I. Anchorage School District Overview

ANCHORAGE SCHOOL DISTRICT OVERVIEW

ANCHORAGE SCHOOL BOARD

The seven-member school board determines policy to guide the district. Elected each year for overlapping terms, each member serves for three years. The school board has regularly scheduled meetings at 6:30 p.m. on the second and fourth Monday of each month.

Meeting agendas are published in the newspaper and are posted on the district's Web site, www.asdk12.org. ASD-TV cable channel 14 broadcasts school board meetings and features an educational bulletin board for announcing district activities.

COMMUNITY INVOLVEMENT

There are many ways for parents and community members to become involved in their children's education and in lifelong learning.

Minority Education Concerns Advisory Committee (MECAC) is composed of 11 community members who represent the diverse ethnic and racial backgrounds of students. This committee provides citizens a forum to discuss issues concerning the education of minority students and it advises the school board on minority education issues.

PTA is an organization of parents, teachers and community members. Its goal is to improve education for all children. Each elementary school and most secondary schools have PTAs.

Special Education Advisory Committee (SEAC) provides support and advice to the district on the issues and solutions for programs designed to meet the special needs of students.

Other districtwide advisory committees, focusing on English language learners, Alaska Native, multicultural, Title I, gifted, special education, secondary education programs and other concerns, are additional means through which the district receives information.

Volunteers, such as parents, senior citizens and other community members help in school classrooms, playgrounds, libraries and offices. Additionally, businesses and organizations provide field trip sites and personnel to serve as classroom discussion leaders and cultural arts performers.

School Business Partnerships offer opportunities for students and teachers to form partnerships with businesses and community agencies. Partnerships enhance students' experiences and provide more knowledgeable employees and consumers.

SCHOOL USE BY COMMUNITY

Community Services/Rentals annually schedules well over 100,000 afternoon and weekend activities for about 1,000 community and school groups. The district's recreational facilities are consistently scheduled to near capacity. Primary user groups include: Municipality of Anchorage Parks and Recreation Department; University of Alaska Anchorage; Boy Scouts and Girl Scouts; Community Councils; Campfire; PTA Council; YMCA; and multiple youth sports associations.

STANDARD SCHOOL PROGRAM

Elementary schools provide the initial school experience for children in kindergarten through fifth or sixth grade. Each child receives instruction in reading, math, language arts, social studies, science, art, music, physical education, health, safety and library skills. Students develop the ability to read with understanding, write legibly, use correct grammar, spell accurately, and solve math problems quickly and correctly. In addition, children learn to plan and complete assigned tasks, develop good work habits, respect authority, honor our country, keep themselves healthy, recognize and appreciate beauty in art and music, develop a continuing interest in self-improvement and develop an optimistic approach to the future.

The middle school (grades 6-8 or 7-8) and high school (grades 9-12) programs teach students to think critically and act effectively through mastery of basic skills. The programs help students develop intellectually, emotionally, morally and socially so that everyday problems can be tackled and solved. Students develop a healthy mind and body. The program also provides entry-level vocational training as well as academic preparation for college.

GRADUATION REQUIREMENTS

Students must fulfill ASD graduation requirements and must pass the Alaska High School Graduation Qualifying Exam. ASD credit requirements are as follows:

Language Arts	4 credits	Science	3 credits
Social Studies	4 credits	PE/Health	1.5 credits
Mathematics	2.5 credits	Electives	7.5 credits

EDUCATIONAL ALTERNATIVES AND SPECIALIZED PROGRAMS

Students have varying needs and some learn better in an environment different from that at a standard elementary school, middle school or high school. The district offers many alternative schools and specialized programs that better meet the learning needs of students.

ABC schools exist at Birchwood ABC, Northern Lights ABC and Northwood ABC schools. These schools are highly structured and dedicated to academic excellence. ABC schools seek to build within each child a sense of responsibility, patriotism, citizenship, confidence, pride in accomplishment and a positive self-image through proven academic achievement. To do this, ABC schools provide the quiet and orderly environment many children need in order to learn through a positive, firm, and consistent code of conduct. ABC schools also are committed to the arts, music, drama, athletics and student government.

AVAIL is designed for students who have previously dropped out of school and desire to return to school. The program is a partnership with the business community and places high emphasis on basic educational and employment skills. To be eligible, a student must be between the ages of 15½ and 19 and have been out of school for one whole semester.

Charter schools are non-sectarian, public schools that operate within the district under contract with the school board. Charter schools offer alternative teaching methods or curriculum and more independence than regular public schools. Any person, group or organization may apply to the school board to operate a charter school.

Continuation School targets middle and high school students expelled from school and provides them with continued instruction in core curricular areas.

COHO High school students in the Chugiak and Eagle River areas have an alternative to the traditional high school classroom. Through COHO (Creating Optimal High School Opportunities) students can earn high school credits through online and self-paced courses. These online courses are available to any ASD student throughout the district. The program is located on the Chugiak High School campus but has its own classrooms and staff and a separate entrance.

Crossroads provides a supportive academic environment for pregnant and parenting teens.

The **Gifted Program** provides enrichment and acceleration for children in pre-school through grade 12. This program develops higher-level thinking, creative problem-solving and decision-making abilities.

Title VII Indian Education meets educational and cultural needs of Alaska Native and American Indian students. The **English Language Learners** program aids students whose first language is not English. **Title I** provides economically disadvantaged students with more help in the mastery of basic skills. **Migrant Education** provides services to meet the special needs of children whose education may have been affected by a lack of continuity.

Language immersion programs give students an opportunity to become bilingual in English and one of three other languages: Spanish, Japanese, or Russian. Spanish immersion is offered at Chugiak and Government Hill elementary schools. Japanese is offered at

Sand Lake Elementary School, and Russian is offered at Turnagain Elementary School. In all four programs, students spend half their day in English, and are "immersed" for half the day in the target language (Japanese, Russian or Spanish) with native or near-native speaking teachers who teach the same curriculum as in other district schools. Students follow the district's immersion programs through their middle and high school years. The programs are available to all students, including native speakers of Japanese, Russian or Spanish.

Martin Luther King Jr. Career Center offers vocational/technical training in 26 occupations for students in grades 11-12 during the first and second sessions. KCC's Third Session offers introductory vocational/technical training for students in grades 9-12. Students earn ½ credit in third session courses.

Montessori program is offered at Denali Montessori School. Students in kindergarten through grade six learn in open classrooms stressing individualized learning in a specially prepared environment using materials that are based on students' developmental stages. Children progress at a rate appropriate to their ability and level of achievement. Direct instruction is given in individual and small group settings. Cooperative learning and peer coaching are integral parts of the program.

Multi-Sensory Instruction is designed for elementary, middle and high school students who perform below expectations in any of the language arts areas such as written or oral communication, spelling, handwriting or reading. Special teaching methods are used in the classroom with the appropriate grade-level curriculum materials.

Optional programs exist at Bowman, Chinook, Chugach Optional, Eagle River and Susitna elementary schools, Steller and Polaris K-12. Optional programs are primarily child-centered, emphasizing the physical, emotional and academic development of the individual child. Students of different ages are combined in multi-grade classrooms to work and learn together. Students are responsible for directing some aspects of their learning. This self-direction varies, depending on how much responsibility the student can assume. The optional method of instruction focuses on the experience approach to learning.

SAVE and Benny Benson, programs for potential high school dropouts, combine work experience with regular high school classes. Students in grades 9–12 earn credit upon completion of contracts with teachers.

Schools-Within-A-School

Romig Middle School's SWS and East High School's SWS offer individualized self-pacing instruction to students in grades seven and eight at Romig and grades 9–12 at East. The program emphasizes student responsibility and productivity. Students earn credit in a number of ways, including traditional classwork, independent studies or small group research.

Elitnaurvik-Within-East (EWE) at East High School and Kanakugaq at West High emphasize the Alaska Native culture. These programs are open to all students. The primary emphasis of EWE and Kanakugaq is improving academic performance, attendance, cultural identification and family outreach.

The West High School Through the Arts program focuses on the synthesis of three disciplines: visual and performing arts, English and history. A cross-curricular team approach is used to facilitate student learning in all three areas.

The Seminar School at Service High School follows the principles of Socratic questioning and the examination of great works of writing. A complete language arts and social studies curriculum is offered.

The Humanities Interdisciplinary Program at Bartlett High School focuses on language arts and social studies, and uses a quarterly theme approach. A Paideia seminar is integrated into each theme.

SEARCH is an individualized program designed for 13- to 15-year-old students who have experienced academic, attendance and/or discipline problems in a regular school setting. It provides opportunities for both personal and academic growth in a highly structured environment.

Special Education offers a full range of educational services for disabled students from ages 3–21. Special education includes tutoring, basic classes, social awareness and some vocational training. Individual special education programs are cooperatively developed by a child study team which includes parents, teachers and, when appropriate, other specialists. These teams make every effort to provide the appropriate special education program to children in a setting as close to the regular classroom as possible. Related services such as speech therapy, physical and occupational therapy are available.

PROFILE OF PERFORMANCE

Each year, the district's Assessment and Evaluation Department prepares a report of student demographics and performance for the school board and community. The document is available on the district's Web site, www.asdk12.org.

Attendance

The average daily attendance in Anchorage schools has been about 93 percent for the past five years. Attendance rate for 2007-08 was 92.8 percent.

Graduation Rate and Dropout Rate

The four-year cumulative graduation rate in 2007-08 was 64.33 percent. The one-year dropout rate for 2007-08 was 4.16 percent.

Language Arts Proficiency

In 2007-08, 80.76 percent of ASD students were at or above their grade level (proficient) in English language arts, as measured by state testing.

Math Proficiency

In 2007-08, 73.3 percent of ASD students were at or above their grade level (proficient) in math, as measured by state testing.

SAT Reading and Math Combined Score

ACT Composite Score

Advanced Placement

High school students completed 2,623 AP courses and took 2,399 AP tests in 2007-08. Sixty-six percent of the students scored well enough on the tests to qualify for college and university credit.

ENROLLMENT 2001-02 THROUGH 2009-10

FINANCIAL OUTLOOK

In fiscal year 2009-10, the district is budgeted to receive approximately 64.01 percent of its General Fund revenues from the state of Alaska. The largest single revenue source to the district from the state is the Alaska Public School Funding Program. This program is expected to provide 49.63 percent of the district's General Fund revenues for fiscal year 2009-10. Revenue from this program is received based on the number of students enrolled in the district and the type of educational services they receive.

The district is obligated to comply with government mandates created to ensure that all children receive a quality education in facilities that are safe and accessible. It is possible that additional federal and state mandates may not include corresponding governmental funding.

Local property taxes provide the other major revenue source for the district. Under the tax limitation provision included in the Anchorage Municipal Charter, the amount that local taxes may be increased for general government and school purposes is primarily limited to increases for inflation, population growth and new construction, except for specific exclusions to pay debt service and judgments. The rate of taxation for school purposes is 7.12 mills for calendar year 2009.

The district and the Anchorage community must continue to work together to secure the appropriate level of federal, state and local funds needed to ensure that the quality of instructional programs and services meet the needs of all our students.

ANCHORAGE SCHOOL DISTRICT MISSION AND GOALS

MISSION

The mission of the Anchorage School District is to educate all students for success in life.

Ongoing Overall Goals

Increase student **academic achievement** using data to guide adoption of curriculum, methods, materials, and professional development specifically designed to ensure that each group as designated by No Child Left Behind makes adequate yearly progress.

Establish and maintain a **supportive and effective learning environment** by providing safe, caring, barrier-free schools; promoting health and wellness; continuing to retain, recruit and train highly qualified staff with an emphasis on improving staff diversity to better reflect our student body; challenging each student academically; maximizing opportunities for lifelong learning; offering reinforcing extracurricular activities; and collaborating with other community agencies to maximize opportunities for lifelong learning.

Ensure **public accountability** through continued participation in the state and federal required testing programs; continued preparation and publication of the Profile of Performance, budget basics, and budget and bond summaries; effective consultation with the community to ensure wise use of financial resources and responsible construction and maintenance of facilities; and effective communication with students, staff, parents, community and government at all levels.

Diversity in the Workforce

This district is committed to establishing an environment of respect and mutual collaboration by attracting and retaining a quality work force, at every level in the district, who are committed to providing a positive learning environment, who value diversity, and who reflect the diversity of the Anchorage community and the relevant labor market.

Measurable Achievement Goals

We, the Anchorage School Board, superintendent and district staff commit that:

1. Students will demonstrate **increased academic achievement** as indicated by improved performance on state measures of academic performance. Students will meet the state defined Annual Measurable Objective (AMO). Indicators:
 - a. The percentage of students scoring not proficient in language arts and math will decrease by 10 percent in each AYP-designated student group.
 - b. In a year-to-year comparison, the percentage of students scoring proficient in reading on the Alaska Standards Based Assessment will increase by 2.5 percent in each AYP-designated student group in each grade level 3-10.
 - c. In a year-to-year comparison, the percentage of students scoring proficient in writing on the Alaska Standards Based Assessment will increase by 2.5 percent in each AYP-designated student group in each grade level 3-10.
 - d. In a year-to-year comparison, the percentage of students scoring proficient in mathematics on the Alaska Standards Based Assessment will increase by 2.5 percent in each AYP-designated student group in each grade level 3-10.
 - e. In a sequential cohort comparison, the percentage of students scoring proficient in mathematics on the Alaska Standards Based Assessment in the transition years of elementary to middle and middle to high school will be greater than the same students scoring proficient in the previous year (grade six to seven and grade eight to nine will be compared).
 - f. In a year-to-year comparison, the achievement gap in language arts and math

will decrease significantly between each AYP-designated ethnicity group and the white group, narrowing the achievement gap.

- g. In a year-to-year comparison, the achievement gap in language arts and math will decrease significantly between the AYP-designated groups of economically disadvantaged and non-economically disadvantaged, limited English proficient and non-limited English proficient, and disabled and non-disabled students.
- h. The performance of the sequential cohort of students in grades five, seven and nine will show an increase in the average scale score from the previous year on the writing content strands of Structures and Conventions of Writing and Revision.
- i. In a year-to-year comparison, the percentage of students scoring proficient in science on the Alaska Standards Based Assessment will increase by 2.5 percent in each AYP-designated student group in grade levels four, eight and 10.

Process direction for middle and high school education: The district will develop well-articulated curricular and instructional interventions at the middle and high school levels for non-proficient students in language arts and math.

Performance will be assessed on the Alaska Standards Based Assessment (Grades 3–10). These assessments will provide information on the status of student group performance for each school at grades three through 10.

Results will also be provided on student performance in 10th grade on the Alaska High School Graduation Qualifying Exam (HSGQE) and on the cumulative performance of students in grades 11 and 12 at year-end by each AYP-designated student group.

Performance by students in grades five and seven on the Terra Nova will be reported, though these scores are no longer included in the determination of adequate yearly progress.

Note: The state defined AMO for 2008-09 in language arts is 77.18 percent proficient and mathematics is 66.09 percent proficient.

2. A higher percentage of students will **master reading skills and strategies to read proficiently** at the end of grade three. Indicators:

In a year-to-year comparison, the percentage of students scoring proficient in reading on the Alaska Standards Based Assessment will increase by 2.5 percent in each AYP-designated student group in grade three.

3. The percentage of students in **accelerated math sequence will increase**. Indicators:

- a. The percentage of students in each AYP-designated student group who successfully complete Algebra I in eighth grade or earlier with a grade of C or higher will increase by 5 percent in a year-to-year comparison.
- b. The district will increase the percentage of students still enrolled in ASD who successfully completed Algebra I with a B or better in eighth grade or earlier are enrolled in Geometry or Algebra II in ninth grade and successfully complete the course with a C or higher.

4. The **dropout rate** will decrease. Indicator:

The dropout rate of students in grades 7-12 will decrease by 5 percent in each AYP-designated group in a year-to-year comparison across the district and in each school.

Reporting direction: Students' reported reasons for dropping out will be reported by grade levels 7-12.

5. The **graduation rate** will increase. Indicator:

The graduation rate will increase by 5 percent from year-to-year in each AYP-designated student group across the district and in each school.

Reporting direction: The percentage of students enrolled in grade nine in the district who are on-track to graduate at the end of their freshman year, including summer school, will increase. "On-track" means the student has earned a minimum of 5.5 credits and failed no more than one semester of a core subject.

6. The **percent of high school students successfully completing higher-level courses** will increase.

- a. The district will maintain or increase the percent of students scoring in the fourth quartile (76-99 percent) on the TerraNova CAT/6 in grades five and seven.
- b. There will be at least a 5 percent increase in each AYP-designated student group in the percent of high school students who successfully complete AP courses in a year-to-year comparison. "Successfully complete" is defined as passing the AP course with a grade of C or higher.
- c. Of the students who have successfully completed an AP course with a grade of C or higher, there will be an increase in the percent of students in each AYP-designated student group who take the College Board AP examination.
- d. There will be an increase in the number of seniors who have successfully completed at least one higher level math course as defined by the National Center for Education Statistics (classified as more challenging than algebra II) with a C or higher.
- e. There will be an increase in the number of seniors who have completed at least one higher level science course as defined by the National Center for Education Statistics (classified as more challenging than biology) with a C or higher.

Process directions for middle and high school education:

- a. The district will continue to explore various assessments to identify readiness for advanced courses in middle and high school as well as for college/work readiness.
- b. The district will define core curriculum we expect our students to successfully complete in order to be workforce and college ready.

7. **Customer service and satisfaction** will improve. Indicator:

The district will increase the survey response rate and the Respectful Climate (italics) factor score measured in the student, staff and parent climate survey at the district and division levels.

8. **Parent/guardian involvement** will improve. Indicators:

- a. The *Parent/Guardian and Community Involvement* factor score reported in the staff climate survey will increase at the district and division levels.
- b. The *Parent/Guardian and Community Involvement* factor score reported in the parent/guardian climate survey will increase at the district and division levels.

9. The district is **committed to establishing an environment of respect and mutual collaboration** by attracting and retaining a quality work force, at every level in the district, who are committed to providing a positive learning environment, who value diversity, and who reflect the diversity of the Anchorage community and the relevant labor market. Indicator:

In a year-to-year comparison, the district will increase the percent of non-White employees in the overall workforce.

ANCHORAGE SCHOOL DISTRICT ORGANIZATIONAL CHART

FY 2008-09

II. Financial Planning & Budget Development Calendar

FINANCIAL PLANNING AND BUDGET DEVELOPMENT CALENDAR

YOU ARE INVITED TO PARTICIPATE

We encourage you to become involved in the annual budget development process. Community members' suggestions and input add much to the decision making processes. Parents, other community members, staff members, and students may become involved in a number of ways.

PTAs work closely with principals. Advisory groups and committees focus on a number of common concerns and interests. Many of these committees make budget development suggestions and recommendations. The school board conducts public hearings in January during which the budget recommendations are reviewed and discussed in detail. Public testimony at these meetings is very important and strongly encouraged. The budget hearings also are cablecast on ASD-TV cable channel 14.

If you would like more information on how to provide suggestions or to contact the groups which are currently working with the school district, please feel free to directly contact the principal of your neighborhood school. You also may call the Communications Department at 742-4153 for additional information and the contact telephone numbers for any of the groups in which you may be interested.

SEPTEMBER

1. Prepare initial revenue and expenditure projections for the next fiscal year.
 - Prepare local, state and federal revenue projections.
 - Prepare annual expenditure projections for the various district operating funds.
2. Prepare enrollment projections for the next fiscal year.
 - Enrollment is based on September 30 as the baseline date and other available demographic information.
3. Identify financial planning options to present to school board for its consideration.
4. Prepare first drafts of budget development/request instructions and forms to be used by schools and departments.

OCTOBER

1. Notify schools of their combined supplies and equipment funding allocation which is

based on each school's projected enrollment for the next fiscal year.

2. Distribute budget development packages and district consolidated purchasing catalogs (List Item Catalog) to schools and departments.
3. Schools and departments begin their annual budget development process.
 - Principals meet with staff/parents/PTA members.
 - Decisions are made as to appropriate use of allocated funds for supplies and equipment.
 - Decisions/consensus arrived at as to requests for new programs, revisions to program delivery, and identification of student educational needs. Principals are the key information resource and decision makers.
4. Principals complete budget development forms and place supply orders using the district consolidated purchasing catalog.

NOVEMBER

1. School board memorandum prepared and decisions are made on budget development guidelines. Memo explains revenue expectations, expenditure projections and budget development recommendations, including total budget projected for planning purposes.
2. Revise budget development request forms and instructions consistent with school board financial planning guidelines provided during work session.
3. Budget conferences for every school and department in the district are scheduled and held.
 - Schools - Review budgets for accuracy and completeness since the combined supply and equipment allocated amount per student is enrollment based.
 - Departments - Review, discuss, and decide levels of funding for personnel staffing, supplies, equipment, contracted services and non-position personnel costs.
4. Further discussion and consideration of recommendations for changes or improvements to the educational program and classroom resources in the schools. Input gathered from principals to identify trends and common concerns/needs to be addressed.

DECEMBER

1. Budget Department compiles budget requests; computes/projects individual departmental and school costs; and prepares the first draft of each organizational budget.
2. Budget Department uses current and projected salaries, expected rates for payroll taxes, employee retirement, medical costs and other benefits, etc.
3. Budget Department reviews suggestions and school/department input of program

revisions to consider if funds are available and reductions to consider/prioritize if reductions are necessary.

4. Budget is summarized in total. Expenditures by area are totaled. Revenue projections are revised based on individual consideration of each revenue source. Estimation of amount of additional funds needed for next fiscal year.
5. Superintendent/administrative review of first draft of completed budget document. Budget-by-budget review of intended staffing and expenditure levels. Focus is on providing a good educational program within available revenues.
6. School and departmental recommendations previously prepared are reviewed, considered and incorporated to the extent considered appropriate.
7. Revenue projections even in December - March remain very uncertain. This requires careful weighing of options and conservative planning to respond as needed within the available revenues.
8. Following superintendent/administrative review, the budgets are put in the format of the Preliminary Financial Plan, the first of three published budget versions. Revenues and projected expenditures are updated as new information is obtained.
9. Budget hearing exhibits by department and division are prepared. Presentation materials for financial planning are prepared.

JANUARY

1. Present Preliminary Financial Plan and administrative recommendations to the school board.
2. Conduct a series of public hearings on the instructional and departmental budgets. Receive and consider public testimony and recommendations.
3. School board considers testimony, weighs alternatives, accepts and/or modifies administrative recommendations, and votes on proposed changes.

FEBRUARY

1. Revise each budget as necessary to reflect school board approved changes.
2. Revise any expenditures, if necessary, to reflect changes in rates and further financial development information, including legislation and announced or expected funding source changes.
3. Recompile and complete budget document in the format of the Proposed Financial Plan. Submit to Anchorage Assembly for its review, approval and appropriation. Budget is to be submitted at least 120 days prior to start of next fiscal year.

MARCH

1. Anchorage Assembly public hearings will be held to review and discuss the budget and the related local tax request, and to consider the total budget funding request.
2. Assembly decides the amount of local taxes to be available for K-12 education.
3. State legislative activities monitored to assist in projections of available state funding.

APRIL-JUNE

1. State legislative activities continue to be monitored, if necessary, to assist in projection of available state funding.
2. School board meeting and public hearings(s) are held to consider any further reductions which may be necessary.
3. Preparation/revision of individual school/department budgets to reflect any Assembly funding reductions and/or changes in state revenue projections based on legislature/governor actions.
4. Advance preparation for the next fiscal year's budgeting process.

JULY-AUGUST

1. Revisions and final changes are made to the budget document. Incorporation of revisions, if necessary, for adjustments in state funding.
2. Input of the budget into district's accounting system.
3. Adopted Financial Plan published.
4. Continued preparation for the next fiscal year budgeting process.

III. Summary of Major Budget Considerations

SUMMARY OF MAJOR BUDGET CONSIDERATIONS

STUDENT ENROLLMENT PROJECTIONS FY 2009-10

ENROLLMENT FORECASTING CONSIDERATIONS

The FY 2009-10 Financial Plan was developed based on an enrollment projection of 48,548 students. For budget planning purposes, this number is converted to 48,280 students on a full time equivalent (FTE) basis. The projected enrollment is a increase of 108 students; the previous year's actual enrollment on September 30 was 48,440.

FORECASTING METHODS

The principal method used in enrollment forecasting is known as the cohort-survival technique. The basic technique requires calculating the ratio of the number of students in one grade in one year compared to the number of students who "survive" the year and enroll in the next grade the following year. This survival rate is calculated treating the student body in an aggregate fashion using historical enrollment data. It is affected by such factors as school promotion, net migration and withdrawal rates. All of these factors are included in the term "survival" as it is used in this context.

Fluctuations in the data from year to year create a pattern from which an average survival rate from grade to grade can be calculated to project future student enrollment. For example, if over a period of several years, an average of 96 percent of the enrollment in grade three goes on to grade four, and if 1,000 children were to be now enrolled in grade three, then next year's grade four membership may be estimated at 96 percent of 1,000 or 960 students.

A total of 12 average rates of survival are calculated for this district which has 13 grades (kindergarten is considered to be a grade). These rates are then applied to present student membership and used to project membership levels for each succeeding year. Thus, if the average survival rate from grade four (with its 960 students) to grade five is 1.10, then for the second projected year the estimate for grade five is 1.10 of 960, or 1,056 students.

The forecast for entry level kindergarten is derived from multiple regression runs using residential birth data from five years earlier in conjunction with several indicators of net migration.

FACTORS AFFECTING FORECASTS

Large seasonal and long-range migration inflows and outflows make forecasting the size of the future student population of the Anchorage School District very difficult. Economic factors are also very important. For example, the size and growth rates of the student population would be markedly affected by the construction of the natural gas pipeline or the relocation of offices outside of Anchorage by one of the major oil companies operating here. The enrollment projections contained in this document do not assume that any major events of this nature will occur this year.

Fall Membership Projections for September 30, 2009

	<u>Students</u>	<u>FTE</u>	<u>Percent</u>
Half-Day Kindergarten (A)	73	36	.07%
Full-Day Kindergarten	3,716	3,716	7.70
Grades 1-6	<u>21,806</u>	<u>21,806</u>	<u>45.17</u>
Elementary (K-6)	25,595	25,558	52.94
Grades 7-8	7,057	7,057	14.62
Grades 9-12	<u>14,489</u>	<u>14,489</u>	<u>30.01</u>
Secondary (7-12)	21,546	21,546	44.63
Special Education (B)	<u>1,407</u>	<u>1,176</u>	<u>2.44</u>
TOTAL	<u>48,548</u>	<u>48,280</u>	<u>100.00%</u>

(A) FTE means Full Time Equivalent which includes half-day kindergarten students and pre-school children at one-half which is consistent with their program.

(B) Includes only those students requiring the highest level of services and self-contained students. Special Education programs plan to serve more than 9,500 students in FY 2009-10.

REVENUES AND EXPENDITURES

STATE REVENUE

The Alaska Public School Funding Program is the district's most significant individual revenue source. For FY 2009-10 the revenue is projected to provide \$297,031,000, or 48.33 percent, of General Fund revenues. The Alaska Public School Funding Program formula incorporates school district cost factors (reviewed biannually by the Alaska Department of Education and Early Development), provides quality grants and a base student allocation of \$5,580 per Average Daily Membership (ADM).

Alaska Public School Funding Program				
	2008-09 Projected	2009-10 Projected	Increase (Decrease)	%
General Fund Revenue	\$280,751,745	\$297,031,000	\$16,279,255	5.80%
Base Student Allocation	\$5,480	\$5,580	\$100	1.82%
Amount per student (FTE)	\$5,892	\$6,152	\$260	4.42%

The Alaska Public School Funding Program funding is based on the projected ADM in each school, including factors for correspondence students and special education. This is then multiplied by \$5,580 to determine the district's "basic need." The required local portion and part of the federal impact aid revenue is subtracted from the basic need to determine the eligible funding amount. The Foundation formula defines the local portion as being the lesser of 45 percent of the basic need, or four mills times half of the state's assessed valuation increase of local real estate, inventory and other taxed property over the prior year. The required local portion of \$101.1 million for next year is based on the state's Anchorage area assessed valuation of \$25.3 billion. For purposes of this computation the assessed value to be used is the amount certified by the State Community and Regional Affairs office as of the valuation date of January 1, 2008.

The Funding Program funding needs to keep pace with increases in the Consumer Price Index because the costs to provide a quality level of educational services by school districts across the state also increase annually.

LOCAL REVENUE

The local municipal tax contribution is the second largest General Fund funding source. For FY 2009-10, the local municipal tax contribution is \$191,913,748 which will provide 32.1 percent of the General Fund revenues.

The 2009 General Fund mill rate is 5.85 and the Debt Service Fund mill rate is 1.27 for a combined total of 7.12 mills. The areawide assessed valuation of property increased by

\$1.07 billion to \$31.7 billion, an increase of 3.5 percent.

EXPENDITURES

Initially, the budget plan is developed based on maintenance-level spending adjusted for known contract changes. Schools and departments submit budgets identifying increases or decreases justified on need. Changes are then made based on the availability of funds and the priorities identified in the district's goals and Six-Year Instructional Plan.

The budget development guidelines for FY 2009-10 are below:

- **Salaries and Benefits**

Employee salaries, wages, benefits and payroll taxes amount to 87.45 percent of the operating costs budgeted in the General Fund. Funding for required retirement and payroll tax increases are included in the expenditure projections. The budgeted average salaries for teachers have been estimated including reductions resulting from teacher turnover and replacement.

- **Certificated Teaching Positions**

Staffing ratios for budget development are based on a decrease comparable to FY 2004-05. The current year's pupil to classroom teacher ratios:

- Kindergarten (FTE): 20.5 to 1
- Grade 1: 21 to 1
- Grade 2-3: 24 to 1
- Grades 4-6: 27 to 1
- Grades 7-12: 25.54 - 27.08 to 1
- Special Education - Various staffing levels depending on enrollment program needs.

- **Contracted Services**

Increases are possible if necessary, but only if clearly justified as to need. Utilities increase or decrease as appropriate by an analysis of rates and usage.

- **Supplies**

Teaching and most other school supplies are initially budgeted based on enrollment and inflation. Schools have combined supply and equipment per student allocations to provide increased school budgeting flexibility.

- **Equipment**

Equipment funds for the schools are included in the combined supply and equipment allocations. Equipment for other units is based on departmental need and priority based justification.

Cost increases for inflation are individually not large, but in total they are an important cost factor to be planned for in the budget development process. The Anchorage-area Consumer Price Index for 2008 used in these projections was 4.6 percent. Expected cost increases have been included by item in the costs budgeted in each of the district's school and departmental budgets.

IV. Guide to Using the Budget Document

GUIDE TO USING THE BUDGET DOCUMENT

The purpose of this guide is to familiarize you with the general layout of the budget and to explain how to use the various schedules and summary information.

PRELIMINARY, PROPOSED AND ADOPTED BUDGETS

The first stage of budget development is the Preliminary Budget. Each school and department develops a budget after analyzing expenditures and programs in previous and current fiscal years. During this stage, school principals and program supervisors receive input from parents, employees, and community members. After receiving appropriate division approval, these individual budgets are forwarded to the Superintendent, who determines the final expenditures and revenues to be included in the Preliminary Budget. The Superintendent submits the Preliminary Budget to the school board for approval.

The school board holds several public hearings on the Preliminary Budget, after which the board can make changes and/or additions to the budget.

Following school board approval, the document becomes the Proposed Financial Plan and is forwarded to the Anchorage Assembly. The assembly has final approval on the upper limit of the total budget.

The assembly can approve a budget amount that is the same, more, or less than the amount in the Proposed Financial Plan. After assembly approval, the district and school board adjust the budget as necessary. Following this adjustment, the document becomes the Adopted Financial Plan. It is the Adopted Financial Plan that is used by schools and departments for that particular fiscal year.

FUND ORGANIZATION

The budget is organized and presented by fund. Each fund includes a group of revenue and expenditure accounts used to record the financial transactions related to the purpose of that fund. The tab dividers in the budget document correspond to the organization fund.

Below is a description of the funds for which budgets are included in this document:

• General Fund (Fund 1)

This is a general purpose fund used to budget and account for all of the district's operations except for those required to be accounted for in other funds. This fund includes the individual detailed operating budgets for each of the schools and most of the departments of the district. The ongoing operations of most of the district's educational, educational support, and administrative activities are budgeted for and recorded in this fund.

The following tabs are included in the General Fund: Administrative/Support Departments, Elementary Schools, Charter Schools, Special Services/Education, Gifted Program, English Language Learners, Native Education, Middle

Level Schools, and Senior High Schools/Secondary Alternative Programs.

• Food Service Fund (Fund 6)

This is a special purpose fund used to budget and account for the district's Student Nutrition program which provides breakfasts and lunches for students and school staff.

• Debt Service Fund (Fund 9)

This is a special purpose fund used to budget and account for the principal and interest paid on school bonds as well as the local and state source revenue used to pay the annual debt service.

• Local, State, and Federal Projects Fund (Fund 2)

This is a special purpose fund used to budget and account for the many categorically funded grants and contracts which are obtained to provide for specific instructional programs. The federal government provides most of the funding for these grants. In the accounting records, two component funds (Fund 2) are used to account for these special purpose or categorical grants. Capital Construction Project grants are not included under this fund.

• Facilities Management, Capital Projects Fund (Fund 3)

The Facilities Management Department includes the administrative portion of the district's Capital Projects Fund. Expenditures of the Facilities Management Department are allocated as administrative costs to the district's specific capital construction projects. In the accounting records, Fund 3 is used to account for the district's capital projects.

SCHOOL AND DEPARTMENTAL BUDGETS

The district is organized into schools and departments. The proposed and adopted financial plan include a separate annual operating budget for each school and department. To better explain the annual level of operations for that school or department, each individual budget includes:

- Expenditure summary
- Personnel information
- Expenditure detail
- Commentary

Each of the individual budgets are only a few pages long and may be readily found by using the table of contents.

Across the top of each budget page is the following information:

Division - The district division which includes that department or school.

Program - The name of the department or school.

Budget Code - The department or school number.

Summary, Detail, Personnel, Commentary - Specifies the type of information that is on that particular budget page.

• **Summary** - The summary page shows the expenditure totals for each of the six major account code types:

- 1000 Salaries
- 2000 Employee benefits
- 3000 Purchased services
- 4000 Supplies and materials
- 5000 Capital outlay
- 6000 Other

The totals include actual expenditures for the previous fiscal year; the adopted budget for the current fiscal year and the preliminary, proposed and adopted budgets for the next fiscal year. The Statement of Program describes the major operational activities, program and emphasis of the department or school.

• **Detail** - The detail pages show the expenditures for each account used in the school or department. The amounts include actual expenditures for last fiscal year; the adopted budget for the current fiscal year; and the preliminary, proposed and adopted budgets for the next fiscal year. Because of the similarity of amounts for each school, the detail page(s) are not included in the budget document for individual schools. Pages V-19 through V-25 provide elementary school expenditures by object code, page V-26 provides charter school expenditures by object code, pages V-27 and V-28 provide middle school expenditures by object code, and pages V-29 and V-30 provide high school expenditures by object code.

• **Personnel** - The personnel pages show employee titles, payroll classifications, months per year worked, numbers by employee type and budgeted salaries for each of the employee positions in the department or school. As needed, a commentary section further explains position additions, deletions, transfers, etc.

• **Commentary** - The commentary page explains in more detail significant account amounts found on the detail pages.

DEFINITIONS

The definitions below are provided to better help you understand the terms used in the district's budget.

ASAA	Alaska School Activities Association.	Nonresident Tuition	The tuition rate which may be charged by the school district to other school districts or individuals. This rate is governed by factors established by the Alaska Department of Education and Early Development.
Activity Fees	Middle school students pay \$80 per activity. High school students pay \$160 per activity.	PERS	Public Employees Retirement System.
Administration	Superintendent, chief financial officer, chief information officer, assistant superintendents, controller, executive directors and directors (including elementary and secondary supervisors).	PTR	Pupil to Teacher Ratio.
Classified employees	Employees in positions that do not require a teaching certificate.	Professional	Positions in Exempt and ACE, including managers, supervisors, executive assistants, analysts, specialists, accountants, foremen, coordinators, programmers, purchasing agents, curriculum specialists, grant writers, demographers, buyers, adjusters and research associates.
Certificated employees	Employees with a teaching certificate.	Principals	Principals, assistant principals, and interns.
Clerical	Administrative assistants, secretaries, registrars, financial data control clerks, clerks and switchboard operators.	TRS	Teachers Retirement System.
Custodians	Custodians including building plant operators, lead custodians and substitute custodial positions.	Tax Limitation	Voter-approved limit on the amount of property taxes which can be assessed each year. This limit is based on factors including prior year assessment, inflation, population growth, new construction and operations/maintenance costs on new voter-approved facilities.
Drivers/Attendants	Bus drivers and bus attendants.	Teachers	Elementary, middle, high school, and special education teachers, including librarians, counselors, nurses, psychologists, therapists and vocational education teachers.
FTE	Full-time equivalent (8-hour workday).	Technical	Technicians, computer operators, JROTC instructors, health attendants, custodial supervisors, brailists, interpreters and home/school coordinators.
Federal Impact Aid	In lieu of property taxes, Federal Impact Aid provides federal funds for students living on federal lands who attend public schools.	Teacher Assistants	Library aides, media aides, nurse aides, full-day kindergarten aides, special education aides, English language learner aides and career resource aides.
Fiscal Gap	The shortfall that exists when expenditures are greater than available revenues.		
Fiscal Year (FY)	The Anchorage School District's fiscal year is July 1–June 30.		
Fund Balance	The difference between fund assets and fund liabilities of governmental funds.		
Maintenance and Warehouse	Craft specialists, craft technician/supervisor, auditorium technician, equipment operators, supply specialists, maintenance helpers, maintenance mechanics, maintenance laborers and truck drivers.		
Noon Duty Attendants	Two-hour to two-and-a-half hour positions for assistance during the lunch hour at elementary and middle schools.

(A) The revised budget (6/24/2008) includes energy relief and State retirement system employer relief funds approved by the Legislature and Governor in April, 2008.

(B) The Joint Legislative Education Task Force (JLETF) three year education funding recommendations were used in these projections. For FY 2008-2009, the base student allocation is \$5,480, special education intensive factor was increased from five to nine times and the amended recalibrated formula for pupil transportation was used. For FY 2009-2010, the BSA increased to \$5,580, intensive factor to 11 times, and the transportation formula used a CPI @ 4.6%. For FY 2010-2011 the BSA increased to \$5,680, intensive factor to 13 times, and 2.5% CPI was used in the transportation formula. The BSA and the intensive factor used for FY 2010-2011 was carried forward for FY 2011-2012 and FY 2012-2013. Includes estimated State retirement system employer relief funding for certificated (26.97%) and classified (5.65%) retirement for FY 2009-2010 and forward.

(C) The projections for FY 2009-2010 and forward do not include any future bond sales for authorized unissued bonds or for any bond propositions that may be approved by the voters in future years.

(D) Includes compensation adjustments for settled labor contracts for AEA, APA, Maintenance and LOCAL 71 and consideration for, ACE, TOTEM, Bus and Attendants, Food Service and Exempt through FY 2009-2010. FY 2010-2011 and forward includes compensation consideration for all settled and unsettled contracts.

(E) Approved taxes for FY 2007-2008 and FY 2008-2009 and projected for FY 2009-2010 and forward. A CPI of 4.6% and 5-year average population of 1.1% were used in the calculations for FY 2009-2010; CPI of 2.5%, 2.8% and 3.0% were used for FY 2010-2011, FY 2011-2012 and FY 2012-2013 respectively and 5-year population of 1.1% for all future years.

The General Fund tax amounts for FY 2010-2011 through FY 2012-2013 have been reduced to reflect the maximum amount allowed under the Alaska Public School Funding Program. (AS.14.17.410)

(F) Actual enrollment September 30th FY 2007-2008; budgeted FY 2008-2009 and projected for FY 2009-2010 through FY 2012-2013.

Special Education—Staffing is based upon demonstrated need and program.

Elementary

This ratio does not include staffing for Music teachers, Art teachers, Physical Education teachers, Health teachers, Counselors, Librarians, Nurses, nor Principals.

Middle School

The budgeted PTR for grades 7 - 8 does not include staffing for the Middle School program, Counselors, Librarians, Nurses, Reading teachers, Technology teachers, nor Principals. The Middle School program staffing formula subtracts 100 from the initial enrollment and then divides by 125 to calculate the Middle School program formula.

High School

The budgeted PTR for grades 9 - 12 does not include staffing for Reading and Technology teachers, Counselors, Librarians, Nurses, nor Principals.

(A) Eligible Federal Impact Aid is defined as the preceding year's actual receipts less the special education portion.

(B) Federal Impact Aid funds relating to students living on military land are directly transferred to the District rather than being used as a partial funding source by the State for the Alaska Public School Funding Program and State Tuition payments.

(C) Prior year adjustment reflected in audit.

(D) Includes: \$95,007 of FY 1999-2000 revenue received during FY 2000-2001.

(E) Prior year adjustment reflected in audit.

(F) For FY 2001-02 and beyond, Family Partnership Charter School was redesignated as a correspondence school by the State Department of Education, which results in reduced Alaska Public School Funding Program revenues.

(G) Effective FY 2001-02, SB 174 changed the Required Local Effort to include only 50% of the annual increase in assessed value compared to the 1999 base year of \$15,660,957,500.

Note: Prior to FY 1998-1999, the Instructional Unit Method was used to determine Alaska Public School Funding Program Revenue. Those figures can be found in the FY 2004-2005 Adopted Financial Plan.

- (A) Represents basic supply allocation budgeted in the Attendance Centers. Not included in these amounts are supplemental funds for textbook adoptions and emergency supply funds. These funds are budgeted in Elementary (1499), Middle (1799), and Secondary (1899) Unallocated Resources cost centers.
- (B) The per pupil allocation represents a combined supply/equipment allocation. This amount has been allocated as considered most appropriate given the building needs for supplies as compared to equipment.
- (C) This amount does not include funds allocated for the Learning Opportunity Intervention (LOI) funds, Vocational Education Enhancement Program or the School of Choice Program.
- (D) Middle Schools includes Polaris K-12.
- (E) High Schools/ Alternative Programs.
- (F) Amount includes the opening of South Anchorage High School, and the one-time corresponding triple supply allocation.
- (G) Amount includes the opening of Eagle River High School, and the one-time corresponding triple supply allocation.
- (H) Amount includes the opening of Begich Middle School, and the one-time corresponding four times supply allocation.
- (I) Amount includes the opening of the new Clark Middle School, and the one-time corresponding four times supply allocation.

Statement of Program

The Assistant Superintendent for Instruction develops, oversees, and manages the daily operations of the district's educational programs and services while maintaining the priority of improved student achievement and closing of the achievement gap at every school in a safe, caring school environment. This is achieved through the management of all instructional departments including Elementary Education, Middle School Education, High School Education, Special Education, Curriculum and Instructional Support, Charter Schools, Educational Technology, Training and Professional Development, District Accountability, and Assessment and Evaluation.

The instructional team plans and implements its initiatives via a Six-Year Instructional Plan and collaborates with all District departments to provide an educational program in the most cost-effective and instructionally sound manner.

Statement of Program

Prepare financial planning recommendations including estimates of expected expenditures and revenues. Provide assistance in reviewing and developing specific school and department budgets. Summarize, analyze and consolidate all budgetary requests into the ASD Preliminary Financial Plan. Coordinate and participate in budget presentations before the School Board and interested public groups. Incorporate modifications made during the budgetary process into various printed versions of the budget document which ultimately result in the ASD Adopted Financial Plan.

Exercise budgetary control of expenditures including monitoring and authorizing staff utilization. Review the implementation of the ASD Adopted Financial Plan and prepare analysis to assist other departments or the School Board in the consideration of budget adjustments.

Statement of Program

The primary goal of the Purchasing Department is to provide timely and cost effective support to all schools, departments and operating departments of the District, through the purchase of supplies, services and equipment at the lowest cost consistent with quality, price, and timely delivery, in accordance with School Board Policy.

The Purchasing Department provides assistance and guidance in the preparation of specifications and other acquisition requirements in order to obtain the most value for dollars spent. Purchasing also provides follow up actions on incomplete, late, or damaged shipments and maintains permanent files on all purchases.

Statement of Program

The Risk Management Department is responsible for oversight of the workers' compensation and liability self-insurance programs. The Department procures all property/casualty excess insurance, reviews insurance requirements for contracted services, monitors safety programs, and assures compliance with environmental health and safety regulations. In addition, the Department maintains the software program for the claims data reporting system and coordinates a Return to Work program for employees who are injured on the job.

Statement of Program

The mission of the Human Resources Division is to support the School Board Goals of establishing and maintaining a supportive and effective learning environment by continuing to attract and retain highly qualified employees able to fulfill the NCLB mandates and willing to address the needs of students, parents and the community. The Human Resources Division is responsible for helping to ensure that the District has a diverse workforce committed to that mission.

Primary human resource functions include recruitment, staffing, records management, compensation and benefits, retirement administration, contract administration and negotiations, and Equal Employment Opportunity. Division functional units are separated by number: Human Resources Administration 101601; Human Resources (Operations, Recruitment, Staffing, Substitute Dispatch) 101602; Equal Employment Opportunity 101603; Contract Administration 101604; Benefits Administration 101609.

COMMENTARY

The division includes the following functions: Human Resources, EEO, Labor Relations and Benefits. During FY 2008-2009, one Totem Range-9 Personnel Administrative Clerk (1.0 FTE) was upgraded to Totem Range-12 Administrative Assistant. Added Days Certificated is for paying addenda to certificated personnel participating in job fairs and interviews on weekends. Added Duty Certificated is budgeted for those teachers who hold a certificate from the National Board of Professional Teaching Standards or advanced training that is considered on par with the certificate per the AEA contract. Extra Help - Classified funding is for clerical assistance during peak times and when staff is on leave. The Substitute Teacher funds are used to provide incentives for frequent substitutes and differentiated (increased) pay for specific "hard to fill" jobs.

Statement of Program

The High School curriculum and program are aimed at developing good work habits, providing good health and physical experiences, developing an interest in life-long learning, fulfilling the need for wholesome peer group activity, and providing a quality educational program.

Each school has established a program to meet these needs for their students. This division assists the principals with the goals and objectives they outline in accordance with their job descriptions. This division is responsible for improving the articulation of programs K-12, working cooperatively with Elementary Education (1031) and Middle School Education (1032), coordinating with staff curriculum and instructional improvement, reviewing High School unit budgets and allocation of staff, recommending High School Administrators transfers, appointments and assignments, evaluating unit principals, promoting a program of public relations and information, being currently informed about teaching techniques and methods of instruction, developing and maintaining a balanced activities program, and other duties which may be assigned by the Superintendent.

Additionally, the High School division coordinates the efforts of the schools within the division to provide support for students requiring additional resources to pass the Alaska High School Graduation Qualifying Exam.

Statement of Program

The Elementary Education division strongly supports partnerships with parents and the community and believes that such partnerships are critical to the success of the District's mission of educating students for success in life. We believe that all children can and will learn in our classrooms and schools. All of our efforts are aimed at improving academic achievement in safe and caring schools and classrooms. Each school is encouraged and expected to create opportunities to ensure academic progress and success for every child at every grade level.

The Elementary Education Department is responsible for the operation of sixty (60) elementary schools and the supervision and evaluation of the elementary school principals.

Statement of Program

The Middle School Education Department is responsible for the ten (10) middle schools in the District and Polaris K-12 school. The Middle Schools share many common characteristics that provide for an environment and structure especially adapted for the middle school student. Required core academic subjects include Language Arts, Mathematics, Science, and Social Studies. All middle school students also participate in PE.

Polaris K-12 is an optional alternative program for students from Kindergarten to 12th grade. Special features include an integrated curriculum and multi-age-group learning based on student interests, needs and developmental levels.

Each principal is responsible for developing an Operational Plan and Master Schedule; implementing and supervising curriculum programs and auxiliary services; organizing staff for instruction and student services; developing and maintaining a balanced activities program; providing effective communications and public relations; directing student services; scheduling, selecting, and evaluating staff; maintaining student decorum; accurately completing reports and maintaining student records.

COMMENTARY

One-quarter (.25) Accountant is budgeted in the Student Activities Middle School (1034) budget. One-half (.5) Accountant position is also in the Accounting (1011) budget. Substitute Teacher funds are for substitute teachers needed when coaches/sponsors attend approved activity trips. Added Duty - Certificated funds are for staff to work on regional tournaments that occur outside of the staff day, as well as the District's Title IX efforts to increase girls' interscholastic sports opportunities.

Statement of Program

The Educational Technology department focuses on providing professional development and instructional support with the goal of helping to empower students with 21st century skills. Educational Technology staff provide a wide range of services from working with teachers who are integrating technology into their classroom, to providing assistance with building and district level technology planning and implementation, to providing direction, support, and training with district-wide resources and innovative projects designed to meet educational goals. Coordination with the Curriculum and Instructional Support Department, Division Directors, Library Services, as well as the Information Technology Department is integral to all aspects of our work. Educational Technology is our District's front line in creating and supporting a dynamic, technology-rich environment designed to prepare students for success in the work environments of today and of the future.

COMMENTARY

Educational Technology Teachers provide leadership and support for issues related to technology integration in the classroom, and to support the building technology contacts/secondary technology coordinators in each of the schools. Added Duty-Certificated is for professional development to teachers throughout the District via ASDSA and credited classes.

Statement of Program

The Department of Curriculum and Instructional Services collaborates to design, develop and deliver the curriculum offered in the Anchorage School District. Development and alignment of local content and performance standards and curriculum frameworks as well as materials review and adoptions are facilitated by the Department of Curriculum and Instructional Services. The department partners with the Department of Assessment and Evaluation to provide leadership and direction for interpretation and use of student achievement data for improving instruction; translation of local and national research findings; national, state, and local standards; and community-expressed interests and values in educational programs consistent with the needs of today's youth as they move toward becoming tomorrow's adults. Curriculum development, instructional materials development or selection, and staff training related to curriculum have traditionally been funded through this budget.

Additionally, the department, through the Career Technology section, supports maintenance of the Career Technology Education at the middle and high school levels. Supply and equipment funds for that program are included in this budget, as well as the Career Technology coordinator.

The Elementary Science Center, which maintains and restocks the elementary science kits, which form the basis for the elementary science program, is also funded through this budget.

In total, the department provides both leadership and support for the district's instructional program.

COMMENTARY

Teacher accounts are used primarily for providing the coordinators with teacher assistance during content and performance standard alignment, curriculum and pacing guide creation, and training to support implementation of instructional programs including the teacher training in the districtwide Alaska Studies curriculum. For FY 2009-2010, one (1.0 FTE) Health/PE Support Teacher has been added. Added Duty - Certificated will allow for stipends to elementary, middle and high school teachers to attend Cooperative Training, trainings for new-to-district math teachers, math curriculum review, and in-service training for new teachers for the Great Body Shop and elementary Cross Country Jamboree. Added Days - Certificated is for various teacher trainings. Substitute teacher includes funds for K-2, regular, special education and combination class teachers to attend Everyday Math Training.

Statement of Program

The mission of Training and Professional Development is to identify both individual and organizational needs, and to design and offer a comprehensive annual training/development plan responsive to the needs of District certificated and classified personnel which results in measurable improvement in job performance. TPD facilitates the training and professional needs of the District. The goals are to (1) increase the productivity of each staff member in terms of providing continuity in curriculum and instruction, (2) create a working environment in which staff can cooperate in their efforts to improve learning in the classroom, (3) establish the importance of our employees in the delivery of quality educational services, and (4) assist in the retention of staff.

The training department has placed concerted effort in modifying services to require more identifiable connection between the trainings provided and ASD goals and objectives. Areas of emphasis for the department are leadership training, support of technology and curriculum innovations, centralized coordination of ASD training and professional development, State released time management, Title II management, AEIN grant management, mandated trainings, management of ASD's participation with the Alaska Statewide Mentor Program, classified training, standards implementation, new employee orientation and training, substitute training, collaboration on HQT issues, Principal and Teacher Mentor Programs, Comprehensive Induction Program, Alaska Teacher Certification support, and collaboration with the universities and Alaska Staff Development Network to provide quality training programs for our staff.

Training and Professional Development sponsors the ASD Summer Academy that offers nearly 110 credit and non-credit courses that focus on ASD School Board goals.

TPD has established a new online academy, ASDTube. This online, on-demand system provides the opportunity to train all staff in a timely manner and for new employees to access mandatory trainings as soon as they are hired. A recording studio is managed by the training department to assist with the building of a training inventory for classified and certificated personnel.

COMMENTARY

Added Duty - Certificated is for the Teacher Coaching Program, Principal and Teacher Mentoring Project, data analysis, induction, leadership, and other staff development activities. Added Duty - Classified is for substitute training, data analysis, induction, mentoring, leadership, MLP, and ASDTA. Added Days - Certificated is for training, data analysis, induction, mentoring, leadership, MLP, ASDTA, and instructional coaching. Extra Help - Certificated provides funding to cover retired/inactive ASD employees who facilitate ASDTA, Mentor, Induction and Leadership Academy classes as well as various TPD/MLP maintenance throughout the year. Extra Help -Classified is largely for new employee orientations and substitute teacher trainings, and also for various TPD projects, and ASDTA registration and MLP assistance. Substitute Teacher funds are for training and the Teacher Mentoring Project.

Statement of Program

The Assessment and Evaluation department has the responsibility of reporting District progress toward meeting Board goals for academic achievement as well as the adequate yearly progress reporting requirements of the No Child Left Behind law.

The department is responsible for the administration of the state-required assessments. They include the TerraNova, Standards Based Assessment, High School Graduation Qualifying Examination, and the English Language Proficiency Assessment. The results of these assessments are used to fulfill the state and federal accountability requirements under NCLB. The SBA results are used by the District to assess how well Anchorage School District students are meeting state standards. The TerraNova provides a comparison to the academic performance of students in the nation. The assessment results also provide information to schools and teachers to guide their instruction and overall school improvement plans.

A&E maintains the District's Assessment Reporting System. ARS presents individual student data at the school and classroom level for teachers and administration. The tool is valuable when guiding instruction based upon academic need. The system is under continuous refinement and development based upon feedback from staff and administration. A&E also provides technical support and training for ARS.

The department produces the annual Profile of Performance, which is the ASD report to the Board and community. The Profile displays academic achievement data of ASD students and schools.

A&E provides data and research assistance to ASD departments and employees, universities, and other affiliates whose research supports the mission of the District. Other activities include program evaluations, surveys, and data requests. The department also works very closely with Curriculum and Instructional Support to integrate effective assessments with instructional practice.

COMMENTARY

During FY 2008-2009, the Programmer Analyst position was upgraded to Systems Analyst, and the Programmer position was upgraded from ACE-5 to ACE-6. One (1.0 FTE) Data Coordinator position was added to provide quality control of statistical information of nearly 50,000 students. Extra Help - Classified and Added Duty-Classified funding will assist the Assessment and Evaluation Department in completing activities which require substantial labor over a short period of time. Added Duty-Certificated (\$29,900) is to pay for teacher trainings on the state assessment system and the connections to instruction in the classroom. Substitute teacher funding is for training teachers on writing formative classroom assessments.

Statement of Program

Technology/MIS plans, develops, implements, integrates and supports systems that provide essential information for the operation and management of the Anchorage School District, as well as providing hardware, software, services and support for instructional initiatives. Meeting the information needs of the district is accomplished through the organized sections in Information Technology, including Systems, Information Support Center, Communications and Network, and Applications Maintenance and Development. The guiding principle for the operation of these sections is that successful information systems are the result of strategic planning, controlled implementation, systematic operation and above all, a commitment to the system by all levels of management.

Statement of Program

The Music Department is located at 4129 Bullard Avenue on Elmendorf Air Force Base.

The Music Department provides funding and supervision for the elementary band, 6-12 orchestra, and middle school choir programs. Our itinerant instrumental music and choral teachers teach more than 5,000 students throughout the District. Sixth grade orchestra and band classes are offered in all of our K-6 elementary schools, three times per week. Middle school choir classes (at least two per school) are offered in all our middle schools, five days per week. Secondary orchestra classes meet five times per week. The Music Department budget also funds orchestra and band in the secondary optional programs.

Texts, supplemental materials, and strategies are evaluated to meet individual student needs. In addition to instrument playing skills and vocal techniques, students are taught fundamental music concepts. Students also learn the citizenship skills of sharing, leading, compromising and contributing to group success. Fine motor skills are developed and study skills and practice techniques are emphasized which influence success in other academic areas.

The Music Department also provides support and event coordination for the entire K-12 music program. This includes teacher inservice, festivals, curriculum support, resource materials, and a variety of other services to all schools.

Statement of Program

The Discretionary Grants Department creates, supports, and coordinates the development of competitive grant applications to further the instructional mission of the Anchorage School District and to help implement School Board goals. The department's major goals are to win competitive grants and to build the capacity of the system to access external resources.

The Grants Department works with program directors and managers, principals, school staff, and all other personnel involved in designing and delivering instruction and assessment. The department also works with many community organizations and partners in developing collaborative projects for grants. Most of the grants produced by the department are for districtwide, multi-school, or schoolwide projects. The Grants Department also assists teachers and staff in researching and designing competitive grants to fund individual school or classroom projects. Among the department's resources are web links to grant resources, a professional library, and related materials. The department offers professional development opportunities through credit courses, workshops, and inservices.

Statement of Program

The Library Resources Department directly supports the Anchorage School District by acquiring and indexing library materials for all 100 libraries within the School District. The learning materials are fully prepared for automated circulation and retrieval using CD-ROM networked technology. The department also facilitates training in library technology and library issues.

To accomplish this purpose, the department provides all services necessary to place in the individual school library/media center the collections of print, nonprint, and computer media, fully indexed with a management system designed to facilitate access and retrieval to all resources in the District. In addition, the management system facilitates access to information outside the District's libraries for resource sharing and inter-library loans with other library systems.

COMMENTARY

Added Duty - Classified is for Security (\$5,000) and Administrative (\$500) addenda. Custodial Extra - Help supports overtime for custodians who work on weekends to open, close, and supervise buildings for school activities and for community groups who have rented school facilities. Funding also provides for summer custodian services for those schools that are used for Anchorage School District and community activities.

Statement of Program

The Maintenance Department will provide leadership and supervision to four operational units in maintenance: Electrical, Building, Heating and Ventilation, and Grounds. Through these operational units, activities such as maintenance repairs, preventive maintenance, remodeling, and new equipment installation for District facilities will occur. Craft personnel through a customer service type of organization handle these activities.

COMMENTARY

During FY 2008-2009, three (3.0 FTE) M-8 Craft Specialists were converted to one (1.0 FTE) M-10 Craft Technician/Lead, one (1.0 FTE) M-6 Maintenance Mechanic and one (1.0 FTE) Microcomputer Specialist based on the needs of the department. For 2009-2010, one (1.0 FTE) M-8 Craft Specialist was added to help maintain the new Clark Middle School. Added Duty Classified has been increased to reflect actual addenda paid for electrical administrator services, mechanical administrator duties and weekend/holiday supervisory duties. Extra Help - Maintenance is to provide help for relocatable moves, hockey rink maintenance and other additional preventative maintenance work.

Statement of Program

Warehouse personnel receive and verify shipments of curriculum material, equipment, library books, textbooks, furniture, supplies and other stock items. Distribution of these items is then made to appropriate District locations. Employee responsibilities also include: truck transfers (movement of material between School District locations), courier services, archive storage and transport, and maintaining school/support centralized supply inventories. The department coordinates the redistribution and sales activities related to disposal of surplus equipment and material. Employees provide support in property movements related to major maintenance and capital projects activities. The department is responsible for coding of equipment into the fixed asset system and affixing property tags. Warehouse personnel transport science kits to and from all elementary schools.

Statement of Program

The Rentals Department is responsible for coordinating both District and public use of School District facilities. During FY 2007-2008, the department scheduled activities for 1,000 organizations for school, community, cultural and recreational activities. Primary user groups include the Municipality of Anchorage Parks and Recreation Department, University of Alaska - Anchorage and a number of community groups including the YMCA, Camp Fire USA, Anchorage Chinese School, Anchorage Korean School, Boys and Girls Club, Boy Scouts and Girl Scouts, Community Councils, and PTA Councils. Revenues realized from the rental of District facilities were \$849,453 in FY 2007-2008 and are budgeted for \$629,000 for FY 2008-2009 and \$635,000 for FY2009-2010.

The District's recreation facilities are consistently scheduled to near capacity. The Rentals Department continues to achieve greater cooperation between user organizations through the Adopt-a-Rink and Adopt-a-Field programs and the Optimum Facilities Use policy which insures more effective scheduling of gymnasium and multi-purpose rooms. The department, working with the Municipal Sports and Recreation Department, developed a joint application process which facilitates more appropriate and effective use of outdoor sport facilities. Cooperation between community user groups and the District is enhanced through interaction with the Community Services Youth Task Force Advisory Committee.

The Rentals Department is responsible for the management and scheduling of auditoriums at Bartlett, Chugiak, Dimond, East, South and West High Schools. The Department provides technical training for teachers and students who use the District's auditoriums. Technical assistance continues to be expanded to provide expertise and equipment to schools across the District resulting in essential technical improvements at significant savings.

Statement of Program

The Community Resources department works closely with District classroom teachers, community-wide resources and special events to enhance the instructional process for our students. During the 2007-2008 school year, over 7,000 community resource events were scheduled, including approximately 4,000 field trips. Many of the field trips were scheduled using People Mover as a mode of transportation, thereby saving thousands of dollars in District transportation. The department also scheduled over 800 volunteer speakers who provided special topics and shared resources that enhanced district-wide classroom instruction.

Statement of Program

The Adult Crossing Guard Program was established to provide area students with safe passage across streets with heavy vehicle traffic. The program is monitored by the Executive Directors of Elementary, Middle School, and High School Education and the principals of each school where guards are provided. Specific locations for Adult Crossing Guards are recommended by the Hazardous Transportation Committee which is chaired by the Director of Transportation Services.

COMMENTARY

Added Duty - Certificated is used for paying stipends for teachers attending District approved voluntary training on non-school days per Section 335 of the agreement. The Extra Help - Classified account is to provide for substitutes for employees while performing their duties as representatives of bargaining groups. The Substitute Teachers' salary account is to provide for teacher initiated professional leave and development and association leave days. This account was adjusted based on Sections 335 and 725 of the AEA contract that provides a formula for this account.

PLAN OF OPERATION - ELEMENTARY SCHOOLS

Elementary schools in the Anchorage School District continue to provide the initial school experience for children ages 5 to 12 (grades K-6), whether it is in a regular school or in one of the alternative programs. Each child receives regularly scheduled instruction in reading, math, language arts, social studies, science, art, music, physical education, health and safety. The basic objectives of Elementary school instruction are to aid students in developing their ability to: read with understanding; write legibly and with correct grammar; solve math problems, spell accurately; plan, think, complete assigned tasks; develop good work habits; respect authority; honor our country; keep themselves healthy; recognize and appreciate beauty in art and music; develop a continuing interest in self-improvement, lifelong learning and an optimistic approach to the future.

To assist the Elementary school with the above objective and in accordance with the job description set forth for Elementary School Principals in compliance with School District Policy, each principal shall be responsible for: developing an operational plan; implementing and supervising curriculum programs and auxiliary services; organizing staff for instruction and student services; initiating and maintaining effective communication and good public relations; providing for and directing student services; scheduling of staff and facility; selecting and evaluating staff; providing for student safety through safety related activities; providing for and maintaining student decorum; accurately completing and/or approving of reports, promptly submitting to the proper department and filing of reports; maintaining accurate student records; and developing beneficial in-service programs.

To further assist the Elementary school, the teacher is responsible for directing the teaching-learning process of assigned students by: maintaining competency in areas of certification and assignment; employing appropriate diagnostic methods; identifying student proficiency levels and planning programs to meet identified needs; establishing a physical, emotional and intellectual climate conducive to the teaching/learning process; utilizing effective teaching methods for the achievement of desired objectives; employing a variety of methods and materials which will motivate students to learn; providing leadership in the establishment of a positive relationship between student and teacher and student and student; selecting, developing and employing appropriate evaluation techniques to assess student progress and instructional effectiveness; using appropriate methods to assist students to accept and practice standards of instructional effectiveness; using methods to assist students to accept and practice standards of good decorum. Additionally, the classroom teacher is responsible to strive for a harmonious and cooperative relationship with staff, parents and community; maintain and report accurate records; advise, supervise and sponsor curricular and extra-curricular activities and participate in activities to promote personal as well as professional growth.

Statement of Program

Abbott Loop Elementary School houses a K-6 traditional program with a full-day kindergarten program, three special education resource classes, and two intensive needs classes. Abbott Loop emphasizes academic achievement and mastery of the basics for all students.

The academic staff includes classroom teachers, a music teacher, physical education teacher, librarian, and bilingual tutors. An art teacher, orchestra teacher, band teacher, speech specialists, school nurse, counselor and a school psychologist provide instruction and services.

Abbott Loop received Alaska's top Green Star Award and the Anchorage Chamber of Commerce Star Award for outstanding school-business partnerships.

Statement of Program

Airport Heights Elementary School provides a complete school experience for children in kindergarten through grade six. The school uses a research based curriculum combined with ongoing assessment and progress monitoring to deliver data driven, differentiated instruction for all students. Each child receives ninety minutes of daily reading instruction as well as regularly scheduled instruction in mathematics, language arts, social studies, science, art, music, physical education, health, and safety.

Dedicated staff help students read with understanding, write legibly, fluently and with correct grammar, solve math problems with speed and accuracy, spell accurately, plan, think, and complete assigned tasks. We also teach students to develop good working habits, respect authority, honor our country, keep themselves healthy, value diversity, recognize and appreciate beauty in art and music, and develop a continuing interest in self-improvement, life-long learning and an optimistic approach to the future.

Statement of Program

Alpenglow Elementary School is a traditional neighborhood school that provides an exceptional K-6 program to its students and community. The instructional staff includes K-6 teachers, special education teachers, a music teacher, physical education teacher, art teacher, and a librarian. Alpenglow is dedicated to offering its students a comprehensive education with an emphasis on high academic achievement, technology, healthy lifestyles, creative problem solving, and mastery of basic skills. There is an ongoing emphasis on the whole child: affective development, self-discipline, sound decision-making and good interpersonal skills. Alpenglow enjoys strong parental involvement and is dedicated to continuing and expanding its partnership with the community.

Our school helps students succeed through quality staff, parent involvement and community partnerships. Alpenglow's School Business Partners are Book Shelf and Walmart.

Parents and other community members volunteer more than 91 hours each week. The district average for elementary schools is 60 hours per week.

Statement of Program

Aurora Elementary School is located on Elmendorf Air Force Base in the city of Anchorage, Alaska. Our school motto is "Soaring to success through H.O.P.E.(Having Only Positive Expectations) in a safe, caring and enriching learning environment." The majority of our students are military dependents, transitioning to and from locations around the world. With regards to understanding and respecting cultural differences, we are a culturally responsive school, fostering a climate of caring and respect to ensure all students and their families are welcomed and included in school activities.

Aurora provides a comprehensive program of instruction and school-wide expectations that contribute to the academic and social success of our students. In addition to regular K-6 grade classrooms we provide Special Education, Speech & Language, Bilingual Tutoring, and Preschool Communication services to students who qualify. We have a successfully functioning PTA, Student Council, and other student related services and activities in place. The Aurora staff is second to none in providing and promoting a climate conducive to a safe and drug free working and learning environment for all stake holders throughout the Aurora community.

Parents and other community members volunteer an average of 100 hours per week in our school. Lastly, we maintain a successful and active partnership with our School Business Partner, First National Bank Alaska, Elmendorf AFB Branch.

Statement of Program

Baxter Elementary School provides a comprehensive educational program for students in Kindergarten through sixth grade. Baxter is the alternative site for the MSI (Multi-Sensory Instruction) program in the Anchorage School District. MSI is a structured, systematic, explicit approach to teaching Language Arts and Reading. The approach is highly effective with students with Specific Language Disability, (dyslexia) and those who struggle in reading, writing, and spelling. Baxter has two Intensive Needs classes for students with disabilities. A before and after school child care program is available for working parents.

Baxter Elementary School has a strong focus on Social and Emotional Learning. The Baxter staff is dedicated to providing a safe and positive educational environment in which students are challenged, excellence is expected, and diversity is valued. Baxter students are encouraged and assisted in realizing their full potential as responsible, productive, contributing members of society through a balanced program that includes academics, technology, physical education, after-school sports, a school-wide Resolving Conflict Creatively Program, student mediators, music, the arts and an after-school tutoring program.

At Baxter Elementary we recognize that our students' success in school is dependent on community support. We are committed to building a strong, positive relationship between home, school and our community. Parents and community members are encouraged to partner with us in the education of children.

Statement of Program

Bayshore Elementary School provides a well-rounded education for children in grades K-6 in a traditional neighborhood setting. The rigorous program is focused on district and state standards. Our dedicated 90-minute literacy and math blocks help students learn in flexible groups based on regular review of performance.

Reading and math instruction is provided according to students' specific needs. We also use assessment-driven instruction in writing. Additional classes are provided in art, music and physical education that are taught by a content area specialist. PTA and staff members are dedicated to providing personal development activities for students such as, chorus, choir chimes, community service, Student Council, spirit days and numerous sports opportunities.

Statement of Program

Bear Valley Elementary promotes excellence in education for students from kindergarten through sixth grade. The staff and students of Bear Valley are committed to learning respect and cooperation in a safe, joyful and peaceful environment.

Bear Valley Elementary offers its students a well-rounded and enriched education. Opportunities for learning are provided through a highly enriched curriculum, supplemented through community and parent resources, and after school extra curricular activities. In addition, all students participate in music, art, library and physical education, as well as band and orchestra at sixth grade. Technology is highly valued and is used to support the curriculum at all grade levels.

A before and after school day care program, SACC (School Age Child Care), is provided on site through a School Business Partnership with Bear Valley Community Association. Anchorage Fire Department Station #10, State of Alaska Department of Fish and Game, and Wal-mart also provide opportunities for mutual support and service.

Parent and community involvement, participation and support of our exceptional teaching and support staff are key ingredients to Bear Valley's fine educational program and positive learning environment.

Statement of Program

Willard L. Bowman provides a variety of educational opportunities for students. Our school has a K-6 neighborhood program, a K-6 Open Optional program, two special education preschool classes, one preschool communication class, and a PreK-6 Intensive Structured Teaching program with three classrooms. The instructional staff includes classroom and resource teachers, physical and occupational therapists, speech therapists, nurse, bilingual and part time counselor, and teacher assistants (kindergarten and special education).

Our program strives to meet individual needs of all students while emphasizing academic skills and high achievement. The school seeks to build in each child a sense of responsibility, confidence, pride of accomplishment, and a sense of community. Parent and community involvement are integral components of the Bowman program.

Statement of Program

Campbell School is a K-6 neighborhood elementary school. Art, classroom music, library and physical education classes are provided for all students. Other educational programs at Campbell School include special education resources including speech for students who qualify, Indian education and English Language Learner services.

There is a full-time school counselor and a part-time school psychologist. The Resolving Conflict Creatively Program at Campbell includes a student mediator program.

Campbell practices positive discipline and has several student-recognition programs in place. The mission of Campbell School is to have students become responsible and respectful citizens. We will ensure that they are provided the educational tools needed to achieve academic and social success in a safe, welcoming and enriching environment.

Statement of Program

Chester Valley Elementary School provides a complete K-5 program with ongoing emphasis on academic achievement and mastery of basic skills. Our current school population is 238 students. Last year was the last time we housed sixth grade students. Sixth-graders in our area now attend Begich Middle School.

We have a preschool program for learning disabled and special needs children. The instructional staff includes classroom teachers, music, art, health, special education resource, physical education, the library and Ignite program. Support services are available in speech, occupational and physical therapy, psychology, for English language learners and through the school nurse. Chester Valley provides full-day kindergarten and is a neighborhood school that is committed to increased student learning. We are dedicated to expanding our partnership with our families and community. Chester Valley has been fortunate to have an active and strong PTA that supports our academic goals and educational efforts.

Statement of Program

Chinook is a Title I elementary school providing approximately 500 students a comprehensive instructional program for grades K-6. The staff emphasizes essential academic skills as well as the development of critical citizenship and life skills, such as the abilities to mediate conflict and develop working team relationships.

Chinook offers parents the choice of enrolling in the neighborhood program, or in the open-optional program. In addition to classroom teachers, the school also has music, art, library, health/social-emotional learning and physical education teachers, and two English Language Learners tutors. Itinerant teachers include psychology, speech, Indian Education, occupational and physical therapy, and band and orchestra.

The Chinook staff has committed to improving student achievement by participating in focused and intensive staff development to increase our knowledge and skills as teachers.

Chinook is fortunate to have two active parent associations, the PTA and Chinook Optional School Association. These associations work together for the benefit of all students and are able to provide many enriching experiences for our students. Our focus on building reading comprehension skills continues throughout all grade levels. We help our young students learn to read so that as they grow older they can read to learn.

Statement of Program

Students at Chugach Optional Elementary School develop a sense of responsibility for themselves and others while becoming confident independent learners. The staff generates a strong sense of community while planning and preparing theme based experiential curricula. Teachers encourage their students to delve into presented topics and become active participants in their own learning. Student self-evaluation of their progress is a corner stone to the assessment process. Children learn to become independent self-reliant learners as well as self-confident risk takers. The open method used at Chugach focuses on "doing" and reflects an experiential approach to learning. In practice, this means extensive use of manipulative teaching materials, formulation and testing of hypotheses, numerous field trips and classroom visits by a variety of resource persons.

Parents are a key component to our school's success. Parents are asked to volunteer a minimum of 36 hours to the school, either participating directly in classroom activities or supporting school projects from home.

A high level of parental involvement is integral to our school's success. Adult family members work in the school to provide a wide array of individualized experiences and enrich the program by sharing their expertise.

Statement of Program

The life story of our school is so unique, dependent on the particular people involved, the community's needs, the physical space, and the change in educational trends. Our school evolves as the members of our school community evolve, live, dream, and work alongside one another. Chugiak Elementary is an exquisite place to be. It is an intellectually aggressive and scholarly environment with a lot of smiling, hugging, and laughing weaved throughout our lessons, classrooms, and hallways.

We are a successful school by many standards. Within our walls we offer the Natiya Program, an academically rigorous educational program working harmoniously with the District's only one-way Spanish immersion program. Adding to the richness of our environment are our resource teachers, aides, exploratory teachers, noon duties, office staff, bus drivers, and nurses. In addition, our fine staff coaches, cajoles, supports, trains, directs, and advises many academic clubs and sports teams and gives of their time unselfishly for our children who need additional academic support. Finally, we are fortunate to have a strong PTA who support our academic goals and educational efforts of our young people.

We take pride in the carefully displayed student work, our detailed lesson design, and the fact that our staff is not afraid to roll up their sleeves and get involved in the activities of the building. Chugiak Elementary, because of all the school communities involved, is a vivid example of a school that 'works'.

Statement of Program

College Gate is a neighborhood school that enjoys a strong partnership with parents and our PTA. We provide a comprehensive instructional program for students in grades K-6. Our program emphasizes academic excellence, responsibility, decision-making, and meeting social/emotional needs. We strive to help each student be the best he or she can be. We focus on reading, mathematics, writing, and higher-level thinking across the curriculum.

Our computer lab offers students weekly access to word processing, report writing and information through the internet. All classes conduct both a school service and a community service project as a part of citizenship development. We offer a full-day kindergarten program, a first-grade multi-sensory methodology classroom, English Language Learner and Indian Education tutorial services, the Creating Successful Futures Program for K-3, as well as a variety of special education services.

The YMCA conducts a before and after-school program available to all parents. The school staff includes classroom teachers, a principal, librarian, physical education teachers, music teacher, health teacher, special education teachers and aides, speech/language specialist, bilingual tutor, Indian Education tutor, nurse, art teacher, psychologist, and 6th grade band and orchestra teachers. College Gate has a dedicated partnership with several community organizations that support students in the academic and artistic arenas.

School business partners include: Stellar Designs, owned by Tim and Danita Ellis, First National Bank of Alaska, Parkway Branch, and Lowe's on Tudor Road.

Parents and other community members volunteered an average of 60 hours per week in the school.

Statement of Program

Creekside Park Elementary is a Title I neighborhood elementary school of about 360 students. We are committed to the provision of quality educational programs to maximize student learning and citizenship. We are proud of our diverse student body representing children from many countries and speaking over eight languages. We are also an area-site for students with significant disabilities and have one self-contained classroom for up to ten students from the neighborhood and area schools.

We are currently in year five of a five-year federal grant for reading. As a Reading First school, our staff receives extensive professional development to implement a research based language arts curriculum to support all students in reaching grade level standards. Direct instruction is a strong component of our program with continuous assessment to determine mastery of skills and abilities. With collaboration and team building as the center of life-long learning, the dedicated staff works to meet the needs of each child.

As a Title I school, we believe in strong partnerships with parents. A dynamic PTA supports parent involvement in all aspects of the school. Parents volunteer many hours each week to support teachers and classroom instruction. Our parents and other community members volunteer an average of 50 hours per week. Parents are also involved in our Site Council, health and safety and other areas of school decision-making. Asset building is a vital component of our comprehensive educational program. Staff and parents assist students in building resiliency and competency in social skills to maximize learning opportunities. We are a strong learning community, supporting each child and family.

Creekside Park's School Business Partners are the Anchorage Downtown Business Partnership and Fred Meyer.

Parents and other community members volunteer an average of 50 hours per week in the school.

Statement of Program

Denali uses the Montessori method of instruction for its students. The emphasis is highly customized using proprietary materials appropriate to the child's developmental level. The child progresses academically at his or her own pace. Denali's classes are multi-age with instruction given individually and in small groups. Independent learning, teamwork, inquiry, and freedom within a structured academic environment are encouraged. The school community is diverse and oriented towards the success of the child. Our school serves lottery and neighborhood students.

Statement of Program

Eagle River Elementary is a community of learners, with students and staff taking an active role in creating a safe and positive learning environment. Teachers set high academic standards for all of our students while still recognizing and honoring the strengths and challenges of each child. Our neighborhood and open optional programs provide students with opportunities to grow and develop as learners and citizens of the school community.

Statement of Program

Fire Lake Elementary School provides a complete K-5 program with emphasis on academic achievement through the design and implementation of teaching and learning strategies based on current research and data analysis. Students from Fire Lake Elementary School are expected to make positive choices and use effective strategies to solve problems and maintain fun, beneficial relationships.

The instructional staff includes K-5 classroom teachers, a music teacher, two physical education teachers, a Health and Social/Emotional Learning teacher, special education resource teachers, an intensive needs classroom teacher, and primary autism teachers. Support services are available in art, bilingual, OT/PT, psychology, multicultural tutoring, nursing, and special education teacher assistants. Support is also provided in the area of reading while implementing a new core curriculum this year. All staff strive to work together in a productive, professional and collegial environment. Humor and fun are a part of the culture of our school.

Fire Lake is committed to recognizing improvement and growth while continuing to strive for excellence. The staff is highly motivated, enthusiastic, and caring. There is a wealth of knowledge and expertise based on a wide continuum of educational experiences. The staff participates in professional development opportunities and demonstrates their love of learning through example.

Fire Lake Elementary School continues to build a strong, positive relationship between home, school and community. The success of our students depends and is contributed to this dynamic partnership.

Statement of Program

Girdwood K-8 School serves a small community at the base of Mount Alyeska. Our education program is based on Anchorage School District curriculum and state standards. The program includes instruction in all academic areas, as well as physical education, music, art and technology. We also offer band and orchestra at the upper grade levels, English Language Learners tutoring, special education, speech/language services, and gifted enrichment for students who qualify.

Girdwood K-8 School is a learning community that fosters high academic achievement and community involvement. Parents and volunteers are active in our classrooms and spend hours supervising after school activities through our Four Valleys Community School Program. We actively work to develop a strong sense of community in our students through service-learning projects, school activities and cooperative learning experiences. Ultimately, our goal is to produce healthy, active students who are well-educated and prepared for high school, both socially and academically.

Statement of Program

Homestead Elementary provides a complete K-6 educational program in a neighborhood school setting. We believe in educating students for success in life with a focus on both academic skills and personal responsibility. In addition to regular education classroom teachers, the instructional staff includes a music teacher, a physical education teacher, an art teacher, a health teacher, a librarian, special education resource teachers, and a nurse. Support staff includes kindergarten and special education teaching assistants. Homestead provides both primary and intermediate Extended Resource classrooms and gifted education (I.G.N.I.T.E.) for the Eagle River community.

Homestead offers students an instructional program based on the adopted curriculum of the Anchorage School District. Emphasis is placed on developing the whole child using a standards-based approach to teaching and learning.

We are dedicated to providing a learning environment in which students achieve academically, develop self-discipline, utilize decision-making abilities, and exercise good interpersonal skills. Our goal is to help students become active participants in the learning process.

Statement of Program

Huffman Elementary is an elementary school with a traditional instructional program for students in grades K-6 and a special education program for preschool students. Highly dedicated teaching staff and support personnel provide an educational program that emphasizes excellence in academics, positive self-concept building, and respect for diversity within our community. The Huffman staff considers individual abilities and needs and offers all students an opportunity to benefit from a quality education. As a community, Huffman strives to promote healthy living choices that will enable students to develop into able-minded, strong-bodied individuals with the skills to meet with success.

The Huffman community enjoys a strong, supportive, and productive PTA. Through collaborating with teachers and staff, the PTA works to provide and support a variety of after school activities for our youth. The Huffman community also enjoys and benefits from countless parents who volunteer in the classrooms, help with special projects and events, and work closely with the PTA for the benefit of all students. Huffman is a site for the Camp Fire before and after school program that continues to be a positive asset for our school.

Statement of Program

Inlet View Elementary School is a traditional neighborhood school located in a well-established neighborhood in downtown Anchorage. Families choose to live and return to the neighborhood due to the unique location in the heart of the city. We strive to develop healthy bodies and strong minds through an enthusiastic learning environment. We are a small family oriented school with approximately 200 students. The staff is dedicated and experienced, emphasizing academic achievement and mastery of basic skills to meet the State Student Performance Standards at each grade level.

Personal development of our students and their citizenship is promoted through various community activities, such as our Green Star and Student Leadership programs. We strive to help each student become the best he or she can be. Parents are a key component in our success and take an active role in our educational programs by participating in the PTA, volunteering in the classrooms, and helping out with special projects and events such as our annual Harvest Festival, Book Fairs, Artist-in-the-Schools, Math/Science Night, and the Orca Book Distribution.

Activities offered during lunch or after school include the following: Green Star Recycling Club, Student Leadership Club, Teamwork Club, Girls' Circle, Battle of the Books, Math Derby, Spelling Bee, Choir, Running/Walking Club, and Spanish language classes. In addition, the Camp Fire Program provides before and after school childcare services for working parents.

Statement of Program

Kasuun Elementary provides a rigorous academic environment in a traditional kindergarten through 6th grade school setting. We also have two special education preschool classrooms as part of our school family as well. Respect and responsibility are the cornerstone characteristics that form the foundation for everything we do. Staff, students, and our community have a sense of pride about our school, and it shows.

As with all Anchorage schools, reading is a primary focus in our instruction. Through the use of the Accelerated Reader program, we encourage students to be independent and lifelong readers. As a result, our children love to read and our up to date library has a circulation of over 5000 books per month.

Our commitment to prepare our students for the future has also helped us focus on current computer training with a scope and sequence of skills that children need to acquire while they are here. They also gain an environmental awareness as they take part in activities in our "outdoor classroom" at the Campbell Creek Science Center which is within walking distance from Kasuun.

As we reach out to our community, our school is a mentor school for the University of Alaska as we work with educational interns. This is a positive relationship that benefits students, teachers, interns, and the University.

The name Kasuun is an Athabascan word meaning "a beautiful place." It speaks well of our setting along the foothills of Anchorage as well as the people who work, learn and participate here.

Statement of Program

Kincaid Elementary promotes a positive educational environment based on pride, respect, and responsibility. State and Anchorage School District standards establish the core academic curricula for our students. Kincaid's school community places equal importance on the development of good citizenship and responsible social conduct. Our students are well noted for their problem-solving talents and positive social skills that extend well beyond the classroom and into the community.

The student body, faculty and staff of Kincaid celebrate a unique diversity that embraces the gifts and talents of all students. From our intensive-needs children to those who represent our gifted/talented population and everyone in between, Kincaid takes great pride in its learning climate - one that teaches acceptance while fostering confidence, integrity, and empathy for others.

Challenges are accepted as learning opportunities that provide personal growth and enrichment. At Kincaid it is widely understood that "people" represent the key element to accomplishing learned success. All members of our school community play an essential role, none more important than another. We are most appreciative of the support received from our volunteers, the loyal dedication and guidance of district representatives and administrators, and the Anchorage community at large. We are, indeed, proud members of the Anchorage School District.

Statement of Program

Lake Otis Elementary School provides a complete education for children in grades K-6 in a traditional neighborhood setting, adjacent to Wendler Middle School and the University of Alaska. A strong focus on the individual child is evident daily.

Lake Otis offers an excellent academic program, as well as before and after-school activities that support the physical and academic growth of our students. Activities such as athletics and family nights are intended to boost student participation and parent involvement. Others specifically support student academic achievement, including an after-school tutor program, Accelerated Reading, Math Derby, Battle of the Books and morning computer lab.

Our PTA and staff are dedicated to providing additional learning experiences for students such as chorus, community service, student council and bicycle rodeo. We are proud of our school's accomplishments and look forward to improving all aspects of our education community.

Statement of Program

Mt. Spurr Elementary serves students in grades K-6 who live on Elmendorf Air Force Base. In addition to classroom teachers, we have teachers who specialize in music, library, art, and physical education. Sixth grade students can participate in additional music instruction in band or orchestra. For intermediate students we have after-school sports activities and choir.

Students who meet eligibility requirements may receive speech/language therapy or special education services. Students in special education may also be eligible for the related services of occupational therapy or physical therapy. The Anchorage School District also offers gifted enrichment classes for students in grades 2-6. An English Language Learners tutor provides instructional support for eligible students. We also have a full-time nurse.

Mt. Spurr's curriculum includes reading, writing, math, social studies, science, art, music, library, computer literacy, health, and physical education. Our math curriculum is the Everyday Math program and Houghton Mifflin developed our comprehensive literacy program. We have a Macintosh computer lab for student use, along with additional computers in the classroom. Our instructional decisions are driven by the student performance standards developed by the Anchorage School District.

Statement of Program

Mountain View Elementary is a K-6 Title I school located in northeast Anchorage. We educate approximately 350 students with a staff of 23 certificated teachers and numerous support personnel. Our student population is comprised of multiple racial and ethnic groups who speak more than 20 languages. We celebrate diversity in our school and in our neighborhood.

We are currently a Reading First school with strong emphasis on scientifically based reading programs and school-wide reading progress monitoring. Our instruction is data driven and very effective. In recent years, our school has met the performance standards for Adequate Yearly Progress under the No Child Left Behind Act several times. Math has been an especially strong point for our students and we have fielded several winning Math Derby teams.

At Mountain View we are dedicated to promoting a safe, productive learning environment in which all students can thrive academically and socially.

Statement of Program

Muldoon Elementary School staff, students, and families are dedicated to working together toward academic progress, providing a positive safe learning environment, encouraging lifelong learning, and fostering cooperation and respect.

We advocate high expectations for all students and are dedicated to meeting the needs of our highly diverse population of students, through rigorous and differentiated instruction that focuses upon language and English language learning needs in our academic program for grades K-5

Muldoon's School Business Partners are CIRI, Fire Station 6, and Air Force Unit 611.

Families and community members volunteer an average of 4-30 hours per week. We celebrate our diverse multi-cultural population through presentation, assemblies, curriculum, and business partner support. Our Indian Ed and English Language Learner programs support our teachers and students extensively to create a sensitive program that meets every student's needs. We actively support and use Kelso's Choice and RCCP to resolve conflicts and Colvin's Positive Matrix for all adults and children.

Statement of Program

North Star has a richly diverse population of pre-kindergarten through sixth grade students who are supported by highly qualified teachers, paraprofessionals and multiple programs. These programs include after school tutoring provided by 21st Century and Supplemental Educational Services. Other programs include Indian Education student support; a neighborhood preschool and a Child in Transition/Homeless (CIT/H) preschool; Language & Cultural Liaison and self-contained Preschool and K-2 classes for children who experience autism. English Language Learners tutors support students whose primary language is not English.

North Star is a Title I school that has free breakfast and lunch. The School Wide Title model provides for input from staff, students, parents and community in planning for student success.

At North Star we strive to be "a diverse and caring community of lifelong learners, supporting each other on our journeys to do our personal best for ourselves and others."

Statement of Program

Northern Lights ABC K-8 School is an alternative program in the Anchorage School District known for its back-to-basics approach to education. The parents, teachers, and staff believe the purpose of education is to provide children with the skills necessary to live successfully as responsible citizens and contribute to their community. The academic program at Northern Lights ABC is based on the premise that many students learn best within the framework of a structured environment, where self-discipline is encouraged and boundaries are consistently applied.

The program challenges students to take responsibility for their own learning and to have pride in their work. It is designed to build a solid foundation, using the basic building blocks of reading, writing, and mathematics, from which higher thinking skills can evolve. The ABC program also promotes leadership, citizenship and character development. High academic expectations provide each student with a measurable standard of achievement. Our goals are accomplished in an atmosphere of knowledge, understanding, cooperation, involvement and support on the part of students, parents and staff. Northern Lights ABC was designated a 2004 Blue Ribbon School.

Statement of Program

Northwood ABC School is a wonderful, diverse school community in Spenard, on the west side of Anchorage. We believe that our diversity is a great strength. Not only have Northwood students continued to make Adequate Yearly Progress in accordance with the No Child Left Behind Act, but they have done so in defiance of the odds. This is due to a committed learning community of dedicated teachers, aspiring students, and engaged parents.

We have focused on improving instruction through the adoption of Houghton Mifflin core literacy curriculum. Our Title I program has provided the academic support and interventions in the area of reading for all grade levels with an emphasis on coaching to improve classroom instruction. In addition, we are unified as a staff in our commitment to teaching Saxon Math and Spalding Phonics.

Statement of Program

Nunaka Valley Elementary School is located in an established neighborhood of Anchorage and is nestled between two of the Anchorage's most popular parks. The original school was built in the 1950s. In 1998-1999 a complete renovation brought it up to the standards of new elementary schools.

Nunaka Valley is a K-6 school, but also hosts special education pre-school classes. Kindergarten is a full-day program, and preschoolers come four days a week, in two half-day sessions each day. The 300 students of Nunaka Valley enjoy the expertise of specialized teachers in art, music, physical education, and library. Special education teachers support students with specific learning needs. Other support is available from speech pathologists, occupational therapists, audiologists, nurses, and physical therapists. For these special education services, students must meet criteria that have been approved by the state Department of Education. Additionally, qualifying students receive help from tutors if they are bilingual or are Alaska Native or American Indian.

Nunaka Valley boasts National Board Certified teachers, teachers with up-to-date training in technology and research-based instruction, and collegial, respectful staff who know all children can learn.

Nunaka Valley's School Business Partners are Costco and Blockbuster Video.

Parents and other community members volunteer an average of 20-30 hours per week in the school.

Statement of Program

The mission of Orion School is to ensure optimal learning and safety for all and help make respect, courtesy, and consideration for others a common practice. Orion Elementary School is located at 5112 Arctic Warrior Drive on Elmendorf Air Force Base in Anchorage School District, Alaska. Approximately 420 students in grades PreK-6 attend Orion and are taught by 18 regular classroom teachers and 2 preschool teachers. Students attend Physical Education, Health, Art, Music, and Library classes throughout the week. Special Education, Speech, and English Language Learner classes are also available. Orion shares a counselor with the two other base schools.

Orion has a full time nurse available, a fine office staff, and a building plan operator who all work together to assist in the smooth running of the school. Our kindergarten TA's and Special Education TA's are available for student support. Our noon duties assist at lunchtime and recess; their services are vital in contributing to the safety of our students. Our very active PTA assists with fund raising, pictures, yearbook, and a multitude of other functions. School business partnerships enrich our connection with the community.

Parents and community involvement, participation and support of our exceptional teaching and classified staff are key ingredients to Orion's fine educational program and positive learning environment.

Statement of Program

Ptarmigan Elementary is located in a low-income area in east Anchorage. Approximately 70 percent of the student population receives free or reduced lunch. The ethnic makeup of the school is approximately 27 percent Caucasian, 15 percent African-American, 24 percent Native American, 8 percent Pacific Islander, and 13 percent Hispanic. There are 13 languages spoken by our Ptarmigan students.

Ptarmigan Elementary provides a complete K-6 program of instruction staffed by classroom teachers, resource teachers, Autism/TEACCH teachers, a speech therapist, English Language Learners, Title I, Indian Education and Migrant Education tutors, a librarian, PE teacher, music teacher, art teacher and school nurse. There is an ongoing emphasis on academic achievement with stress placed on mastery of basic skills and development of appropriate social skills and behaviors. Ptarmigan works to provide students with an accelerated curriculum. These basic goals and concepts are reinforced in Ptarmigan's 21st Century after-school program.

Statement of Program

Rabbit Creek Elementary, a school of approximately 420 students in south Anchorage, provides a comprehensive K-6 program of instruction that includes three classrooms of special education intensive needs students. To supplement our academically rigorous classroom programs, we provide multi-sensory instruction in reading as a choice in grades one through three, and tutoring is provided for students who need extra assistance in reading and math. Rabbit Creek partners with the Rabbit Creek Community Association to make before- and after-school day care available at the school.

Rabbit Creek takes pride in providing a warm and inviting school atmosphere where students are respected, where they can be safe and feel safe, and where people care about each other. We recognize that the school needs the support of the community, so parents and other citizens are encouraged to participate fully in the educational process and to express their views about the school and its programs. Parent involvement is a hallmark of Rabbit Creek School. Many parents are actively involved in our PTA, providing extensive school support, student enrichment, after-school activities and family involvement opportunities. We also maintain several school-business partnerships.

Statement of Program

Ravenwood Elementary School offers a complete instructional program in grades Pre K-6. We share a commitment to working toward continued academic progress, providing a positive, safe, enriched environment, encouraging lifelong learning, and fostering cooperation and respect. We expect that each student will become a contributing, successful member of our culturally diverse and technologically advanced society.

Community involvement is welcomed and encouraged at Ravenwood. We see parents as partners and continue to welcome and invite them to take active roles in all school activities.

Ravenwood will continue to stress the importance of maintaining high academic standards and behavioral expectations, a positive and purposeful school environment, a strong parent-teacher relationship, and parental involvement in the educational program.

Statement of Program

Rogers Park Elementary School provides a climate that promotes instructional excellence through a student-oriented program that focuses on the development of the whole child. Recognizing that individual students have unique learning styles, Roger Park School affords every person opportunities for success with access to special services and resources for those students who are exceptional.

At Rogers Park, two educational programs exist; a neighborhood K-6 program and a K-6 for highly gifted students. Cooperation of school professionals, parents, and community members ensures support for each student to achieve positive academic, emotional, physical and social growth. Rogers Park provides a safe, secure environment for all students.

We will continue to cultivate, in a positive manner, the richness and diversity of cultures in our community so that children can peacefully co-exist in our world. The Rogers Park staff works in a partnership with parents to provide everyday education for our students.

Statement of Program

Russian Jack is a K-6 neighborhood school located in east Anchorage. Our student body of approximately 340 students is culturally diverse with several ethnic groups represented. The student population is 17 percent Caucasian, 12 percent African-American, 15 percent Alaska Native, 11 percent Asian, 14 percent Hispanic, 7 percent Pacific Islander and 23 percent Multi-Ethnic. Twelve different languages are spoken at Russian Jack. About 30 percent of our students are bilingual and receive English Language Learners services. Indian Education supports 35 percent of our students.

We are a Title I elementary school and home to the Alaska State School for the Deaf and Hard of Hearing. Eighty percent of our students qualify for free or reduced breakfast and lunch. Russian Jack also experiences a transient and mobility rate of more than 30 percent.

Russian Jack is a community of learners dedicated to student achievement, as evidenced by testing results, an inclusive and welcoming environment, and high scores on the annual climate survey filled out by our parents, students and staff.

Statement of Program

Sand Lake Elementary is a vibrant and successfully diverse school located in southwest Anchorage on the shores of beautiful Sand Lake. This K-6th grade neighborhood school also includes a Japanese Partial Immersion Language Program. The goal of the instructional program is to increase students' abilities to think critically as they strive to solve increasingly complex problems through the mastery and application of reading, writing and computational skills. Students at Sand Lake are taught to value the development of positive character traits that will serve them well as they move further along in their life journey. They are also taught to value and honor authority as well as their own contributions to a healthy community and nation.

Students at Sand Lake, through instruction in Library, Music, Art and Physical Education, learn skills and values that offer them a framework for lifelong wellness and appreciation for aesthetic beauty. Sand Lake's program gives emphasis to helping students become life-long learners who have a broad world-view and an optimistic, informed approach to the future.

Sand Lake School offers programs for qualifying students in speech/language therapy, Special Education, Physical Therapy, Occupational Therapy, Adapted Physical Education, and English Language Learners. These services are provided in the least restrictive environment for each qualified student as designed in the Individual Education Plan (IEP).

Strong parent involvement is driven by thriving PTSA and Tomonokai organizations. Extra curricular activities include Orff, Chorus, Japanese Drumming (Taiko), Battle of the Books, Math Competition among others. We are proud of the service we provide our community and would be happy to share further information with anyone expressing an interest.

Statement of Program

Scenic Park Elementary provides a complete K-5 instructional program using the Anchorage School District curriculum. In addition, we offer a Chinese language program to all of our students as part of our curriculum. Students learn the language and culture of China from our certificated Chinese teacher. Chinese classes are taught 20-30 minutes twice a week.

We strive to promote a safe and healthy environment where students are taught how to solve problems and make good choices. We are a community committed to the success of all learners as they become knowledgeable, responsible and caring citizens. The faculty and staff believe our success depends upon the cooperative efforts of teachers, parents, students, and community members. We actively work toward developing a sense of responsibility, community, and confidence in our students.

Statement of Program

Spring Hill Elementary School provides a complete K - 6 educational program. We believe in educating students for success in life with a focus on both academic skills and personal responsibility. In addition to classroom teachers, the instructional staff includes a part time reading coach, physical education teachers, music teacher, art teacher, special education teachers, speech teacher, librarian, teacher assistants, English Language Learners tutors, and nurse. A teacher is available for students who qualify for the gifted program.

Spring Hill offers students in our neighborhood an instructional program based on the curriculum adopted by the Anchorage School Board. Reading instruction in the primary grades is enhanced by a federal grant entitled Reading First. Emphasis is placed on development of the whole child using a standards-based approach to teaching and learning.

We are dedicated to providing a learning environment in which students achieve academically, develop self-discipline, utilize decision-making abilities, and exercise good interpersonal skills. Our goal is to help students and parents become active and engaged participants in the learning process.

Statement of Program

Susitna Elementary is a large, diverse school in east Anchorage with two programs: a neighborhood program and an "open optional" alternative program. The Susitna school community is committed to the success of all learners as they become knowledgeable, responsible, and caring citizens.

There are fourteen traditional classrooms for grades K-5 and six open-optional, multi-age classrooms. Full-day kindergarten is offered, along with two special education resource classes and two extended resource classes. Specialists include: art teacher, music teacher, health teacher, PE teacher, librarian and English Language Learners tutor. A speech specialist, school nurse and school psychologist also provide instruction and services. Special education teachers provide both in-class and individualized instruction.

Statement of Program

Taku Elementary provides a welcoming, safe, and positive kindergarten through sixth grade school environment for instruction. Our instruction focuses on the acquisition of essential academic skills. It is a high priority for Taku teachers and staff to match instruction to the needs of the students as revealed by both formal and informal achievement data. Therefore, personnel, instruction, and materials must be varied to meet the needs of many levels of achievement and styles of learning encountered on a daily basis.

Taku serves a large geographic area in which businesses and small industry are interspersed with multi-family housing developments and a few single-family home neighborhoods. Students attend Taku from other attendance areas in order to utilize one of several large daycare centers within its boundaries.

Taku offers Title I school-wide services along with English Language Learners Education and Gifted Education. The school hosts the On Target Program for support with student behaviors, the Ignite Program for support of the gifted students, the 21st Century After-School Program for tutoring struggling students, and the Title VII Indian Education Program (Project Ki'l). Taku is fortunate to have an active parent association, PTA. They work together for the benefit of all students and are able to provide many enriching experiences to our students.

Additionally, Taku partners with UAA in the training of aspiring teachers. We currently host practicum students and three interns who will graduate in May with their teaching credentials. Taku emphasizes effective staff development driven by student achievement data, particularly in our school goal areas of reading and math.

Statement of Program

Tudor Elementary School provides a complete K-6 educational program utilizing Anchorage School District curriculum in reading, writing, mathematics, science, health, and social studies. Tudor Elementary offers a school-wide Title I program focused on increasing student academic achievement.

Tudor School offers additional learning opportunities for students to participate in physical education, music, art, library sciences, and sixth grade band and orchestra. Educational services are also available in Multi-Sensory Instruction in grades 1-3, special education, speech, gifted, and English Language Learners services.

Tudor Elementary School has established a safe, respectful, and responsible learning environment for students, staff, and parents. We are committed to providing students a well-rounded education in support of life-long learning. Tudor School is dedicated to providing students with successful learning experiences, opportunities for recognition, and assistance in reaching their full potential as safe, respectful, and responsible members of society.

Statement of Program

Turnagain Elementary School provides educational opportunities for K-6 students. The Turnagain educational community believes that all children can learn and be successful in a safe, nurturing environment where a respectful relationship exists between staff, students, and parents. We are dedicated to improving student achievement and to providing opportunities for students to acquire strategies and coping skills that foster good citizenship and life-long learning.

Students experience a wide variety of stimulating and challenging educational experiences with emphasis placed on the acquisition of skills through a variety of teaching styles. In addition to the neighborhood school program, a Russian immersion program is available through an application and lottery process. Students in the immersion program come from throughout the Anchorage area.

Our goal is that all students will become literate, independent, positive, and respectful citizens who take pride in themselves and their community.

Statement of Program

William Tyson Elementary School provides a comprehensive elementary curriculum that strives to develop each individual student's mental, physical and social abilities. We are committed to providing a safe and peaceful learning environment for everyone.

It is our vision that people in our community will become aware that we have many constructive choices for dealing with conflict, and encourage our students to develop skills that will help them make those choices. We are dedicated to increasing respect for our own and other's cultures, and above all, believe Tyson has a powerful role to play in creating a more democratic, just and peaceful world.

We are committed to celebrating our multiculturalism; we encourage an Alaska Native alternative program and we promote positive self esteem. The staff at William Tyson is dedicated to developing students who make academic progress, have positive attitudes towards themselves and their learning, and are contributing citizens of their school and community.

Statement of Program

Ursa Major Elementary is a Title One School, Grades Pre K-6th, that has once again obtained AYP during the 2007/2008 school year. We provide academic support in reading and math through our Title One program. Ursa Major staff members are dedicated to provide a safe, educational environment while supporting military families through deployments on Fort Richardson.

To provide support for our military families during deployment, Ursa Major provides the following: teacher training on the effects of deployment on students, PTA sponsored family nights, classroom guidance lessons that focus on ways to cope during deployments, support groups during the day and after school, "Stars Over Ursa Major" program to provide a visual reminder of parents who are deployed, WE CARE kits given to each class, parenting classes offered on the challenges of deployment, and a HUG blanket for each student who has a parent deployed.

Ursa Major offers after-school cross country running and cross country skiing. The PTA has purchased snowshoes, and Fort Richardson is grooming our ice rink to provide more outdoor activities for students during PE. Students may also participate in Battle of the Books. We welcome and invite parents to visit our school.

Statement of Program

Ursa Minor Elementary School is a traditional school located on Fort Richardson Army Post that serves a diverse student population and their families who are military personnel or dependents. Approximately 255 students attend Ursa Minor. There is a high transient rate with students moving in and out of our school. It is safe to say that most students are affected with the many deployments that take place.

The instructional staff is dedicated to providing a comprehensive education for grades kindergarten through sixth grade with an emphasis on high academic achievement, healthy lifestyles, problem solving skills, and mastery of basic academic skills. Community and family involvement are central to our school and provide a basis for maximum student achievement. Supplemental programs offer support and assistance in helping students develop to their full potential including: special education services, Title I, and gifted education. We provide a safe and positive academic setting for students to achieve their goals.

Ursa Minor enjoys strong parental involvement through Parent Advisory Committee (PAC), Parent Teacher Association (PTA), and having an open environment. The staff is dedicated to continuing and expanding its partnership with the community.

We have teamed up with Alaska National Guard Child and Youth Program as our School Business Partnership. They support us by offering classes and support for parents and their children.

Statement of Program

Williwaw Elementary is a neighborhood school with about 316 students enrolled in grades K-6. There is no bus service for Williwaw, so our students either walk or are driven to school. We are a community center and our students come from a wide range of diverse backgrounds, experiences, expectations and cultures. It is our challenge and our joy to develop an educational program that fits the needs of each and every student. We are in our third year of implementing Houghton Mifflin as our core reading curriculum. We are fortunate to have a reading specialist and a consultant to support our teachers in implementing our curriculum. The 21st Century Learning Center after-school program provides a safe place for students where they can receive academic support and enrichment.

Williwaw students are making significant gains and we will continue our commitment to providing a quality education for all students. Significant resources are invested in our staff's development in the areas of effective teaching strategies and practices, particularly in literacy and math. In order to provide the maximum opportunity for learning, dedicated time and energy have been devoted to mentoring students in all grades. Other programs such as the Artist in Residency program, Foster Grandparents, and "The Opportunity Room" all provide additional learning experiences for our students. We are also very fortunate to have Costco as our business partner - its employees support achievement of our academic goals.

Statement of Program

Willow Crest Elementary is an urban, Title I K-6 school that serves 400 students. Two-thirds of the students are bilingual, with 17 languages spoken, and the same amount qualify for free or reduced lunch. Support programs include Indian education, English Language Learners education, Title I, migrant education, special education, CITC and On Target, which is coordinated with a local mental health center. In addition, 21st Century provides two hours of after-school academic tutoring daily. Costco is a strong partner and provides school supplies for students, support for family activities and volunteers for the classrooms. Willow Crest hosts monthly family activities that are well attended with the largest being the annual multi-cultural evening in May. Staff development focuses on literacy, understanding the cultures represented in our school and school behavior expectations.

Statement of Program

Wonder Park Elementary is a culturally diverse school located in a melting pot community in east Anchorage. We are a dynamic and energetic learning community that inspires diverse learners to excel and strive for academic and personal excellence. Wonder Park serves Kindergarten through Sixth grade and the student population is approximately 19 percent Caucasian, 9 percent African-American, 16 percent Alaska Native, 1 percent American Indian, 10 percent Asian, 14 percent Hispanic, 11 percent Pacific Islander, and 22 percent Multi-Ethnic.

Fifteen different languages are spoken at Wonder Park. About 28 percent of our students are bilingual and receive English Language Learners services. The bilingual staff speaks Arabic, French, Tai, Lao, Tagalog, and Spanish. Approximately 77 percent of students qualify for free or reduced breakfast and lunch. Wonder Park also experiences a transient and mobility rate of more than 30 percent. Wonder Park currently has 16 students who qualify for the Child in Transition/Homeless program.

Wonder Park is dedicated to individualized targeted instruction and student achievement, as evidenced by rising test results. Instructional and support services are designed to foster exceptional academic excellence and support for all students. Such services include: gifted, English Language Learners, tutorial support, Title I services, 21st Century after-school program, special education, supplemental services, and multi-media technology.

COMMENTARY

The 15.0 FTE teacher positions are to help reduce classes with students over 30, and .8 FTE is for other student support requirements. The P.E., Music, Art and Health teachers are distributed to the schools based on larger student enrollment than projected. The FLES (Foreign Language Elementary Schools) teacher position will be transferred to the school needing additional FTE to deliver the FLES model. The \$5,740 of Substitute Teacher funds is for opening and closing school libraries with large student enrollment.

PLAN OF OPERATION - CHARTER SCHOOLS

During the 1995 session of the Alaska Legislature, legislators passed the Charter School Act, which was subsequently signed into law by Governor Tony Knowles. Charter schools are non-sectarian; public schools that operate within the public school district under written contract with the local school board. They must comply with all local, state and federal laws applicable to public schools and be accessible to all students who choose to apply.

Any person, group or organization may apply to the Anchorage School Board to operate a charter school.

Charter schools differ from regular public schools in that they offer alternative teaching methods or curriculum and more independence than regular public schools. The mission statement and goals must be consistent with those of the Anchorage School District. All provisions of collective bargaining agreements must be honored unless specifically waived by the union.

The following Charter Schools have been approved by the School Board and are operating within the Anchorage School District: Alaska Native, Aquarian, Eagle Academy, Family Partnership, Frontier, Highland Tech High, Rilke Schule and Winterberry Charter Schools.

Previous Charter Schools that have closed are:

- Walden Pond Charter School – December 2000
- Village Charter School – January 2005

Statement of Program

The Alaska Native Cultural Charter School will be operating in its new building in 2009-2010. The K-6 school will offer a curriculum that is similar to Anchorage School District adopted curriculum with an emphasis on Native subsistence life styles and rural Alaskan culture. Several Native languages will be introduced to students throughout the school year. Various Native groups and organizations will present special programs and provide guest helpers in the classroom to enrich the childrens' educational experience. The school will provide free reduced breakfasts and lunches as well as make available Title I assistance for all students. The school is open to all students in the Anchorage School District and will use the lottery system to determine enrollment.

Statement of Program

Enrollment at Aquarian Charter School is 360 students. This charter school serves students in grades K-6 and is housed at the Charter School Facility (formerly the Old Northern Lights ABC School). The program philosophy statement says that this charter school provides an educational community which supports a learning environment based on high expectations within an academic foundation, experiential hands-on learning, and a commitment to personal character. Aquarian parents have high expectations for their children and their educational setting. The instructional program follows many aspects of an enrichment model, with Spanish inclusion in all grades, a solid core curriculum which is aligned to State Performance Standards, fine arts, thematic instruction and technology integration.

Aquarian will be assessed rent payments for \$12,000 per month for a total of \$144,000. This does not include any payment for Debt Service.

Statement of Program

Eagle Academy offers an academically challenging educational program requiring students to master Eagle Academy's performance standards before progressing to the next level of curriculum.

The Spalding method of teaching is the basis for instruction across curriculum in all grade levels, employing a multi-sensory approach to learning. Teaching of core subjects is given priority in scheduling and other areas of school operation. Students are responsible for their own behavior. Classroom rewards, incentives, effort grades, and discipline are individual, based on each student's own behavior, participation and performance. Results of standardized assessments, along with classroom grades and assessments are used by the teacher and parent to determine the appropriate instructional level of each student.

Statement of Program

Family Partnership is a K-12 alternative school. It has 580 students who live throughout the Anchorage Municipality. "Parent directed education" defines this program. It is based on the premise that a partnership between students, parents, professional educators, and community members is the ideal situation for educating children. This partnership is initially established between a family and a certificated ASD Teacher who share similar educational philosophies and who enter customized contracts which define the shape of the educational program for each student.

COMMENTARY

Family Partnership Charter School (FPCS) has a very high number of teachers who work part time for this program. Some of these part-time teachers are on addenda as they are currently employed ASD teachers and others are on Special Activity Agreements, both of which are paid from the Added Duty Increment.

FPCS does in-house accounting which requires every purchase or expenditure for teacher time be deducted from the students' individual account. Certificated staffing for FY 2009-2010 is for 580 students in grades K-12.

Statement of Program

Frontier Charter School is a resource for curriculum, technology and community for homeschooling families who are pursuing academic excellence.

Frontier's projected enrollment is 315 full-time students in grades kindergarten through twelve who reside within the Anchorage School District and who are not enrolled in any other school including on-line or correspondence schools in FY 2009-2010. Seniors who require less than a full-time course load to complete their program may be enrolled.

Statement of Program

Highland Tech High, a public school chartered in the Anchorage School District, serves as a model for educational entrepreneurship. Highland Tech High illustrates a paradigm shift in education and learning.

The school serves 7th - 12th graders from the Anchorage School District, and enrolls up to 75 students per grade level for a total population of 450 students. The projected enrollment for Highland in FY 2009-2010 is for 260 students.

Students are expected to follow a dress code resembling casual business dress. Since students will be going into the community, a professional appearance and stature is expected.

The facility promotes a digital learning environment, which integrates technology, connectivity and digital content into the classroom. Student learning is rigorous and demanding. As a standards-based school, Highland students must pass each level with at least an 80 percent proficiency in each of the eight content areas. Students who attend Highland Tech High graduate prepared for the world of work or continuing education.

Highland Tech High students are the next generation of leaders.

Statement of Program

The school was opened in the fall of 2007. The projected enrollment for FY 2009-2010 is 240 students in grades K-12. The program philosophy states that this school will provide an immersion program in the German Language for students who attend the school. There will be an emphasis on being responsible citizens of the community and the world. The Anchorage School District curricula will be followed in all classes except German. The school will be open to all students selected through the lottery application process.

Statement of Program

In line with our charter, Winterberry Charter School was opened in September 2005. The projected enrollment for Winterberry in FY 2009-2010 is for 200 students in grades K-8. Our program is unique in that it uses methods based on Rudolf Steiner's philosophy to present educational material to students. These methods are used to educate the whole child. Academic subjects, art, music, drama, movement, foreign language, and handwork are equally valued and utilized to achieve a rich learning environment.

At Winterberry, teachers loop with their class from grade one through grade eight. Through this process students, families, and teachers work to develop deep and meaningful relationships. Also, by remaining together for an extended period of time, teachers have firsthand knowledge of each child's educational and developmental progress. Together this team will work each year to meet students where they are and then guide them through the process of growth. The ultimate goal is to help children reach the full potential of their cognitive, emotional, and physical development.

PLAN OF OPERATION - SPECIAL EDUCATION

The Anchorage School District provides comprehensive educational services through the Special Education and related services departments in the General Fund to all students with disabilities who are in need of specialized instruction or individualized education plan (IEP). An IEP team including the parent as a contributing member of the team cooperatively develops the special education programs for these children. These teams make every effort to provide the appropriate special education program to the child in a setting as close to his/her regular education classroom as possible. In addition to providing the necessary special education services, related services such as speech therapy, adaptive P.E., occupational therapy, physical therapy and psychological services necessary to the student's school success are provided as an integral part of the child's school program. In an effort to ensure that every child with a disability requiring additional services, ages 3 to 22, is receiving an appropriate education, an active community-wide child identification program is conducted annually.

The Anchorage School District also provides educational and related services to children, ages 3 to 22, who have educational needs served by the home/hospital bound instruction programs, as well as health care needs served by the health services programs. In addition, educational services are provided through several State and Federal categorical grants. The budgets for these grant-funded programs are included in the Local/State/Federal Special Projects section of this budget document.

Statement of Program

The Executive Director of Special Education is responsible for all functions of the Special Education Division which supports students with disabilities ages 3 through 22 who are eligible for services under the Individuals with Disabilities Education Act and Section 504. Departments and programs of the division provide instructional and related services to students in all district schools, special school programs, and community sites. Services are implemented through collaboration with the general education divisions and under the supervision of the Assistant Superintendent for Instruction. Guidance to ensure District compliance with state and federal statutes and regulations is provided by the Executive Director, Director of State and Federal Compliance, and the Compliance Coordinator.

Statement of Program

The Alaska State School for Deaf and Hard of Hearing is mandated to serve all deaf and hard of hearing students within the State who require this centralized program of comprehensive services. This budget details funding necessary to operate the preschool through age 22 program. ASSDHH students receive instruction in a variety of settings. They are included with non-disabled students as part of a school within a school at Russian Jack Elementary, Hanshew Middle School, East High School, King Career Center, and ACE/ACT programs. Placement options include self contained classrooms and mainstreaming with interpreter or Typewell services.

Statement of Program

The Blind/Visually Impaired program ensures students a barrier-free full participation in learning for students ages 3-21, all exceptionalities, who are totally blind, legally blind, partially sighted, and deaf-blind. Four and one-half (4.5 FTE) vision specialists provide comprehensive support services to 74 students. Assessments for vision skills, and orientation and mobility are conducted for referred students. Specialized instruction is provided for: academics, vision skills, orientation and mobility, self-help, activities of daily living, leisure-recreational activities, pre-vocational/vocational, disability awareness/compensatory skills, listening skills, word processing, Braille, abacus use, personal management and social skills.

Adaptive equipment and/or specially prepared materials (i.e. Brailled materials, enlarged materials, note-taking equipment, assistive technology) are provided to give visually impaired and deaf-blind students maximum access to the curriculum.

COMMENTARY

The Blind Visually Impaired program serves students, preschool - age 22, in various schools across the district. These include students eligible as visually impaired, deaf-blind, and multiple disabled. One (0.5 FTE) Special Service Teachers position was converted to a 0.5 FTE Secondary Teacher position needed for the Blind/Visually Impaired high school level math and science.

Statement of Program

Whaley School is a 5th-12th grade school dedicated to addressing the concerns of special education students whose severe emotional/behavioral needs require an intensive, specialized program designed to meet the specific educational, behavioral, social, emotional, and vocational goals and objectives determined by the student's Individual Education Plan (IEP) team. A variety of smaller learning environments are created within the school to best address the academic and social/emotional needs based on the student's IEP requirements.

Statement of Program

Providence Heights School provides the educational program for all school-age patients at Alaska Psychiatric Institute (API). These children and adolescent patients are experiencing a health related crisis which requires institutionalization. The educational staff and API health care providers participate in a coalition, as equal members of a team, to provide meaningful learning experiences and high quality care to elementary and secondary students. Regular education and special education services including academic/behavior assessment and remedial instruction are provided to severely emotionally disturbed and mentally ill youth. The ultimate goal is to guarantee students barrier-free participation in learning which will help them realize behavioral and academic gains and provide for a more successful re-entry into a regular school setting. This program is funded by a State contract beginning the 2008-2009 school year.

Statement of Program

Speech/Language Services provides assessments and treatment of communication disorders of articulation, language, voice, and stuttering as a direct service to students. Classroom based instruction as well as group and individual therapy is provided by speech/language specialists and teacher assistants, to ensure students with communication disabilities have full participation in learning. Students ages 3-21 are eligible for services. Good communication skills are fundamental to children achieving excellence by any world standard.

The mission of the districtwide Audiology and Hard of Hearing Program is to assist students, teachers, nurses, parents and administrators to meet the needs of special education and special needs students, ages 3 to 21. Services are provided by specialists to ensure each student barrier-free access to and full participation in learning. Direct instruction, evaluation and consultation are provided to students in their neighborhood school in regular classrooms, resource rooms and two self contained classrooms.

COMMENTARY

Certificated staffing for Speech/Language is for a projected enrollment of 2,888 of which 2,539 are at Elementary and 349 at Secondary level. This budget also serves 37 hard of hearing students and provides audiological services to 136 students.

Extra Help-Certificated is to cover new teacher hires before their contract begins and temporary help for IEP hours. Added Duty-Certificated is needed to compensate for supervision of the speech implementation and all additional services in order to meet the IEP's (Individual Education Plan) of the students.

Statement of Program

The mission of the Psychology Department is to assist teachers, parents and administrators to meet the academic, emotional and social needs of the Anchorage School District students. This includes accurate, timely assessment of student performance as well as provision of direct and indirect services to students, teachers and/or parents through consultation and short-term counseling to ensure the total health and wellness of students and staff in an environment free of emotional and psychological barriers to learning. Psychologists will directly respond to and assist staff in responding to crises created by violence in schools, student and/or staff injury or death.

Statement of Program

The special education programs operates within the framework of the middle school model which includes team teaching, interdisciplinary instruction, attention to issues affecting middle school students (developmental changes including intellectual/academic, moral, social, emotional, and physical), a seven-period day (five core classes and 2 elective periods), block scheduling (at the discretion of the building principal), and efforts to provide for a smooth transition to high school. Students receive special education services in the least restrictive environment, receiving the general education curriculum to the greatest extent possible and as determined by the student's Individual Education Plan (IEP) team.

Specialized, research based curriculum has been purchased to address reading, writing, and math skills for students requiring modifications to the material and instructional methodology, while providing teachers training on new curriculum. The middle school special education program provides a continuum of services ranging from minimal collaborative support for students enrolled in all general education classes to self-contained classes for students with severe academic/cognitive, emotional/behavioral, and/or physical needs.

Statement of Program

The Elementary Special Education Program provides special education services and supports students with disabilities from age 3 through the elementary grades. Students are eligible for special education services under the following certifications as defined by IDEA 2004: Autism, Early Childhood Developmental Delay, Emotional Disturbance, Hearing Impairment, Learning Disability, Mental Retardation, Multiple Disabilities, Orthopedic Impairment, Other Health Impairment, Speech or Language Impairment, Traumatic Brain Injury and Visual Impairment.

As mandated under IDEA 2004, the Elementary Special Education program maintains a continuum of educational placement options for students. Educational placements are made based on individual needs with consideration for the least restrictive environment for the student. Elementary special education services are provided through a number of different educational placements such as the Resource program, available at all elementary schools, and regionally based programs such as Extended Resource, Intensive Needs and Autism. Preschool special education services are provided through a variety of educational placements such as community-based itinerant services (CARE team program), and regionally based preschool programs such as Autism classes, 4-day Preschool classes and 2-day Communication classes. Intensive Behavioral Support classes for preschool -- 4th grade are located at Mt. Iliamna Special School.

Enrollment in both the Elementary and Preschool Special Education Program is typically lower in September. In Elementary, enrollment increases as students are assessed for eligibility for special education throughout the school year. In Preschool, enrollment increases through transitions from Infant Learning Programs or through assessment; students begin services throughout the school year when they turn three years old.

COMMENTARY

The 271.50 FTE Teacher Assistant positions equate to 2,172 hours per week, representing the following: 67 7-hour positions, 218 6-hour positions, and 79 5-hour positions. Staffing was increased by 12 FTE Elementary Teacher Assistants to meet the increased enrollment and related program needs. Three (3.0 FTE) Elementary Teachers positions have been converted to: one (1.0 FTE) Elementary Program Specialist, one (1.0 FTE) Elementary Behavior Strategist, and one (1.0 FTE) Special Service Teacher Elementary position. Two (2.0 FTE) Elementary Teachers Preschool positions have been converted to one (1.0 FTE) Preschool Program Specialist and one (1.0 FTE) Preschool Behavior Strategist position.

Staffing levels are to support a projected enrollment of 3,867 students with disabilities in the elementary schools; 2,696 at Level 1, 727 at Level 2, and 379 at Level 3. Extra Help Certificated is for funding in the event that an elementary special education student would require an interim alternative educational setting due to removal from school. Added Duty-Certificated is for I.E.P. Meetings. Added Days-Certificated is for teacher consulting and training before the school opening and after the school closing.

Statement of Program

The Behavioral Support Program provides a variety of services and supports for students including pre-academic and academic skill development, social skill instruction, behavioral support services and counseling. Related service specialists such as physical therapists, occupational therapists, speech-language therapists, and assistive technology specialists also support the Mt. Iliamna Program. These educational and related services are mandated by IDEA 2004 and are detailed in the student's Individual Educational Plans.

Mt. Iliamna provides a behavioral support program for children in preschool through grade 4 who experience significant social and behavioral challenges requiring placement in a special school.

Statement of Program

High school special education program provides a continuum of services ranging from minimal collaborative support for students enrolled in all general education classes to self-contained classes for students with severe academic/cognitive, emotional/behavioral, and/or physical needs. Students are supported in the least restrictive environment, receiving general education curriculum to the greatest extent possible and in accordance with the student's Individual Education Plan (IEP). Curriculum is purchased to address core subject areas for students requiring modifications to material or instructional methodology, while providing teacher training on new curriculum.

In compliance with state and federal mandates, students with an IEP must also receive attention regarding transitional considerations, which includes the collaboration with outside agencies. The high school special education program also works in collaboration with the state to address needed accommodations/modification for state testing including the High School Graduation Qualifying Exam (HSGQE).

Statement of Program

The Outreach Program provides the continuance of special education services for students with an Individual Education Plan (IEP) who have received a long term out of school suspension or expulsion. The Outreach classroom is housed at Whaley school. In addition, the certificated staff may work with students and provide educational services at various community locations such as the library, community center, or for students incarcerated, at the jail.

Statement of Program

The ACE/ACT (Alternative Career Education/Adult Community Transition) program provides instruction for special education students who have completed four years of high school, have not yet received a diploma, and who are eligible for continued services defined by their Individualized Educational Program. The program strives to increase student participation in the community with the goal of giving the students as much independence as possible in their adult lives. Instruction designed to promote functioning in a variety of settings concentrates on work maturity skills, self help skills, communication skills, social skills and recreation/leisure skills. The program utilizes office and classroom areas in leased space at the Trust Authority Building, a relocatable classroom at the YMCA, and provides instruction in a variety of community settings.

There are currently three sites which make use of the Alternative Career Education program: the ARC campus, KCC and the YMCA. 12-15 students, each with significant educational and social needs, attend each site. The KCC campus provides vocational services for students of high school age. A total of 132 students are projected to be served through the ACE/ACT program which includes: 12 at Level 1, 60 at Level 2, and 60 at Level 3.

Statement of Program

The Special Schools Program provides educational programs outside traditional school settings for students who experience physical, medical, emotional, or behavioral conditions which affect the student's ability to attend and perform in school.

Visiting Teacher Services: Instructional services for students who are physically unable to attend school due to temporary or chronic medical conditions are provided in the hospital and home settings. These services are maintenance-level only of a short duration unless the student qualifies for a 504 accommodation plan. To provide continuity for the student, whenever possible these services are provided by staff from the student's school working on addenda.

Psychiatric Hospitals: Instructional services are provided to students admitted for stabilization of acute psychiatric conditions within a safe, secure setting at North Star Residential Treatment Center. These services are required under IDEA for special education students.

Residential Treatment Centers: Instructional programs for students placed in residential treatment centers by their parents or the Office of Children's Services are provided on the site of the following programs which provide emotional and behavioral treatment: Jesse Lee Home, Booth Memorial Home, North Star Residential Treatment Center, and Providence Residential Center. Instructional programs for students placed in the ARCH program for treatment of substance abuse are provided at McKinley Heights/ARCH.

Enrollment in the programs is not static and is difficult to project by the count on a single day; however, the total number of students served during a school year has remained consistent over a period of years. Fifty to sixty percent of the students served are from the Anchorage area, and forty percent from outside the district. The proportion of special education students varies among sites and with time, with approximately one-third of the students served annually being eligible for special education services.

COMMENTARY

One (1.0 FTE) Specialist Special Education Program obtained certification and was transferred to one (1.0 FTE) Special Service Teacher position. The 1.625 FTE Teacher Assistant positions equate to 13 hours per week. They represent 1 6-hour position and 1 7-hour position. Teacher Assistant positions have been reduced by 0.75 FTE and additional 1.375 FTE have been converted to Clerical positions. The 1.375 FTE IEP Clerk positions represent 1 7-hour position and 1 4-hour position.

Funding for Added Days - Certificated is for teachers to provide specialized homebound instruction. Added Duty Certificated provides \$5,000 for visiting teacher services. Visiting teacher enrollment varies week to week dependent upon the number of students requiring services. During the 2007-2008 school year, 1095 individual students received services through the Special Schools program. It is anticipated that the number of students receiving services at Special School site will continue to increase with the expansion of treatment programs due to the bring the Kids Home Initiative.

Two-tenths (0.2) FTE of the Principal position will be charged to Providence Heights under grant funding.

Statement of Program

The purpose of the Health Services program is to improve and protect the health of students in a supportive learning environment. To promote health and wellness for students, school nurses develop priorities in health maintenance, injury and disease prevention, and health restoration. Nursing interventions for students support the educational staff in providing students with a safe, caring and educationally relevant school program. The health services program strives to provide accessible, quality nursing services for every child to ensure optimal educational opportunity.

School nurses participate on school teams to identify students who experience disabilities. When a student enters school with a health problem, the goal is to assist each student to attain and maintain optimum health for successful performance in school. The school nurse performs an assessment, develops and implements a health care plan to meet the student's health needs. Students with health problems may have limited strength, vitality or alertness and include both medically fragile students and technology dependent students.

Medically fragile students are those who have a physical disability which is life threatening and requires monitoring, interpretation, and/or intervention. Technology dependent students are those who have a physical disability which requires a medical device to compensate for the loss of a vital body function. Special nursing treatments are provided by school nurses and health treatment specialists as prescribed by their physician. When a student enters a school district requiring health related services, nursing interventions must be considered so the student can access and benefit from the educational program.

The Health Services program has a broad and encompassing role in the administration, supervision, delegation, evaluation of nursing practice and employee training. The program provides mandatory first aid training for employees as required by collective bargaining agreements which promotes safe and caring schools.

COMMENTARY

Nurses have been increased by one (1.0 FTE) position and Health Treatment Nurses have been reduced by one (0.87 FTE) position for FY 2009-2010 to better meet the program needs. Extra Help Classified is for substitute nurses' pay outside of the contract year, and to pay for Health Treatment Specialists for classified work. Extra Help Certificated is for nurses who have retired from the District who review immunization records during summer registration. Added Days Certificated is for nurses' training prior to the contracted year and for assessment of immunization records during the elementary school registration. Added Days Classified is for Health Treatment Specialist/Nurses for Special Education extended school year nursing services, and for First Aid instructional classes.

Statement of Program

This budget area provides funding for Teachers and Teacher Assistants who provide Extended School Year Services for Special Education students who qualify for the services under federal and state statute. Approximately 130 students are served each summer. This budget center was created by transfer of funds from other Special Education budgets to centralize them into one budget area.

Statement of Program

The Gifted program provides services for identified gifted students requiring a curriculum with acceleration and enrichment. These students have been determined to need extensions beyond the regular classroom.

The elementary program consists of two components; IGNITE and Highly Gifted (HG). The IGNITE program is a pull-out model which offers enrichment, supplemental to the regular classroom, to students in grades 2-6 identified as "superior" in the range of intelligence. The HG program is a self-contained program for the "highly gifted" housed at Rogers Park Elementary School. HG serves students in kindergarten through sixth grade.

Alternative assessments are used to identify students from diverse backgrounds, such as: learning disabled, limited English, economically disadvantaged, culturally diverse, or underachieving.

The middle school program is a gifted model of delivery focusing on the areas of science and language arts. The needs of identified students are met by selective scheduling and grade level teams in each building, working with the aid of gifted contact teachers. The Gifted Department is currently addressing the needs of highly gifted students transitioning to middle school and high school. This program is located at Romig Middle School and West High School.

The secondary program utilizes a mentorship program for students needing extension of academic enrichment beyond what is provided by the high school curriculum. Mentorship coordinators serve all high schools and private schools to help students investigate opportunities locally in the world of work.

Statement of Program

The purpose of the English Language Learner Program is to provide equal educational opportunities for students who are influenced by a language other than English. Students in grades K-12 are offered access to a high quality academic program with comprehensive language acquisition at the programs' core. Program models include English as a Second Language, Sheltered English Instruction, a Newcomers' Center for monolingual students in grades 7-12 and a Two-Way Immersion.

The program provides professional development for regular classroom teachers, paraprofessionals and English Language Learner staff who work with English Language Learners. Technical assistance is provided via in-service training, cultural awareness presentations, the artist-in-residence program, curriculum integration and community partnerships.

Statement of Program

The purpose of the Native Education Program is to provide services to Alaska Native and American Indian students with meeting and/or exceeding the state academic and cultural standards.

The program also assists incoming students with acclimating to our school system. Assistance for the student and his/her family includes: school profile, physical tour of the school, introduction to school personnel, school bus operation and schedules, school resources, input about student's educational history, and setting up social supports within the school and community.

In addition, our program will assist with locating resources students and his/her family, find or assist with Indigenous language translations, make personal connections with families and provide resources for culturally responsive professional development at school sites.

PLAN OF OPERATION - MIDDLE SCHOOL EDUCATION

The Middle School Education Department is responsible for the ten (10) middle schools in the District and Polaris K-12 school. The Middle Schools share many common characteristics that provide for an environment and structure especially adapted for the middle school student.

Polaris K-12 is an optional alternative program for students from Kindergarten to 12th grade. Special features include an integrated curriculum and multi-age group learning based on student interests, needs and developmental levels.

Each Principal is responsible for developing an Operational Plan and Master Schedule; implementing and supervising curriculum programs and auxiliary services; organizing staff for instruction and student services; developing and maintaining a balanced activities program; providing effective communications and public relations; directing student services; scheduling, selecting, and evaluating staff; maintaining student decorum; accurately completing reports and maintaining student records.

Statement of Program

Polaris K-12 School is for students, parents and teachers who want an emphasis on self-directed learning and active participation in education. Instruction methods focus on "doing" the "experience-approach" to learning. In practice, this means extensive use of manipulative teaching materials, forming and testing hypotheses, numerous field trips, and classroom visits by a variety of resource persons.

Polaris K-12 School continues to address the need out of which it was born: to provide an alternative to the traditional educational format using an open-optional method of instruction. We are pleased with our stable test scores, successful student led conferences and numerous student scholarships, but of greater importance is the students' commitment to each other and the community at large.

Polaris K-12's School Business Partners are Kaladi Brothers Coffee Co., Frigid North Co., Schlumberger Oilfield Services, and National Wildlife Federation.

Parents and other community members volunteer an average of more than 91 hours per week. The district average for elementary schools is 60 hours per week.

Statement of Program

Central Middle School of Science is a neighborhood school and a lottery school. Our program infuses science and technology throughout all curricular areas through interdisciplinary teams of teachers and students.

It is the goal of Central Middle School of Science to provide an instructional program which is on the cutting edge of technology and science education; teachers are involved in on-going training in the most current educational and technological techniques.

As a professional development school which is funded by a grant, teachers continue to mentor each other, attend professional conferences, and have study groups together to discuss best practices.

Central teachers guide students into becoming life-long learners and responsible adults. High academic expectations and high standards for students' behavior are characteristics of Central's program.

Central's School Business Partners are Anchorage Convention and Visitors Bureau, Alaska Youth as Resources, Anchorage's Promise, Aurora Vending, Blockbuster Video, Key Bank, Kids' Kitchen, Mary Conrad Center, A Novel View, and Youth Education Support Services Fort Richardson.

Parents and other community members volunteer an average of 1-15 hours per week in the school.

Statement of Program

Clark Middle School was closed for FY 2007-2008 through FY 2008-2009 due to reconstruction of the school.

We serve seventh and eighth grade students through an academically challenging curriculum. Instruction is offered in the four core subject areas: math, language arts, social studies, and science. Additional services include: two foreign languages, music, migrant education, gifted bilingual, special education, multi media technology, applied technology, Title I specialist, reading support, math seminar, 21st Century After School Program, lunch tutorial, and participation in the APPEAL Grant which offers Advance Placement courses.

Clark Middle School is an integral partner in the continued development of the Mountain View Arts and Cultural district.

Statement of Program

Ernest Gruening Middle School is a school of approximately 600 students located in Eagle River, Alaska. Gruening has a successful comprehensive program, supported through high expectations and exceptional support from parents and the community.

Gruening Middle School provides math, science, social studies, and language arts utilizing a team approach such that all core academic teachers have the same group of students. This allows for more collaboration on parent communication and development of interdisciplinary units.

Elective opportunities are offered in Family Consumer Science and Business Technology. Gruening Middle School also has a strong Fine Arts department consisting of Art, Band, Orchestra, Choir, and Drama. Support classes are offered in reading, math, and study skills. Gruening has a well-rounded Special Education program that includes Behavioral Support, Collaboration, and Intensive Needs. World Languages include French, Russian, and Spanish. The gifted program includes both language arts and science. Interscholastic and intramural sports are offered along with a large number of academic competitions.

The use of technology is an integral part of the Gruening Middle School program. Teachers are encouraged to integrate the vast amount of technology at their disposal into their teaching.

Gruening Middle School promotes positive student behavior throughout the school and works closely with student decorum through the Aggressors, Victims, and Bystanders program. Strong team and community building activities are an integral part of the Social Emotional Learning (SEL) program of the school.

Statement of Program

Hanshaw Middle School is a safe and positive environment where academic achievement for all students is encouraged and diversity is valued. Teachers and staff work hard at making the educational process a combined effort between home and school. Parent and home communications are essential.

Hanshaw is a very active school with before and after school support and enrichment. All students are welcome. Hanshaw houses a diverse population from many cultural backgrounds and a wide range of ability levels from life skills special needs to highly gifted, including the Alaska State School for the Deaf and Hard of Hearing.

Hanshaw's School Business Partners are Alaska Information and Research Services Owner, Cabin Fever Owner, Pinnacle Mountain Ski and Snowboard Shop and Alaska Mountain Bike Source Owner.

Parents and other community members volunteer an average of 1-15 hours per week in the school.

Statement of Program

Mears Middle School provides its 7th and 8th grade students with seven instructional periods. All students are enrolled in four required academic courses and three elective courses.

Options for involvement in remedial and gifted course work are provided in language arts, science, and mathematics. Exploratory opportunities are provided in the areas of computers, arts/crafts, industrial technology, family and consumer science, foreign language, and music.

Although development of basic skills in traditional academic areas is emphasized, students are encouraged and provided opportunities to increase their awareness of career and leisure time activities. Intramural, interscholastic, and after school activities are available to all middle school students on an extracurricular basis.

Positive decorum and daily attendance are stressed. Through these efforts communication with parents will increase.

Mears' School Business Partners are AOETT, Alaska Chapter of the Red Cross, Aurora Vending, Best Western Barratt Inn, Friends of Pets, Kaladi Brothers Coffee, Lions Mt. McKinley, The United States Marine Corps, Marriott Hotel, Northwest Airlines, Papa John's Pizza, Tastee Freeze and the United Way.

Parents and other community members volunteer an average of 11-45 hours per week in the school.

Statement of Program

The mission of Mirror Lake Middle School is that education is the responsibility of the home, school and community. Everyone in this partnership should ask themselves, "Is it good for the students?" because all children learn, achieve, and succeed in different ways. The staff of Mirror Lake Middle School advocates high expectations and is dedicated to provide a supportive and challenging learning environment.

Mirror Lake Middle School provides instruction for grades six, seven and eight. Students receive daily instruction in language arts, mathematics, social studies, science, and physical education. Two elective opportunities are available to each student. Gifted, Spanish Immersion, and Special Education instruction is provided at all three levels.

Mirror Lake Middle School is committed to the middle school components of teaming, exploration, flexible scheduling, and attention to the developmental needs of middle school students. Our goal is to prepare lifelong learners, who will become literate, self-disciplined, independent, and confident individuals who take pride in themselves, communicate effectively, and make positive contributions to society.

Statement of Program

Romig Middle School serves seventh and eighth graders. It offers the middle school model to students receiving traditional, gifted, English as a Second Language (ESL), special education, remedial and accelerated services to our students. Our mission is to provide an environment which allows students to develop to their highest potential and become productive citizens in an ever-changing, diverse society.

We incorporate the use of a team approach in the four core areas of language arts, mathematics, social studies and science. Students also take physical education and elective choices.

Romig has a specialized program for all qualified highly gifted students and one of two Spanish immersion programs in the Anchorage School District. Our state of the art science wing provides advanced study and exploration, three fully equipped computer labs and mobile labs provide technology opportunities for students.

Romig is attached to West High School. This allows our students to take advanced classes in math and world languages. Romig is dedicated to providing a safe, supportive and respectful learning environment for staff and students.

Romig's School Business Partners are Tastee Freeze, Aurora Vending, and Friends of Pets.

Parents and other community members volunteer an average of more than 16-30 hours per week in the school.

Cadres of highly qualified educators comprise our staff. They engage in professional growth plans each year expanding their expertise. Along with a rigorous academic core program and affective skill excellence, we offer a large array of electives. World Languages, Fine and Visual Arts, Physical Education, and Career Technology, as well as a host of accelerated, remedial, and interest classes (Service Learning, SUNS cafe, video production, live announcements, etc.), augment student achievement and confidence. Extra-curricular activities provide outlets that enhance physical and social development of each child.

Community, School Business Partners, a strong PTSA organization all contribute to the success of students. Our focus on academic excellence serves us well as students continue to meet/exceed NCLB performance standards. Asset building and development of student connections prepare our students to be contributing members of the larger community.

Goldenview's School Business Partners are Lifetouch, Best Buy, ASRC, Alaska Club, Ginger, Caf D'Arte, Aurora Vending, Bird Treatment and Learning Center, Dairy Queen, Borders, and Walmart.

Parents and other community members volunteer an average of 16-30 hours per week in the school.

Statement of Program

Nicholas Joseph Begich Middle School is the newest middle school offering educational opportunities for students in grades six, seven and eight. The school community is focused on academic excellence. We are dedicated to providing a supportive environment where students will learn and demonstrate the knowledge, skills, attitudes and ethics necessary to become successful members of society.

Our school offers traditional instruction as well as Gifted, Bilingual, and Special Education services. In addition, Begich Middle School offers many electives, sports programs, academic competitions and community events. To personalize learning and help ensure academic success, students and staff are aligned into small learning communities, or teams, that work within the larger school to promote positive communication, relationships, and academic achievement.

We are proud of the opportunities our school offers to the community. We welcome parents to actively participate in the journey their child is taking through middle school.

Statement of Program

Summer School/Middle Level consists of two programs. One program is for students who are in need of remediation, have been retained, or have scored below proficient on state benchmark or proficiency tests. This program provides intensive direct instruction in reading, writing, vocabulary building, and mathematics. The other program provides selected enrichment classes dependent upon student interest and the availability of personnel.

COMMENTARY

Secondary Teacher (2.8 FTE) positions are to reduce large class sizes based on fall enrollment and two (2.0 FTE) will be staffed based on additional identified needs. Three (3.0 FTE) Teacher positions are budgeted to accommodate the strong interest in World Languages. Eight (8.0 FTE) Teacher positions will offer all the traditional elective courses including art, music, languages, math, applied technology, and science. Two (2.0 FTE) Teacher positions are added for differentiated math - higher level math courses as well as remedial courses. The amount of \$50,000 in Added Duty will be allocated to individual schools for districtwide activities/tournaments. Added Duty is for Zero Hour Algebra.

Staffing for Clark Middle School had been transferred to this cost center/other schools until the school reopened in FY 2009-2010.

PLAN OF OPERATION – HIGH SCHOOLS/ALTERNATIVE PROGRAM

The High Schools/Alternative Program is aimed at developing good work habits and an interest in self-improvement, providing good health and physical experiences and fulfilling the need for wholesome peer group activity.

The High Schools/Alternative Program is designed to provide a continuum of academic and co-curricular activities, which are able to meet the needs of individual students. The curriculum at all points of the continuum seeks to develop and strengthen basic academic skills and concepts. The curriculum also strives to develop respect for authority, an understanding of civil rights, citizen responsibilities and patriotism. It provides opportunities for students to receive training in basic entry-level vocational skills and the background to enter college level programs. Further opportunities for personal and social development are provided through clubs, intramural, and interscholastic sports and activity programs. The program components for individual secondary schools are included in the Statement of Program section of each unit budget.

Each principal is responsible for developing an Operational Plan and Master Schedule implementing and supervising curriculum programs and auxiliary services; organizing staff for instruction and student services; developing and maintaining a balanced activities program; providing effective communications and public relations; directing student services; scheduling, selecting and evaluating staff; maintaining student decorum; accurately completing reports and maintaining student records.

Each teacher is responsible for directing the learning of students by maintaining competency in a teaching area by employing diagnostic methods; identifying student proficiency levels and planning to meet identified needs; establishing an intellectual climate conducive to the teaching/learning process; utilizing effective teaching methods which will cause motivation for student learning; providing a positive relationship between student and teacher and their classmates; employing appropriate evaluation techniques to assess student progress and instructional effectiveness.

Statement of Program

Bartlett High School is one of the eight large, comprehensive high schools in the Anchorage School District. Bartlett is located near Elmendorf Air Force Base, and draws students from both the military base and the Muldoon community at large. The staff at Bartlett High School has a strong commitment to meet the unique and individual needs of our diverse student population. Through varied instructional methods, extracurricular activities, and consistent support, students at Bartlett have an opportunity to achieve their highest potential and develop a strong sense of community.

The Bartlett High School staff is committed to the overall growth of each student as an independent, self-reliant person who can participate cooperatively in a group atmosphere. Being aware of the rapid pace of change, our school community seeks to provide each student with the tools to function responsibly in our world. As a staff, we recognize that students differ and we attempt to provide programs that afford every individual the opportunity for an education tailored to his/her needs. The school bears the responsibility to foster an atmosphere where the student is challenged to strive for excellence. We attempt to supply each student with the physical and mental skills to gather knowledge, solve problems, think critically, and communicate effectively. Bartlett High School is committed to "Excellence Without Exception"!

Bartlett's Business partners are Fred Meyer, Boys and Girls Club, Alaska Native Heritage Center and Fort Richardson (YESS).

Parents and other community members volunteer an average of 10 hours per week in the school.

Statement of Program

The Martin Luther King, Jr., Career Center offers vocational/technical education in 26 occupations for students in grades 11-12 in two sessions during the regular school day. In the 2007-08 school year, two sessions of after school session of introductory courses was offered to students in grades 9-12.

The courses at KCC provide academic and elective credit to meet student's graduation requirements. Students gain knowledge and learn skills that will help them in their careers whether they plan to attend a post-secondary institution, training program or go directly to work. Twenty-five percent of a student's grade is based on professionalism standards established for that course which prepares students for real-world employment.

Students who are in their second or third semester, who meet attendance requirements and have the recommendation of their teacher, may enroll in on-the-job training which places them with a mentor in a real-life work environment. KCC also offers TechPrep in which students earn concurrent college credit for courses that have been identified to be the same as what is taught at the post-secondary institution. TechPrep agreements in the trades also provide points toward an apprenticeship application for eligible students. KCC has 17 courses that offer college credit and 6 courses offer trade organization application credits through TechPrep. KCC partners with the Alaska Railroad to provide a Summer Tour Guide training program after school for 10 weeks. Students who complete the training program are eligible to apply for summer employment as a tour guide with the Alaska Railroad.

Statement of Program

Crossroads is the Anchorage School District's school for pregnant and parenting teens. Crossroads provides a supportive instructional environment which allows students to continue their education while pregnant and/or parenting.

A complete program of instruction is provided with an emphasis on core academics. The program utilizes traditional coursework in conjunction with online instruction to meet the academic needs of the students. Maternity health care is offered and community support contacts are available for students.

The staff at Crossroads is committed to providing quality instruction in an environment that fosters regular school attendance and student responsibility for learning.

Crossroads' School Business Partners are Beans Cafe and the Childcare Connection.

Statement of Program

Dimond High School is a comprehensive high school fully accredited by the NASC. Our staff is dedicated to facilitating optimal learning for all students and empowering them to lead fulfilling and productive lives in our rapidly changing society. Our 1800 students' ethnic and cultural diversity enriches our school. Dimond offers a complete education that includes Advanced Placement, Honors, English as a Second Language, Cook Inlet Tribal Corporation, Career Technology, Fine Arts, Japanese Immersion, Army JROTC, Special Needs, and five World Languages courses. Extended-day, extended-year and summer school programs supplement our core academic program.

The Freshman House provides education and transition support for ninth graders. Sophomores, juniors and seniors are supported in three other houses. This year we opened the Dimond Engineering Academy which offers four years of engineering electives using Project Lead the Way. The vibrant Dimond PTSA supports student programs, contributing \$30,000 in supplemental funds each year.

Statement of Program

East High School is a safe and positive educational environment where students are treated with respect, where high expectations in academics and decorum are the norm, and where diversity is valued.

East High offers the traditional educational opportunities as defined by the requirements of the Anchorage School District. In addition, the academic and social learning program of East centers on the personalized needs of the students. All students and staff are aligned into one of five smaller learning communities, or houses.

In addition, several optional programs exist to further the academic needs of all learners. East High curriculum encompasses a range of remedial through advanced placement courses, as well as opportunities for enrichment through fine arts, world languages, JROTC, career technology, and physical education.

East's School Business Partners are Jiffy Lube, Inc., Kinko's, Mountain View Boys and Girls Club, Boy Scouts of America, Alaska Native Heritage Center, Port of Anchorage, Wells Fargo, and Nine Star Enterprise.

Parents and other community members volunteer an average of 11-45 hours per week.

Statement of Program

The 2004-05 school year was one of transition for Robert Service High School. With the opening of South Anchorage High and the subsequent boundary changes, student enrollment decreased from 2500 to 1600. At the same time, our ethnic make-up grew from 18 to 39 percent minority students. With these changes, our school became more personal and culturally richer overnight. Our traditionally strong academic and extra-curricular programs continued, and the faculty and support staff clearly embraced the changes.

Additionally, we lived with major construction throughout the school year, and will continue to provide excellent programs as we move through a complete renovation the next few years. Our motto for the year seemed most appropriate: Service High: Old Building, New School.

Continuing our focus on building smaller learning communities within a comprehensive high school, next year we debut the Freshmen Academy which will help our new ninth graders begin their high school careers with high expectations and the guidance to help them succeed.

The entire Robert Service High School community is committed to continue the legacy of success.

Service High's School Business Partners are Denali Alaska Federal Credit Union, Alyeska Resort, and Alaska Covering Kids Coalition.

Parents and other community members volunteer an average of 1-15 hours per week.

Statement of Program

Steller Secondary School is an open optional school of choice that serves 292 students in grades 7-12 from across the Anchorage School District attendance area. The emphasis of the school program is attaining an education through responsibility to self and to the community, both within the school walls and beyond. Students, parents, and staff participate in the democratic process of setting school policies and procedures. Students participate in all aspects of the school program from planning and scheduling activities, mentoring and assisting younger students, and designing course work through independent study and peer taught classes. Through participation in operation of the school, students acquire leadership and responsibility for both their school and their community.

Students are encouraged to spend a portion of their career at Steller in community service in order to learn more about and contribute to the community in which they live. Traditional teacher directed learning is combined with Socratic method, peer and parent taught curricula, intensives, university coursework, and independent study to allow students to be active decision makers in the design of their education. Students learn best when they are interested, engaged, and exposed to a variety of educational experiences. With this in mind, Steller provides its students with a variety of instructional options that appeal to the different learning styles and interests of our students and allow us to focus on our mission of educating our young people and enabling them to grow into their role as productive, positive citizens in a dynamic and evolving world.

Steller Secondary's School Business Partner is the Downtown Business Partnership.

Parents and other community members volunteer an average of more than 91 hours per week in the school.

Statement of Program

West Anchorage High School is accredited by the Northwest Association of Secondary and Higher Schools.

West serves an ethnically diverse population. A comprehensive curriculum, including college preparatory, business, technical, remedial, and enrichment programs, are offered. Unique programs at West are the English as a Second Language (ESL), Highly Gifted, Kanaknagaq (a Native Education Program), School Through the Arts, International Bacalaureate, and Spanish Immersion programs. Students attend four 80-minute periods three days of the week on a rotating schedule, and twice a week attend six classes for fifty minutes.

West has approximately 1700 students. Approximately 40% of the graduates attend post-secondary schooling, college, university or technology schools.

West's School Business Partners are Alaska Airlines, Costco, The Cookie Mom, and West High Alumni Foundation.

Parents and other community members volunteer an average of 16-30 hours per week.

Statement of Program

McLaughlin School provides educational services for residents of McLaughlin Youth Center. Youth are placed at MYC as a result of their criminal activity and are placed on a detention or a long-term treatment unit (based on court ordered disposition).

The educational program is an essential component of each resident's treatment plan. This requires additional academic assessment, appropriate class placements, and differential curriculum to meet the unique educational and treatment needs of each student.

Statement of Program

Benson Secondary is an alternative school serving the educational needs of students who have been deemed "at risk". The goal of Benson is to assist students to become academically successful through the use of whole class, and individualized instructional strategies, designed around student abilities and interests as they pertain to District goals.

Small classes taught by highly committed teachers, clearly defined practices, procedures and expectations of high student achievement, in conjunction with supportive parents, are all elements critical to the success of this school. Through the successful application of those elements, Benson is very successful in helping disengaged learners rediscover the joy of learning.

Parents and other community members volunteer an average of 1-15 hours per week.

Statement of Program

S.E.A.R.C.H. is an alternative education program designed to meet the needs of grades 7-9 students who are experiencing failure in the regular system due to nonattendance, nonacademic performance, or discipline problems. In addition to the teaching staff, the program utilizes a program counselor who also teaches a half day, a special education resource teacher, a program director who administers the program, and a program clerical aide. The program serves students who have been referred by home schools throughout the Anchorage area.

The S.E.A.R.C.H. program staff is committed to providing an individualized educational program that is designed to motivate participation and regular attendance. Further, the curriculum is structured to provide instruction geared toward student need relative to both academic and real life skills, and to enable the students to advance to the best of their abilities. There is an ongoing emphasis on developing good citizenship qualities and enhancing student self-worth. The S.E.A.R.C.H. program concentrates on teaching appropriate behavior as well as continually reinforcing the importance of a strong basic education.

Statement of Program

Creating Optimal High School Opportunities (COHO) is an alternative to the traditional high school classroom located in the Chugiak and Eagle River areas. COHO students can earn high school credits through online and self-paced courses. The program is located on the Chugiak High School campus.

High school students from around the district will have the opportunity to register for and complete regular course work online. Course registration will be limited to students who have a scheduling conflict and are unable to take the course in the regular classroom and to students who are seeking credit recovery or grade improvement for a course already attempted.

Students who find themselves behind in credit may apply for admission into COHO's self-paced instructional program. Students are referred to the program by their home-school counselor. Students in the program can work at a faster pace to get caught up academically and graduate. Students attend in the morning or afternoon to complete academic requirements and spend the remainder of the day earning elective credits at King Career Center (KCC) or at a work site.

Statement of Program

The Continuation Program is an individualized online instructional program for middle and high school students expelled or on long-term suspension from the ASD for violations of school policy. The program provides students with core academic instruction designed to meet the requirements for promotion to the next grade level and progress towards graduation. The program allows a student to continue to receive academic instruction while he or she is completing requirements for reinstatement into the school district.

Statement of Program

Anchorage Vocational Academic Institute of Learning (AVAIL) is an alternative high school program devoted to teens that have dropped out of more traditional schools - a joint partnership between the Anchorage School District and local businesses.

The school's purpose is well matched with the definition of the word "avail" which is "to be of use or help". A unique program, AVAIL is designed to help students return to the educational system, obtain skills for employment, and build self esteem, with an emphasis on students earning a high school diploma.

AVAIL's School Business Partner is Josten Photography.

Parents and other community members volunteer an average of 1-15 hours per week.

COMMENTARY

Extra Help is for assistance with the secondary administrative manual and Title IX materials (\$2,500).

Seven and nine-tenths (7.9) FTE teaching positions are for reducing class size based on actual fall student enrollment, one (1.0 FTE) is for an educational program for non-incarcerated students at Nine Star, seven (7.0 FTE) are for on-line remediation, and one (1.0 FTE) is for Level 2 support.

Substitute Teacher funding is used for training and administering the High School Graduation Qualification Exam (HSGQE) (\$5,040), HSGQE remediation training (\$8,000) and the classroom.

Added Days - Certificated is for remediation (\$50,000), summer intensive math and language arts (\$198,537) and registration and semester close-out (\$5,800).

Added Duty - Certificated (\$25,000) is for Water Safety Instruction/Lifeguard Certification.

Statement of Program

The Food Service Center provides for the purchasing of raw ingredients and finished products used to prepare and serve meals according to Federal guidelines. The department warehouses, prepares and distributes the food; maintains employee scheduling for eighty (80) sites within the District; and maintains/prepares applicable records, reports and summaries.

Student Nutrition, serving both breakfast and lunch, is an integral part of every student's day. Proper nutrition is necessary for every child to reach their mental and physical potential. Nutrition Education, mandated by Federal Regulation, is provided to enhance the classroom health curriculum and to develop lifelong wellness patterns. The Student Nutrition staff places special emphasis on providing fuel to each child to help them achieve their goals for excellence.

Statement of Program

The Facilities Division of the Assistant Superintendent of Support Services coordinates the planning, design and construction of new facilities and the remodeling and rehabilitation of existing facilities, pursuant to School Board policies and administrative actions. The division serves as the District contact with design professionals during the design and construction phases of District construction projects. The division is responsible for coordinating updates to the educational specifications; planning for and overseeing the acquisition of school and other sites; coordination of and support to the Capital Request Advisory Committee in preparation of annual Ten Year CIP and municipal bond propositions; assuring compliance of the District to ADA, AHERA and other code requirements.

The District has successfully obtained bond funding in recent years, and has also completed a number of major projects. Major projects underway include the replacement of Clark Middle School, renewal and addition of Chester Valley and Sand Lake Elementary Schools, design of Girdwood School, and building system renewal projects at many of the schools. In addition, the Division will continue to perform a vital role in the management of the District's facilities as the Municipality's largest physical asset, as well as to identify and acquire future school sites. The Facilities Division currently has approximately \$95 million budgeted for current projects in the design or construction phase.
