

Comp. Book Check #10 Checklist

Use this checklist to ensure you will earn all 10 points for each of the required components on tomorrow's comp. book check. Components are scored 0, 5, 9, or 10 points based on completion (heading and work), legibility (readable penmanship), and work shown (not just answers, and work can be followed).

Remember Table of Contents must be accurate, but components do not have to be in perfect order!

Component		+0 missing completely or heading only	+5 halfway complete or work not shown	+9 heading incomplete	+10 full heading, all work shown, all work completed
1	Table of Contents updated (#164 - 193)	+0 not updated	+5 halfway updated	+9 mostly updated	+10 perfect
