However, ASD may disclose appropriately designated “directory information” without written consent, ***unless you decline by completing this form.***

In addition, federal law requires ASD to provide military recruiters, upon request, with three pieces of directory information – names, addresses and telephone listings, ***unless you decline by completing this form.*** State law requires ASD to provide contact information for students who have dropped out of high school to the Alaska Military Youth Academy, a program for students to finish their education and obtain a high school diploma or GED. ***You can decline this disclosure by completing this form.***

Anchorage School District Student Internet User Agreement

5530 E. Northern Lights Blvd.
Anchorage, AK 99504-3135

Dear Parent or Guardian,

We are pleased to offer students in the Anchorage School District access to the District computer network for Internet access. ASD requires this agreement form be filled out annually for students to obtain Internet access.

District Internet Use Responsibilities

Students are expected to act in a considerate and responsible manner when accessing network services.

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply. The network is provided to students for educational use only. Parent permission is required and students who do not have such permission are responsible for not accessing the Internet at school. Access is a privilege, not a right, and entails responsibility.

Individual users of the District computer networks are responsible for their behavior and communications over those networks. It is expected that all users will comply with School Board policy E 6161.4 *Resources, Access and Internet Use Agreement* and will honor the agreements they have signed.

Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that students are using the system responsibly. Students should not expect that files stored on District servers will always be private.

Within reason, freedom of speech and access to information will be honored. During school, teachers of younger students will guide students toward appropriate materials.

The following are not permitted:

- Sending or displaying offensive messages or pictures
- Using obscene language
- Harassing, insulting, or attacking others
- Violating copyright laws
- Trespassing in another's folders, work or files
- Employing the network for commercial purposes
- Deliberate damage to hardware or software
- Use of District computers for illegal activities
- Using another's password

Violation may result in a loss of access as well as other disciplinary or legal action. For more information, see the School Board Policies and the ASD Student Rights and Responsibilities document.

District G Suite Access

All students with permission to access the Internet are also given a G Suite account. This account does not include a district email but does give students access to:

1. Google Drive
2. Google Docs
3. Google Sheets
4. Google Slides
5. Google Classroom

This account is intended to give students the ability to seamlessly work between home and school. More info about G Suite security and privacy can be found at <https://edu.google.com/k-12-solutions/privacy-security/>

Agreement Authorizing Student Use of an ASD Owned Device

Your student is enrolled in an ASD program/school and may be provided with a Technological Device, going forward referred to as “Device”. Accepting this Device comes with expectations and responsibilities. Please review the following:

1. **Acceptable Use of a Device.** Use of the Device, whether at home or at school, is for educational purposes consistent with the curricular goals of ASD and with Board of Education policies. The student may not use (or allow others to use) the Device loaned to him/her in a way that violates the Board’s Acceptable Use Policy or its policies on student discipline, bullying, or student harassment. By using the Device, you and the student agree to abide by Board Policies, as well as all other applicable policies and guidelines in this document. As such, violation of any of these policies or guidelines could result in loss of use of the Device; discipline, up to and including suspension or expulsion; and referral to law enforcement.
2. **Responsibility for Lost or Damaged Device.** In the event your student’s Device is lost or damaged, you will be responsible for replacement or repairs under the following guidelines:
 - a. If the Device is stolen, you will be required to pay in full for the replacement unless the theft was not due to your child’s negligence or intentional misuse and you have submitted a complete and accurate police report of the theft.
 - b. If the damage is due to student’s negligence or intentional misuse or destruction, or if the Device is lost, you will be required to pay in full for the repair or replacement of the equipment.

In accordance with School Board Policy 5125.3, willful damage of or failure to return your Device may result in the withholding of grades, diploma or transcripts.

3. **Caring for the Device.** The Device assigned to the student remains the property of ASD and must be cared for. In addition to the manufacturer’s instructions included with the Device, if any, the student must care for the Device as follows:
 - a. Only use a clean, soft cloth to clean the device’s screen; don’t use cleansers of any type.
 - b. Insert and remove cords and cables carefully to prevent damage to connectors.
 - c. Do not write or draw on, apply stickers or labels to, or otherwise mark up or deface the Device.
 - d. Handle the device carefully. Screens can crack not only when dropped, but also when twisted or subjected to pressure from stepping or leaning on them. Don’t stack other objects (books, binders, etc.) on top of the Device.
 - e. Don’t leave the Device in places of extreme temperature, humidity, or limited ventilation (e.g., in a car) for an extended period of time.
 - f. Keep food and beverages away from the Device.

- g. Make sure the Device is secure when it is out of the sight. Don't leave it in an unlocked locker, a desk, car or other location where someone might take it.
 - h. While not provided, a protective carrying case is recommended.
 - i. Don't "jailbreak," "root," or otherwise disrupt the configuration of the Device. In other words, do not replace the manufacturer's operating system with custom software.
- 4. **Using the Device at School.** Unless otherwise instructed, the Device is intended for daily use at school and home. The student is responsible for bringing it to school every day, fully-charged. ASD may not supply loaner devices to students who neglect to bring their fully-charged device to school.
- 5. **Using the Device Outside of ASD.** In the event the student uses the Device outside of ASD, he/she is bound by the same policies, procedures, and guidelines as at school.
 - a. **Guardian Responsibility for Supervision Outside of ASD.** Students and their parents/guardians bear sole responsibility for exercising appropriate device and internet use and for abiding by local, state and federal laws and regulations. While there is limited internet content filtering, students are required to follow the district's Internet Use Agreement. Appropriate use of the district issued Device at home and outside of school is subject to the district's student discipline guidelines as outlined in the ASD Student Handbook.
 - b. **Technical Support.** ASD cannot guarantee that the Device will function outside ASD at the same level as inside ASD. Configuration of any home network connection is the guardian's responsibility and not the responsibility of ASD. However, should you need support for your Device, contact your school. Any configuration applied to the Device that impairs its performance in school may be removed by District staff.
- 6. **Managing Your Files and Saving Your Work.** Work performed on a Device is typically saved to Google Drive or to the Device itself. It is the student's responsibility to make sure his/her work is not lost due to a failure or loss of the Device. Students are encouraged to use Google Drive so that their files may be accessed anywhere there is access to Google.
- 7. **Software.** ASD will provide all required software. Should the student decide to install additional software on the device, that software may be removed by District staff at any time should it be deemed unnecessary or malicious.
- 8. **No Expectation of Privacy.** There is no expectation of privacy for any communication made using the Device or for any content created or stored on the device. ASD reserves the right to inspect the Device and its contents at any time and for any reason.
- 9. **Personal Content.** The student should be aware that any content (including, but not limited to, documents, audio files, and photographs) stored on the Device or in the cloud is subject to access by third parties pursuant to law or subject to discovery in a legal proceeding. In addition, personal content may be deleted in the course of routine maintenance and/or troubleshooting. It is the responsibility of the student to backup all personal content stored locally on the Device or in the cloud.
- 10. **Device Data as Records.** Data saved to the Device or to Internet-based storage space (i.e., the "cloud") via the Device are not maintained by the District as public records or as student records. In the event data stored on a Device or stored in the cloud via a Device needs to be maintained by the District for any reason, the District will take affirmative steps to preserve it.

11. Returning the Device. Unless instructed otherwise, the Device (and any related accessories) must be returned to ASD by the last day of the school year. If the student withdraws from ASD, the Device must be returned prior to the last day of attendance. The device and accessories must be returned in operable condition, with all parts intact. If the Device and any related accessories are not returned, ASD may, in addition to seeking reimbursement, file a theft report with the appropriate law enforcement agency.

In accordance with School Board Policy 5125.3, willful damage of or failure to return your Device may result in the withholding of grades, diploma or transcripts.

12. Waiver of Device-Related Claims. By signing the “Device Acknowledgement” below, you acknowledge that you and the student have read, understand, and agree to follow all guidelines and policies outlined or referenced in this Agreement and agree to be bound by this Agreement. You also agree and represent that the Device (including any related accessories) was delivered in good working order and that it must be returned to ASD in good working order. 2021 Alaska Youth Risk Behavior Survey

Parent/Guardian Permission Form

The Anchorage School District is participating in the Alaska Youth Risk Behavior Survey (YRBS). The survey is sponsored by the Alaska Department of Health and Social Services. It will be given sometime between **October through December 2021.**

The YRBS is an anonymous survey that is conducted in high schools throughout Alaska and the United States. Students complete the survey on paper or electronically. The U.S. Centers for Disease Control and Prevention (CDC) developed the survey to collect information about behaviors related to the health and well-being of students. The survey results will be used to learn about and address the health concerns of Alaska teenagers. School districts and community organizations use YRBS results to identify emerging health issues and track changes in the health behaviors of the overall Alaska adolescent population over time. The results also help school districts and other organizations create and obtain funding for programs for youth.

After the results are analyzed, reports are provided to the school districts. School districts are given 30 days to review the results. After review, the results are shared with the public upon request. Survey results for individual students are never identified, analyzed or reported.

The survey is given in a way that protects your student's privacy. Students will not put their names or any other identifying information on the survey. Students are allowed to skip any questions they do not want to answer. All students' responses will remain anonymous. Individual student responses are never studied or shared with others. Results from the survey are only ever reported out in aggregate, for example by school district or borough/census area.

The link below will allow you to review the 2021 YRBS survey questions, view frequently asked questions, and review the 2019 YRBS results.

yrbs.dhss.alaska.gov

We would like all selected students to participate to ensure meaningful results from the survey. It is your decision whether your student participates. Your written consent is required for your student to participate. There will be no actions against you or your student if your student does not participate.

Please read the section below. Check the appropriate box and return the form to your student's school. If you have any questions, please contact the Alaska YRBS Statewide Coordinator, Gina Agron at (907)-269-8030. gina.agron@alaska.gov / <http://yrbs.dhss.alaska.gov/>

Human Growth and Development Permission Form

Parents or Guardians of 5th and 6th Grade Students:

The intent of this form is to gather permission, in advance, from parents who are already familiar with the ASD curriculum materials and methods of delivery or who otherwise have no objections to developmentally appropriate human growth and development content for 5th and 6th grade students.

Undecided parents can select to postpone their decisions until a later date.

Beginning in February/March and continuing through April, the Elementary Health curriculum, The Great Body Shop, will cover Human Growth and Development and Diseases. These units provide basic, relevant information about growing up, including the onset of puberty and the stages of growth. The meaning of friendship and mutual respect are examined. Emotional maturity is defined, decision-making steps for responsible behaviors are discussed, refusal skills for unhealthy and risky behaviors are reinforced, and the importance of setting goals focused on responsibility are emphasized. Our health program encourages your child to turn to **you** for further information.

The **5th grade** units are “Growing Up” and “About Blood and HIV.”

The **6th grades** units are “The Reproductive System” and “HIV/AIDS: What You Need to Know Now.”

Your child’s Health Specialist will offer a preview opportunity of the materials at your school prior to the beginning of instruction.
