, including but not limited to: bid preparation costs and other costs, including attorney fees associated with any challenge (administrative, judicial or otherwise) to the determination of the lowest responsive, responsible bidder and/or award of contract and/or rejection of bids. By submitting a bid, each bidder agrees to be bound in this respect and waives all claims to such costs and fees.

P. PROTEST AND APPEAL PROCESS FOR AGGRIEVED BIDDERS/PROPOSERS

1. Protest
 - a. An interested party may protest a solicitation or a proposed award of a contract.
 - i) A protest as to the specifications and/or terms and conditions of a solicitation must be received by the Purchasing Senior Director at least five (5) calendar days prior to the due date of the bid or proposal; failure to protest as provided herein constitutes a waiver of any objection to the solicitation.
 - ii) For construction projects and architectural/engineering design services, the protest of a proposed award of a contract must be received by the Purchasing Senior Director within ten (10) calendar days after issuance of the notice of intent to award, except that for

purchases under one hundred thousand dollars (\$100,000), the protest must be received within three (3) business days.

- iii) For goods or services, the protest of a proposed award of a contract must be received by the Purchasing Senior Director within seven (7) calendar days after issuance of the notice of intent to award, except that for purchases under one hundred thousand dollars (\$100,000), the protest must be received within three (3) business days.
 - iv) The protest must include the name of the person submitting the protest, the name of the bidder/proposer represented by that person, the specific action or bid/request for proposal contract award which is being protested, a detailed explanation of the reasons for the protest, and the relief requested.
 - v) The aggrieved person must serve all other interested parties with its protest.
- b. The Purchasing Senior Director shall stay the intended award of a contract unless the Purchasing Senior Director determines the award of the contract without further delay is necessary to protect the District's best interest. The Purchasing Senior Director may, in his/her sole discretion, hold a hearing.
 - c. The rights and remedies granted by this section are not available for informal small purchases with an actual or potential value of less than twenty-five thousand dollars (\$25,000). Failure to protest as provided herein constitutes a waiver of any objection to the solicitation and contract award.

2. Appeal

- a. A decision by the Purchasing Senior Director may be appealed to the Anchorage School Board. Any appeal shall be filed with the Superintendent within five (5) days after the decision is received by the protester and must include the name of the person submitting the appeal, the name of the bidder/proposer represented by that person, and a detailed explanation of the basis for the appeal. The aggrieved bidder/proposer must serve all other interested parties with its appeal. Emergency Contract Awards are not appealable.
- b. The Superintendent may obtain an independent review of the appeal issues if the Superintendent determines such review will assist consideration of the appeal. The independent review shall be conducted by a not directly involved District employee or an experienced but disinterested third party from outside the District.
- c. Failure to appeal to the Anchorage School Board as provided herein constitutes a waiver of any objections to the solicitation and the contract award.

3. Consideration of Appeal

- a. The decision being appealed and the findings from the independent review, if any, will be reported to the Board. Upon consideration of the appeal and allowing interested parties an opportunity to address the issues on appeal, the Board may:
 - i) Award the contract as recommended, if applicable, indicating its reasons for rejecting the appeal;

- ii) Grant the appeal, indicating its reasons for granting the appeal, and determine an appropriate remedy consistent with Board policy. The Board may award the contract at that meeting to some other bidder/proposer if it finds that a delay in making the award would adversely affect the District;
- iii) Stay any award of the contract to permit further consideration of the appeal, with action to be scheduled as soon as practicable, but in no event more than twenty (20) days after the stay as initiated;
- iv) Reject all bids/proposals in accordance with Board Policy 3311, Administrative Regulation 3311.1(a).13;
- v) Take such other action as appears appropriate and in the best interest of the District under the circumstances, in accordance with Board policy.

4. Frivolous Protests

- a. The signature of an attorney or party on a request for review, protest, motion, or other document constitutes a certificate by the signer that the signer has read the document, to the best of his/her knowledge, information, and belief formed after reasonable inquiry it is well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law, and that it is not interposed for an improper purpose, such as to harass, limit competition, or to cause unnecessary delay or needless increase in the cost of the procurement or of the litigation.
- b. If a request for review, protest, pleading, motion, or other document filed with the Purchasing Senior Director is signed in violation of the paragraph above, the Board, may impose upon the person who signed it, a represented party, or both, an appropriate sanction, that may include an order to pay to the other party or parties the amount of the reasonable expenses incurred because of the filing of the protest, pleading, motion, or other paper, including a reasonable attorney's fee.

Q. PUBLIC RECORDS CLAUSE

This ITB and the resulting bids received, together with copies of all documents pertaining to the award of a contract, will be kept by the Purchasing Department and made part of the record which will be open to public inspection. If a bid contains any information which is proprietary or confidential, each page of the bid containing such information must be clearly marked. Cost or price information will be open to public inspection.

R. CONTRACT

In addition to reading all of the information in the ITB, bidders must read and review the standard contract terms and conditions. The successful bidder shall be required to enter into an agreement with the District which will be substantially similar to the sample.

A sample copy of the form of contract can be viewed at:

END OF SECTION I

SECTION II
ADDITIONAL PROVISIONS

A. SEX OFFENDER/CHILD KIDNAPPER CERTIFICATION

Anchorage School Board Policy 3515.5 prohibits a contractor whose employees or agents may have direct or incidental contact with District students from sending any employee or agent to district property who has been convicted of a sex offense under federal law or the law of any state and who is required to register as a sex offender under Alaska law or by court order, or who has been convicted of child kidnapping under federal law or the law of any state and who is required under Alaska law or court order to register on the Alaska Department of Public Safety Sex Offender/Child Kidnapper Central Registry. Board Policy 3515.5 requires contractors to certify in writing the contractor's knowledge of and compliance with Board Policy 3515.5. Prior to executing a contract for this project, the selected Contractor shall verify that no employee or agent who will be on district property is registered as a sex offender or child kidnapper in Alaska [Alaska Department of Public Safety "Sex Offender/Child Kidnapper Registry"] or in any other state. In addition, the contractor shall certify that, to its knowledge, no employee or agent is a convicted sex offender or child kidnapper. The required form of certification is included as Exhibit 1 in the bid documents.

1. State of Alaska Sex Offender/Child Kidnapper Registry Contractor Certification

Contractor certifies contractor is familiar with and is in compliance with Anchorage School Board Policy 3515.5, that no employee or agent of contractor who will be on district property is registered as a sex offender or child kidnapper in Alaska [Alaska Department of Public Safety "Sex Offender/Child Kidnapper Registry"] or in any other state in which the employee or agent previously lived or worked, and that, to contractor's knowledge, no employee or agent is a convicted sex offender or child kidnapper.

2. State of Alaska Sex Offender/Child Kidnapper Registry Subcontractor Certification

Subcontractor certifies subcontractor is familiar with and is in compliance with Anchorage School Board Policy 3515.5, that no employee or agent of subcontractor who will be on district property is registered as a sex offender or child kidnapper in Alaska [Alaska Department of Public Safety "Sex Offender/Child Kidnapper Registry"] or in any other state in which the employee or agent previously lived or worked, and that, to subcontractor's knowledge, no employee or agent is a convicted sex offender or child kidnapper.

3. State of Alaska Sex Offender/Child Kidnapper Registry Sub-Subcontractor Certification

Sub-subcontractor certifies sub-subcontractor is familiar with and is in compliance with Anchorage School Board Policy 3515.5, that no employee or agent of sub-subcontractor who will be on district property is registered as a sex offender or child kidnapper in Alaska [Alaska Department of Public Safety "Sex Offender/Child Kidnapper Registry"] or in any other state in which the employee or agent previously lived or worked, and that, to sub-subcontractor's knowledge, no employee or agent is a convicted sex offender or child kidnapper.

B. NONDISCRIMINATION

See sample Form of Contract for Nondiscrimination terms and conditions

C. INDEMNIFICATION

See sample Form of Contract for Indemnification terms and conditions

D. HOLD HARMLESS

See sample Form of Contract for Hold Harmless terms and conditions

E. PROTECTION OF PROPERTY

See sample Form of Contract for Protection of Property terms and conditions

F. ALASKA BUSINESS LICENSE

The selected bidder must provide the District with the bidder's Alaska business license number prior to award. Bidders should contact the State of Alaska; Department of Commerce, Community and Economic Development; Division of Corporations, Business & Professional Licensing, for information regarding business licensing. Contact information, information regarding business licensing, and business licenses, is available at <https://www.commerce.alaska.gov/web/cbpl/BusinessLicensing.aspx>.

G. LOCAL PREFERENCE

Contracts shall be awarded by written notice issued by the Purchasing Director to the lowest responsive, responsible bidder; however, some preferences may be given to local bidders using the sliding scale in Board Policy 3311, Administrative Regulation 3311.1(a).1, when funds are available and such preference is not prohibited by the funding source. Local preference may be applied to any District procurement which utilizes cost as an evaluation criteria.

H. BRAND

1. The brand name and model numbers are as specified or equal. Brand names and manufacturer's model numbers furnished are the identification of the type of product and quality desired. Other brands meeting or exceeding the quality of brands referenced may be acceptable. If a bidder desires to offer a product considered equal or better than that specified, descriptive literature should be provided. Failure of the bidder to include complete descriptions and descriptive literature of the alternate brand offered may be cause for rejection of the bid.
2. Brand names and model/part numbers should be noted by each item offered.
3. All materials supplied from resulting contract(s) must be original, new, and be of the brand, model and stock number originally offered. The materials shall be readily identifiable as the brand and model/product number offered and shall be packaged in standard manufacturer's cartons, containers, and packages whenever possible.
4. Acceptability of equivalent items shall be determined by the District Purchasing Senior Director.

I. QUANTITIES; CONTRACT VOLUME

1. Bidders must state on their bid any change of quantity or unit of measure/issue (for example; each, pounds, package, box, case, etc.) or in minimum packaging due to the manufacturer's unit packing requirements for item(s) that they are bidding. In the event a bidder does not specify quantities

and/or unit pack, the District will assume the bidder is bidding the quantity and/or unit pack as specified in the ITB and shall require delivery of the quantities specified.

2. If the bidder requires a minimum order quantity, it must be so stated on their bid. Once an award has been made by the District, increases in minimum order quantities will not be accepted. The District may consider the minimum order quantity and elect to accept or reject, whichever is in the best interest of the District.

J. PRICING AND PAYMENT

1. All prices shall be net and FOB Destination. In the case of discrepancy in the extended price calculation(s), the unit price(s) will prevail.
2. Payment will be made within 30 days after acceptance by the District. The District reserves the right to exercise a 10 day inspection period upon receipt, prior to acceptance. The District will provide notification(s), in writing, of any product not meeting the specifications contained herein. Any product determined to not meet the required specifications will be returned to the successful bidder, at no additional cost to the District and/or replaced with a product which meets or exceeds the required specifications. A successful bidder's failure to furnish a product that does not meet or exceed the required specification may be found in default, and their award may be cancelled in part or in whole, as determined by the District. Official acceptance shall be determined after an inspection of the product.
3. All prices shall be stated in U.S. dollars.

K. PROMPT PAYMENT DISCOUNTS

Bidders may offer a cash discount for prompt payment by the District. Bidders are requested to state their cash discount percentage and payment day requirements on Attachment A – Signature Page of this ITB. A one (1) percent discount and a 10 day payment time interval are the minimum amounts allowed to be offered. Discounts for prompt payment will not be considered in computing the low bid; however, discounts will be applied if offered and earned. In this regard, the effective date for calculation of the discount will commence upon receipt and acceptance of the supply or service, receipt of a valid/correct invoice, or completion of tests (if required) occurs, whichever is later.

L. PROCUREMENT CARD PAYMENT

The District desires to utilize Procurement Cards (credit cards) as a method of payment under any contract awarded as a result of this ITB for all individual purchases under \$2,500. The Contractor's authorization of Procurement Card payments can be so indicated on Attachment A – Signature Page of this ITB.

M. REBATES

If manufacturer rebates are allowed or offered, they shall be paid directly to the Anchorage School District Accounts Payable Department, 5530 E. Northern Lights Blvd, Anchorage AK 99504. .

N. DELIVERY REQUIREMENTS

1. Delivery of all items shall be according to the delivery time as stated by the bidder on the Specifications/Bid Form. Any undelivered item(s) may be cancelled. Bidders shall state in their bid

the anticipated delivery time after receipt of order. The time of anticipated delivery must be stated in definite terms.

2. All deliveries shall be FOB Destination – Anchorage School District, Purchasing/Warehouse, 4919 Van Buren St, Anchorage, Alaska 99517 and labeled as follows:

Shipper's Name: _____
Purchase Order Number: _____
Carton Number: _____ of _____

Cartons not conforming to the above labeling requirement may delay receiving and payment by the District.

3. Orders must be shipped as available until complete.
4. All shipments shall be packaged to safeguard the property from damage. Any shipments delivered in a van/container must be clearly marked with the appropriate District purchase order number and palletized and wrapped/banded. Material must be stacked with not less than one (1) foot of space between the top of the cartons and the ceiling of the van/container.
5. It is the responsibility of the vendor to ensure that all drop shipments from any and all manufacturers, distributors, and others, are clearly marked with the appropriate District purchase order number, vendor's name and cart number(s) (for example, 1 of 4).
6. Shipments not conforming to the above requirements may, at the sole discretion of the District, result in delay of receipt and payment.

O. WARRANTY

1. The Seller expressly warrants that all materials used will be of the best quality available and that all workmanship will meet the highest standards of the trade. The Seller guarantees to answer personally for all materials and workmanship supplied to the District and shall undertake to correct workmanship or defect in materials as ascertained by the District.
2. Copies of all applicable Manufacturer Warranties may be requested from the apparent low bidder.
3. The Seller will promptly remove any material that the District designates as nonconforming or defective.
4. The Seller will promptly replace defective material.

P. COMPLIANCE WITH LAWS

See sample Form of Contract for Compliance with Laws terms and conditions

Q. OCCUPATIONAL SAFETY AND HEALTH WARRANTY

See sample Form of Contract for Occupational Safety and Health Warranty terms and conditions

R. ASSIGNMENT

See sample Form of Contract for Assignment terms and conditions

S. CONTRACT TERM

The term of the contract(s) shall be from the date of award through August 31, 2027, with three (3) one-year options, at the same unit prices, upon satisfactory performance of the Contractor(s), and upon mutual consent of the parties.

T. TERMINATION FOR CONVENIENCE

END OF SECTION II

SECTION III **SPECIFICATIONS**

INTENT:

The Anchorage School District, District Maintenance and Operations Department (“M&O”) is seeking to enter into a commercial air filter supply contract for a specified grade and quality of long lasting, high efficiency air filters. The goal of this commercial air filter contract is to reduce overall costs and improve Preventive Maintenance (PM) efficiency through filter design and construction, and other value-added services specified within this ITB.

M&O oversees filter replacements on over 90 facilities totaling approximately 8 million square feet.

While this bid is for the filter sizes and quantities as specified, the District will review ongoing recommendations and program refinements provided by the successful bidder as to size variation and change-out frequency to reduce costs. This high level of consultation is a requirement of the contract; however, any alterations to the deliverables outlined in the Contract will not be made without an Amendment to the Contract.

COMMERCIAL AIR FILTER SPECIFICATIONS:

1. Filters will be of a multi-ply, internally supported wire ring panel design to maximize airflow and air particle capture:
 - 1.1. Filters shall have no less than three distinct plies that are designed to filter from coarse to increasingly finer deniers of media.
 - 1.2. Filter shall be comprised of a minimum of 30% recycled material by weight.
 - 1.3. Filter shall be composed of material that has dual directional strength, ensuring filter integrity as it becomes loaded.
 - 1.4. The filter shall utilize both wet and dry tackifiers to maximize filtration.
 - 1.5. Filter shall utilize an internal wire support of galvanized wire. Wire shall be encapsulated between the media with a thermally generated seal.
 - 1.6. Filter construction shall be of a design to limit the amount of built-in structural bracing that impedes airflow. Crosswires may be used for added rigidity on filters requiring greater structural stability.
 - 1.7. Filter shall have a salvage edge not less than 0.5 inches and not to exceed 1 inch around the entire panel.
 - 1.8. Filters shall be available in a linked panel configuration.
 - 1.9. Filters shall be available in custom sizes if needed and shall be in configurations required for confined or limited access units.

FILTER PERFORMANCE:

2. Filter should be a high performance in design and longevity, and exceed the general operational standards of most commercial grade pleated paper type design filters:
 - 2.1. The filter shall have a MERV (Minimum Efficiency Reporting Value) minimum value of 8 when tested by an independent test facility according to ASHRAE (American Society of Heating, Refrigeration and Air Conditioning Engineers) Standard 52. 2-1999.
 - 2.2. The filter shall have an initial resistance of 0.46” W.G. (114 PA) at the recommended airflow of 492 FPM (2.5 m/sec). The filter shall have a recommended final resistance of 1.0” W.G. (249 PA).

- 2.3. The filter shall be Class 2 per standard 900 from Underwriters Laboratories.

PRICING PAYMENT & DELIVERY:

3. Filters should be packaged and marked by school for delivery, by air utility room number or asset number, and by Size, and be packaged for prolonged storage without filter damage:
 - 3.1. Filters must be delivered in properly marked, water resistant boxes. A plastic bag being used in the packaging is discouraged.
 - 3.2. Boxes must be labeled with school name, room number and/or air-handler asset number, filter sizes month and year of manufacture, and quantity.
 - 3.3. Boxes must contain filters for a single school.
 - 3.4. Filters will be delivered to the Purchasing / Warehouse at 4919 Van Buren Street, Anchorage, Alaska 99517-3137 and palletized at the vendor's expense by school location. Delivery hours are 07:00 am-03:00 pm Monday-Friday. The vendor must call the Purchasing/Warehouse at 907-742-8644 with the estimated date and time of delivery at least one day in advance.
 - 3.5. Maintenance & Operations can provide pallets on request, if needed, and will arrange for delivery of the filters to school locations.
 - 3.6. Filters should be delivered, as directed, within 45 days of order.

VENDOR QUALIFICATIONS AND REQUIREMENTS:

4. Vendors must be able to demonstrate, on demand, that they have the financial support, assets and organization to ensure they can provide the products and services required in this bid.
 - 4.1. Vendor shall provide a letter of good standing from the manufacturer of the filters.
 - 4.2. Vendor shall provide references (preferably from schools) demonstrating capability and longevity in the filter supply business.
 - 4.3. Vendor shall provide the names of local representation assigned to the District account.
 - 4.4. Vendor shall conduct a complete filter survey (Initial Site Survey) of all buildings maintained by M&O within 30 days of award for the purposes of identifying cost saving, performance enhancing, changes to the current filter program.
 - 4.4.1. Vendor shall assess and recommend consolidation of multiple filters to a single, custom size filter when possible. This program enhancement will eliminate blow-by when multiple filters are not pushed tightly together
 - 4.5. Vendor shall provide ongoing consultations as needed to establish filter replacement cycles. These consultations will require, at a minimum, visitation to no less than 50% of District schools at both the 6th month and 12th month period after the initial filter installation. These visitations may be conducted with M&O staff on both the morning and night shifts.
 - 4.5.1. Vendor shall help determine if filters in various applications require replacement on a 6th month or 12th month interval.

CONTRACTOR CERTIFICATION

Pursuant to Section II – Additional Provisions, Paragraph A, I _____ the undersigned Principal for _____ on Solicitation ITB 2025-523 Commercial Air Filters Term Contract, certify:

1. That I, either personally or through a person designated by me, have researched the State of Alaska Sex Offender/Child Kidnapper Registry to confirm that no employee or agent who may enter Anchorage School District property in connection with the contract is listed in the Registry.
2. That I have required all subcontractors and any of their sub-subcontractors to certify, or they will require all subcontractors and any of their sub-subcontractors to certify, that they researched the State of Alaska Sex Offender/Child Kidnapper Registry to confirm that no employee or agent who may enter District property in connection with the contract is listed in the Registry. I will provide all such certification to the District upon request.
3. To my knowledge, no employee or agent of bidder, or any subcontractor or sub-subcontractor of bidder, who may enter District property in connection with the contract is: (a) listed in the sex offender/child kidnapper registry of any other state; or, (b) is a convicted sex offender or child kidnapper.
4. I have read Anchorage School Board Policy 3515.5 and certify that the bidder will comply with Board Policy 3515.5. Bidder will not send any employee or agent who is a sex offender or child kidnapper to District property, as that term is defined in Board Policy 3515.5.
