ANCHORAGE, ALASKA

ASD MEMORANDUM #121 REVISED

February 21, 2013

TO: SCHOOL BOARD

FROM: JIM BROWDER, SUPERINTENDENT

SUBJECT: FY 2013-2014 PROPOSED FINANCIAL PLAN  
(SECOND READING)

ASD Core Value: *The district will be open, transparent and accountable to the public*

RECOMMENDATION:

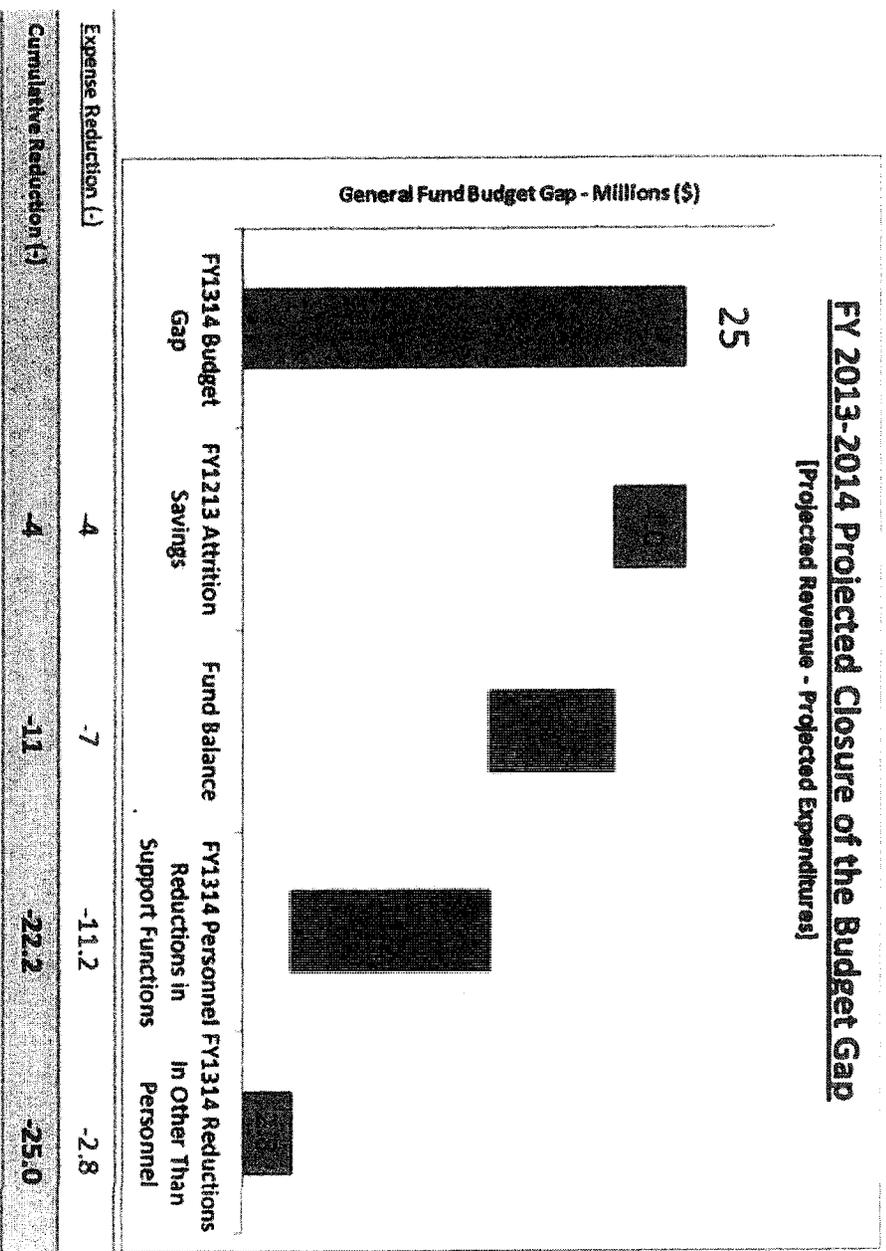

It is the Administration's recommendation that the School Board approve and authorize the Superintendent to prepare the Anchorage School District's FY 2013-2014 Proposed Financial Plan as set forth in the projected revenue and expenditure schedules accompanying this memorandum. The total recommended budget by individual funds is projected as follows:

	(Millions)
<u>Fund</u>	<u>FY 2013 - 2014</u>
General Fund	\$ 572.6
Food Service	19.4
Grants	<u>41.8</u>
Operating Expenditures	633.8
Debt Service	<u>86.3</u>
Total Operating + Debt Service Expenditures	720.1
State Retirement System On-Behalf Allocation	117.0
Total ALL FUNDS (including State Retirement System Allocation)	\$ 837.1 million

General Fund Summary

The general fund budget gap between projected revenue and projected expenses was \$25 million.

The budget gap has been closed through a combination of current year attrition savings, fund balance, personnel reductions in support functions, and reductions in other than personnel services, including purchased services, supplies and materials.

Attrition Savings & Personnel Reductions in Support Functions

All together, the budget includes a gross reduction of 215 full time equivalent (FTE) general fund positions in FY1314 from the FY1213 adopted budget with an estimated budget savings of \$15.2 million of which \$4 million is attributed to attrition in FY1213 and \$11.2 million of the savings attributed to FY1314. Roughly 91 FTE of the total gross reduction can be attributed to FY13 attrition. The managed attrition process began July 1 with a review of new hire requests to determine whether to eliminate or realign open positions. That process is expected to continue through the balance of this fiscal year (FY1213) and throughout the following fiscal year (FY1314).

Please see **Appendix A: Recommended Personnel Service Reductions** for the detailed list of position reductions by functional area.

#### Other Than Personnel Services (OTPS)

In addition to the reductions in personnel services, reductions were made in other than personnel services, including purchased services, supplies and materials, capital equipment, and other functions. The net reduction in *normalized recurring* projected expenses was \$2.8 million.<sup>1</sup> Most of this reduction is associated with a 20% across the board reduction in supplies and materials across all of the organizational units and functional categories, including central district administration, building/ancillary services, building leadership/support, instructional support, and classroom instruction.

#### Continuation of Strategic Initiatives

The proposed budget provides continued support for several key strategic initiatives including Response to Instruction, Common Core alignment and revised curriculum implementation, e.g., Math. The majority of the expenditures to support these initiatives in FY1314 will be covered by budget authority provided in the FY1213 adopted budget. Additional budget authority is included in FY1314 to sustain these initiatives in FY1314.

#### Pupil-Teacher Ratio Adjustments (Revised)

The proposed general fund budget rounds down to the nearest whole number the pupil-teacher guidance from FY 2012-2013 for **grades K-6 and leaves grades 7-12 at the same level as the current school year.**

#### Summary

The preliminary financial plan reflects the District's best effort to provide high quality education to all while reducing expenditures to match flat revenues, sustaining key strategic initiatives, and realigning the District on direct classroom instruction.

<sup>1</sup> The Office of Management and Budget (OMB) will provide a variance analysis, including adjustments to normalize recurring expenses for budget projection purposes for personnel and other than personnel services under separate cover.

### Statement of Program

The gifted program provides services for qualifying students in grades K-12, offering acceleration or enrichment beyond the regular curriculum. Two elementary services are offered; a pullout enrichment program (IGNITE) and a self-contained K-6 Highly Gifted program. At midlevel, gifted Science and Language classes are offered, and the Highly Gifted program continues. At the High School level, Highly Gifted services are offered, and the gifted mentorship program provides opportunities for juniors and seniors to explore a career or interest area through completion of a 45-hour internship with a professional in a chosen field.

### Statement of Program

The purpose of the English Language Learners Program is to provide equal educational opportunities for students who are influenced by a language other than English. Students in grades K-12 are offered access to a high quality academic program with comprehensive language acquisition at the programs' core. Program models include English as a Second Language, Sheltered English Instruction, a Newcomers' Center for monolingual students in grades 6-12 and two-way Immersion.

The program provides professional development for regular classroom teachers, paraprofessionals and English Language Learner staff who work with English Language Learners. Technical assistance is provided via in-service training, cultural awareness presentations, the artist-in-residence program, curriculum integration and community partnerships.

### Statement of Program

The School Board is the policy making and legislative body of the School District. The powers granted to the School Board are set forth in Titles 10, 14 and 29 of the Alaska Statutes. The School Board is responsible for adopting, amending or revoking as necessary School District policies. The School Board's decisions are made and related actions taken after consideration and evaluation of both administrative recommendations and public testimony and consultation.

### Statement of Program

The High School curriculum and program are aimed at developing good work habits, providing good health and physical experiences, developing an interest in life-long learning, fulfilling the need for wholesome peer group activity, and providing a quality educational program.

Each school has established a program to meet these needs for their students. This division assists the principals with the goals and objectives they outline in accordance with their job descriptions. This division is responsible for improving the articulation of programs K-12, working cooperatively with Elementary Education (1031) and Middle School Education (1032), coordinating with staff curriculum and instructional improvement, reviewing High School unit budgets and allocation of staff, recommending High School Administrators transfers, appointments and assignments, evaluating unit principals, promoting a program of public relations and information, being currently informed about teaching techniques and methods of instruction, developing and maintaining a balanced activities program, and other duties which may be assigned by the Superintendent.

Additionally, the High School division coordinates the efforts of the schools within the division to provide support for students requiring additional resources to pass the Alaska High School Graduation Qualifying Exam.

### Statement of Program

The Middle School Education Department is responsible for the ten (10) middle schools in the District and Polaris K-12 school. The Middle Schools share many common characteristics that provide for an environment and structure especially adapted for the middle school student. These characteristics include: smaller learning communities called teams; an emphasis on academic exploration and experiential learning; and opportunities to explore interests and talents in a wide variety of after school activities.

Polaris K-12 is an optional alternative program for students from Kindergarten to 12th grade. Special features include an integrated curriculum and multi-age-group learning based on student interests, needs and developmental levels.

Each principal is responsible for developing an Operational Plan and Master Schedule; implementing and supervising curriculum programs and auxiliary services; organizing staff for instruction and student services; developing and maintaining a balanced activities program; providing effective communications and public relations; directing student services; scheduling, selecting, and evaluating staff; maintaining student decorum; accurately completing reports and maintaining student records.

### Statement of Program

Assessment and Evaluation is responsible for reporting ASD's progress toward meeting the District's Goals and Measures and state and federal accountability requirements of the Elementary and Secondary Education Act.

Leading the district in data analysis is core to the department-enabling instructional divisions, administrators and teachers to make data-driven decisions. The department also provides research, program evaluations, surveys and data requests.

A&E collaborates with IT to maintain the district's Assessment Reporting System (ARS), and has recently launched PULSE, the district's data warehouse. These tools are valuable in guiding instruction based on individual needs of students.

### Statement of Program

The Discretionary Grants Department creates, supports, and coordinates the development of competitive grants for the Anchorage School District. The Grants Department facilitates and writes the major District grants, researches and publicizes grant opportunities, provides technical assistance and professional development for the schools, works with partners, maintains a website and disseminates updated information, and provides quality assurance on all levels.

The Grants Department works with program directors and managers, principals, school staff, and all other personnel involved in designing and delivering instruction and assessment. The department also works with many community organizations and partners in developing collaborative projects for grants. Many of the grants produced by the department are for districtwide, multi-school, or schoolwide projects. Grants personnel also assists teachers and staff in researching and designing competitive grants to fund individual school or classroom projects. Among the department's resources are web links to grant resources, a professional library, and related materials. The department offers professional development opportunities and maintains a web site with updated grant information.

### Statement of Program

The Library Resources Department directly supports the ASD by indexing of library materials for all 100 libraries within the school district and maintaining and updating our catalog of more than 1 million items. The focus of this work is to improve access to library materials for all students and staff in the ASD system. In addition, the Library Resources Department facilitates the automation of manual processes in other departments of the school district through our Curriculum Media module.

To accomplish this purpose, the department provides all services necessary to place in the individual school library/media center the collections of print, nonprint, and computer media, fully indexed with a management system designed to facilitate access and retrieval to all resources in the District. In addition, the management system facilitates access to information outside the District's libraries for resource sharing and

Warehouse personnel receive and verify shipments of curriculum material, equipment, library books, textbooks, furniture, supplies and other stock items. Distribution of these items is then made to appropriate District locations. Employee responsibilities also include: truck transfers (movement of material between School District locations), courier services, archive storage and transport, and maintaining school/support centralized supply inventories. The department coordinates the redistribution and sales activities related to disposal of surplus equipment and material. Employees provide support in property movements related to major maintenance and capital projects activities. The department is responsible for coding of equipment into the fixed asset system and affixing property tags. Warehouse personnel transport science kits to and from all elementary schools.

### Statement of Program

The Rentals Department is responsible for coordinating both district and public use of School District facilities. ASD facilities are rented for various school, community, cultural and recreational activities. Primary user groups include the Municipality of Anchorage Parks and Recreation Department, University of Alaska - Anchorage and a number of community groups including the YMCA, Camp Fire USA, Anchorage Chinese School, Anchorage Korean School, Boys and Girls Club, Boy Scouts and Girl Scouts, Community Councils, and PTA Councils. Revenues realized from the rental of District facilities were \$770,435 for FY 2010-2011, and were budgeted \$690,000 for FY 2011-2012 and \$775,000 for FY 2012-2013.

The District's recreation facilities are consistently scheduled to near capacity. The Rentals Department continues to achieve greater cooperation between user groups through the Adopt-a-Rink and Adopt-a-Field programs. The department also works closely with non-profit youth sporting groups to insure more effective scheduling of ASD gymnasiums and multi-purpose rooms.

The Rentals Department is also responsible for the management and scheduling of auditoriums at Bartlett, Chugiak, Dimond, East, South and West High Schools. The Department provides technical training for teachers and students who use the District's auditoriums. Technical assistance continues to be expanded to provide expertise and support of equipment to other schools across the District.

### Statement of Program

The Community Resources Department works closely with district classroom teachers, community-wide resources and special events to enhance the instructional process for our students. This enhancement is achieved through the scheduling of assemblies, classroom speakers and field trips for classroom teachers. Annually, over 7,000 community resource events are scheduled, including approximately 4,000 field trips. Many field trips are scheduled using People Mover as a mode of transportation, thereby saving thousands of dollars in district transportation costs. The department also schedules over 750 volunteer speakers who provide special topics and shared resources that enhance district-wide classroom instruction.

### Statement of Program

The Adult Crossing Guard Program was established to provide area students with safe passage across streets with heavy vehicle traffic. The program is monitored by the Executive Directors of Elementary and Secondary Education and the principals of each school where guards are provided. Specific locations for Adult Crossing Guards are recommended by the Hazardous Transportation Committee which is chaired by the Director of Transportation Services.

### Statement of Program

The Alaska Native Cultural Charter School is operating in its new building. The K-6 school offers a curriculum that is similar to Anchorage School District adopted curriculum with an emphasis on Native subsistence life styles and rural Alaskan culture. Several Native languages will be introduced to students throughout the school year. Various Native groups and organizations will present special programs and provide guest helpers in the classroom to enrich the childrens' educational experience. The school will provide free reduced breakfasts and lunches as well as make available Title I assistance for all students. The school is open to all students in the Anchorage School District and will use the lottery system to determine enrollment.

### Statement of Program

Enrollment at Aquarian Charter School is projected to be 375 students. This charter school serves students in grades K-6 and is housed at the Charter School Facility (formerly the Old Northern Lights ABC School). The program philosophy statement says that this charter school provides an educational community which supports a learning environment based on high expectations within an academic foundation, experiential hands-on learning, and a commitment to personal character. Aquarian parents have high expectations for their children and their educational setting. The instructional program follows many aspects of an enrichment model, with Spanish inclusion in all grades, a solid core curriculum which is aligned to State Performance Standards, fine arts, thematic instruction and technology integration.

Recently, due to a directive from the School Board, Aquarian Charter School agreed to sign a lease for their facility with the Anchorage School District, beginning FY 2009-2010.

### Statement of Program

Eagle Academy offers an academically challenging educational program requiring students to master Eagle Academy's performance standards before progressing to the next level of curriculum. Students are placed in levels after the teacher looks at the results of standardized assessments and classroom assessments. The Spalding method of teaching is the basis for instruction across curriculum in all grade levels, employing a multi-sensory approach to learning. Teaching of core subjects is given priority in scheduling and other areas of school operations.

### Statement of Program

Family Partnership is a K-12 alternative school. It has approximately 545 students who live throughout the Anchorage Municipality. "Parent directed education" defines this program. It is based on the premise that a partnership between students, parents, professional educators, and community members is an ideal educational environment for children. This partnership is established between a family and a certificated ASD teacher who share similar educational philosophies and work together to create customized educational programs for each student.

### Statement of Program

Highland Tech, a public school chartered in the Anchorage School District, serves as a model for educational entrepreneurship. Highland Tech illustrates a paradigm shift in education and learning.

Highland Tech serves 6th - 12th graders from the Anchorage School District, with a projected enrollment for FY 2012-2013 of 230 students.

Students are expected to follow a dress code resembling casual business dress. Since students will be going into the community, a professional appearance and stature is expected.

The facility promotes a digital learning environment, which integrates technology, connectivity and digital content into the classroom. Student learning is rigorous and demanding. As a standards-based school, Highland students must pass each level with at least an 80 percent proficiency in each of the eight content areas. Students who attend Highland Tech High graduate prepared for the world of work or continuing education.

Highland Tech High students are the next generation of leaders.

### Statement of Program

Middle School Special Education provides services in the team teaching middle school model. Students receive special education services in the least restrictive environment, receiving the general education curriculum to the greatest extent possible as determined by the student's Individual Education Plan (IEP) team. Specialized, research based curriculum is used to address reading, writing, and math skills for students requiring modifications to the material and instructional methodology. This program provides a continuum of services ranging from minimal collaborative support for students enrolled in all general education classes to self-contained classes for students with severe needs.

### Statement of Program

The Special Schools Program provides educational programs outside traditional school settings for students who experience physical, medical, emotional, or behavioral conditions which affect the student's ability to attend school. These services are provided at various residential treatment centers and hospitals within the municipality of Anchorage. Fifty to sixty percent of the students served are from the Anchorage area, and forty percent from outside the district. In addition, visiting teacher services are provided to students who are physically unable to attend school due to temporary or chronic medical conditions. These services are provided in the hospital or home settings.

### Statement of Program

The Health Services program improves and protects the health of students in a supportive learning environment. School nurses prioritize health maintenance, injury and disease prevention, and health restoration. Nursing interventions support educational staff in providing students with a safe, caring and educationally relevant school program. Students with disabilities are provided nursing services as identified in the Individual Education Plan (IEP). Health Services program administration supports supervision, delegation, evaluation of nursing practice and employee training. Mandatory first aid training is provided promoting safe and caring schools.

### Statement of Program

The Food Service Center provides for the purchasing of raw ingredients and finished products used to prepare and serve meals according to Federal guidelines. The department warehouses, prepares and distributes the food; maintains employee scheduling for eighty (80) sites within the District; and maintains/prepares applicable records, reports and summaries.

Student Nutrition, serving both breakfast and lunch, is an integral part of every student's day. Proper nutrition is necessary for every child to reach their mental and physical potential. Nutrition Education, mandated by Federal Regulation, is provided to enhance the classroom health curriculum and to develop lifelong wellness patterns. The Student Nutrition staff places special emphasis on providing fuel to each child to help them achieve their goals for excellence.

### Statement of Program

The Facilities Division of the Assistant Superintendent of Support Services coordinates the planning, design, and construction of new facilities and the remodeling and rehabilitation of existing facilities, pursuant to School Board policies and administrative actions. The division serves as the District contact with design professionals during the design and construction phases of District construction projects. The division is responsible for assuring that project designs comply with ADA, AHERA, and other code requirements.

The District has successfully obtained funding for capital facility needs from the State of Alaska Legislative Grants and bonds in recent years. Major projects include upgrades to enhance Career, Technical & Vocational Education, and building life extension projects at multiple schools, design of Girdwood K-8 renewal, and Service High renovation. Approximately \$99 million is budgeted for current projects.
